

## Madison Street Job Bids Due March 17th

### McCambridge to be Paved with MFT Funds. In Madison and in GC

A call for bids for improvement of McCambridge avenue from Edwardsville road in Madison into its Granite City extension was issued by the Madison city council during a meeting Tuesday night.

Sealed bids on the motor fuel tax project will be received until 2 p.m. March 17 when they will be opened. Contracts are to be let at the council's March 22 meeting.

Plans and specifications for both the Madison and Granite City portions of the project are available at the local office of Sheppard, Morgan & Schwaab, engineers. The total cost has been estimated at \$100,000.

The improvements will include a 40-foot, eight-inch thick macadam pavement, concrete curbs, gutters and sidewalks, moving of Union Electric Co. high poles and drainage.

### Three Liens Filled

It was announced that the city has filed three liens for a total of \$2784 with the county recorder of deeds on parcels of property it recently condemned and razed.

The properties and amounts of liens are at 1021 Reynolds street, owned by Herman and Paul Kaiman, \$575; 1418 Third street, owned by Rho Zerkulben, \$1283; and 803 Reynolds street, owned by the estate of John and Kostanyewsky, \$928.

Mayor Stephen Maeras remarked, "I hope we will not be forced to take action against other property. As you can see, it is a costly procedure. It is an improvement and the people are breathing a little easier in those areas."

The mayor added that "we will continue to condemn and raze other dilapidated property of owners do not take care of it. Under the new laws, the city can now move against these properties."

In other action during a short meeting, the council approved the minutes and the bills.

## BIRTHS

Births recorded at St. Elizabeth Hospital:

### GIRLS

Mr. and Mrs. Kenneth Fuller, 3184 1/2 avenue, Feb. 22, Angela Denise, eight pounds, two ounces.

Mr. and Mrs. Jim Creek, 810 Grand avenue, Madison, Feb. 22, Vicki Ann, eight pounds, 14 1/2 ounces.

Mr. and Mrs. Leonard Smith, 803 Nidringham avenue, Feb. 22, Teresa Lynn, six pounds, 13 ounces.

Mr. and Mrs. Edward Brooks, Apt. 46, Grenzer Homes, Madison, Feb. 23, Pamela Michelle, seven pounds.

Mr. and Mrs. Paul Bagziel, 2807 Herbert street, Feb. 23, Katherine Anne, six pounds, 13 ounces.

Mr. and Mrs. Arthur Conary, 2544 Center street, Feb. 23, Marcia Diane, eight pounds, two ounces.

Mr. and Mrs. Isaiah Forehand, East St. Louis, Feb. 23, five pounds, six ounces.

### BOYS

Mr. and Mrs. Robert Fuller, 2118 Washington avenue, Feb. 22, Skipper, six pounds, eight ounces.

Mr. and Mrs. Luther Dowdy, 2222 West 22nd street, Feb. 22, Mark Daniel, 11 pounds, one ounce.

Mr. and Mrs. Bobby Wallace, 687 Braden avenue, Feb. 22, Anthony Joseph, seven pounds, seven ounces.

Mr. and Mrs. Bernard Courtney, 2034 Grand avenue, Feb. 22, David Allan, six pounds, 14 ounces.

Mr. and Mrs. Theodore Stam-boliev, 74 Cambridge drive, Feb. 21, Peter Theodore, eight pounds, one ounce.

Mr. and Mrs. Michael Bateson, 4124 Breckenridge lane, Feb. 23, Michael James Jr., eight pounds, five ounces.

Mr. and Mrs. Billy Hewitt, 2454 Benton street, Feb. 23, nine pounds, three ounces.

## District Asks To Annex Grigsby Jr. High to City

The Granite City school board last night authorized Supp. Russell D. Johnson to petition the city for permission to annex the Grigsby junior high school campus to the municipality.

Located at Ponton and Carrell roads, the 28-acre tract is the site of a seventh, eighth and ninth grades center authorized in the May 1964 bond issue election. Construction bids will be sought this year.

In addition to seeking to annex the campus, the city of Granite City, the school district asks to obtain city council authorization to connect onto the Granite City sewer system.

The school board last month dropped consideration of the possibility of swapping the Ponton-Carrell land for some site closer to the city limits.

The district is willing to meet the cost of extending a connecting line 3900 linear feet from the campus to a point where it can tap into the city sewer system. Alternate plans studied have included installation of a waste treatment lagoon or a sewage treatment plant, with holding pond.

### Study Grade School Sites

The board last night continued its discussion of possible Mitchell and Stallings area grade school sites.

Funds for a Mitchell area tract were included in the 1964 bond issue, and other funds may be used to obtain options on additional tracts where schools are expected to be needed.

It was decided to include the funds in the 1967 bond issue to accept an East St. Louis and Interurban Water Co. proposal to extend water service to Stallings street. Such service has been feasible with the extension of a water line along Route 162 and north to a Cooper subdivision on the Bruene farm, it was explained.

### Reimbursement Expected

Cost of an 1846-foot extension of eight-inch water line will be \$6919, of which \$900 will be credited to the district immediately due to the volume of water.

## Levee Board Proposes Drainage Committee

### Tolar Appoints 7-Man Group to Make Study of Hillside Drainage

A citizens committee which will be asked to make an extensive survey of the mounting hillside drainage problem was named by the East Side Levee and Sanitary district board last night, with the comment that "something has to be done as soon as possible."

Tolar appointed William Boyne, editor of the Metro-East Journal, as chairman of the committee. Committee members are C. E. Townsend, editor-publisher of the Granite City Press-Record; Theodore Miksell, director of the Southeastern Metropolitan Area Planning Commission; Carl A. Rant, chairman of the Tri-City Regional Port District; James Rens, executive secretary of the East St. Louis Chamber of Commerce; Carl Mathias, president of the Tri-Cities Chamber of Commerce; and Rev. W. P. Alexander of East St. Louis.

The appointment of the committee came as a surprise in a 7 p.m. adjourned meeting that was held for passage of the 1966 tax levy. Most of the members named to the committee told the Press-Record today they had not been asked by Tolar to serve on the committee, and that any definite decision as to whether or not they will serve has not yet been made.

"A solution to the hillside drainage problem is needed critically," Tolar said.

## UF Board Elects; Mathias to Head Drive

### Reilly, Treasurer. Lennie Crocker, President. Standing—Carl Mathias, who was named chairman for the 1966 fund drive; Mitchell Milonski, secretary, and Louis B. Reilly, treasurer.

United Fund officers elected during last night's annual meeting. Seated, left to right—Lennie Crocker, vice-president; Joseph Glik, president, and Dr. Felicia Koch, vice-president. Standing—Carl Mathias, who was named chairman for the 1966 fund drive; Mitchell Milonski, secretary, and Louis B. Reilly, treasurer.

### Glik Renamed President

Joseph Glik, president of Glik Department stores, was re-elected president of the United Fund Area United Fund, and Carl Mathias, area manager for Illinois Power Co., was named chairman for the 1966 fund campaign by board members assembled last night's annual meeting at the YMCA. Mathias was vice-chairman of the 1965 drive.

Also re-elected were Dr. Felicia Koch, vice-president; M. B. Milonski, secretary, and Louis B. Reilly, treasurer.

### New Directors

The new directors named for three-year terms are Dr. George Amisch, Edward Applegate, and Dr. E. E. Veihl Jr. and Edward Winkler.

The retiring board members are Carl Vaccanza, Chester L. Baker, Charles J. Barwick, Theodore Berger, John F. Bilha, Howard D. Wellman, Ernest L. Corbin, Jon L. Dressel, George Eubanks, Don Z. Farrington, Robert Genger, Homer Huber, Howard Kueber, Dr. Felicia Koch, Roy Logan, Carl Mathias, Rev. L. J. Mattingly, Ray Newby, Jesse L. Rainwater, Vaughn M. Sykes, Edward L. Gilbert and M. Freeman Walberg.

### Special Citations

Special honors in the form of citation certificates were presented by N. R. Brink to Dr. Felicia Koch for her work as chairman of the admissions and distribution committee, and for Barwick for her recent work in the personnel practices manual that outlines duties and responsibilities of all UF personnel. Barwick was unable to attend the meeting.

A surprise citation certificate was presented by N. R. Brink to Dr. Felicia Koch for her untiring efforts in heading UF committees. Tribute was paid to Dr. Koch for her recent work in the personnel practices manual that outlines duties and responsibilities of all UF personnel. Barwick was unable to attend the meeting.

### Praised by Commission

The approval of the revision which the one-way street system was signed into law Tuesday by Mayor Partney, who at Monday night's council session said he signed the bill he had based his decision on a legal opinion given the council in 1951. It was ruled that the law was not unconstitutional and that ordinances were adopted on second reading if there was a majority vote.

The 1951 ruling was brought out at Monday night's council meeting by Alderman Rutledge, who brought objections from the council. "If that was the case, why didn't you declare it passed at the last meeting?" Boyd asked.

### Filing Opens, 5 Incumbents Seek 6 School Posts

The emphasis was on incumbent school board members as filing periods opened in the Quad-Cities yesterday. Filing will continue until March 19.

In Granite City, the two with expiring terms filed petitions within the first five minutes of the filing period. They are President L. Monroe Worthington and Treasurer Ronald Dillard.

The same situation prevailed in the Venice district; the two incumbents filed petitions. President Michael E. Leuthner and Fred Rumpf, filed Wednesday.

In Madison, Board Member William G. Schrieber filed for another three-year term but petitions have not been circulated by the other incumbent, Dr. Steve K. Geroff.

In all three districts, no non-incumbents have obtained petitions from the school board members. The elections are to be held Saturday, April 9.

## City Grows by 25 Acres for Ponton Plaza Development

### Present Briarcliff development. Charles Green, who is planning to erect two eight-family apartment buildings in the 2500 block of Washington avenue on property formerly occupied by a coal yard, is to submit a plat showing the site and the buildings before the zoning amendment is to be approved.

Two-Bedroom Units  
There presently are 80 apartment units in the buildings of Ponton Plaza. The buildings of Ponton Plaza will contain two bedrooms, living-dining room, kitchen, fully equipped kitchen and bath. The apartments will be air-conditioned and there will be carpeting as well as ample closets. Storage and laundry facilities will be available in the basement. Work added.

Consent was authorized the preparation of amendments to the zoning code to permit Briarcliff development. Co. to proceed with a million dollar duplex and apartment house construction program south of West Ponton road and west of the present Briarcliff development.

Charles Green, who is planning to erect two eight-family apartment buildings in the 2500 block of Washington avenue on property formerly occupied by a coal yard, is to submit a plat showing the site and the buildings before the zoning amendment is to be approved.

Authority was given for the city's fire code to be amended to require methods of exit from all apartment buildings, even if one is installed as an emergency exit. The recommendation was requested by the measure and has received the endorsement of the City Planning Commission.

Also based on recommendations by the Planning Commission, amendments to the zoning code are to be submitted to permit establishment of a mobile home park in the city and for professional offices to go into homes on major thoroughfares.

The council noted it has the right to decide on each individual lot for a mobile home park or office before a city permit is granted.

### Church Seeks Annexation

Churches to the Plan Commission was a petition by the Tri-City Park Tabernacle for annexation of a tract in Wilshire drive, where a new building is being erected to replace the old one. The petition was submitted by the pastor, Lloyd Shoemaker.

The plan commission also is to study the proposed rezoning of a 152-acre tract east of Holladay Gardens subdivision from residential to commercial.

## GC Hopes to Get \$1-\$1 1/2 Million Federal Funds

### Quick Action Required To Qualify for Sewer Construction Monies

Qualifications by Granite City for \$1 to \$1 1/2 million federal funds for installation of sanitary sewers is virtually assured provided the city acts quickly, members of the city council were told Monday night by Alderman Charles Moerlein.

The alderman, who is chairman of the council's Special Pollution committee, said the city should submit its application within two weeks of the Chicago regional office of the U. S. Department of Housing and Urban Development.

He pointed out that federal funds for a sanitary sewer program from the 1961 project," Moerlein said. He added that Donald Ganster, regional chief of public facilities for HUD, was greatly impressed by the advanced planning by Granite City. Only minor revisions were needed.

### Detailed Plans Ready

"We're on the ground floor since we have the detailed plans for a sanitary sewer program from the 1961 project," Moerlein said. He added that Donald Ganster, regional chief of public facilities for HUD, was greatly impressed by the advanced planning by Granite City. Only minor revisions were needed.

Ganster was visited last week at his Chicago office by Mayor Partney, Moerlein, Leo Kenzen, assistant city engineer, Edward Jumeau, of the engineering firm of Sheppard, Morgan & Schwaab, that designed the sewer system, and Carl Mathias, manager of the Illinois Power Co.

Moerlein explained the federal government will provide 40 to 50% of the funds for sewer construction, and he was certain the city would qualify under the 50% program. He indicated the initial cost of the original \$10,000,000 sewer program would be a \$2 to \$3 million project primarily in areas that do not now have sanitary sewers.

### May Seek Several Grants

Moerlein added that the city possibly could qualify for several grants of federal tax funds in the future. He indicated the city would be able to obtain \$10,000,000 sewer program would be a \$2 to \$3 million project primarily in areas that do not now have sanitary sewers.

## Old Postoffice Demolition to Begin Next Week

A contract for demolition of the old postoffice building in the 1300 block of Nidringham avenue was awarded to H. A. H. Sebold Co., and razing of the building is to start early next week.

Ferd Grogan, executive secretary of the Tri-Cities Chamber of Commerce, said all negotiations for removal of the building were completed.

The building contractor estimated about two weeks will be required to demolish the structure.

The building contractor is expected to be mounted at the site of the new Granite City postoffice building. Several individuals have requested souvenir items from the building.

## Chest X-ray Schedule Announced for Community

The Madison County Tuberculosis Association will begin its county-wide free chest x-ray survey on Tuesday and will continue at various locations through April 30.

Quadrant area residents 15 years of age and older may take advantage of the free x-rays at the following locations and schedules:

Granite City hall, March 4, 4 a.m. to noon and 6 to 9 p.m., and March 5, 9 a.m. to noon and 4 to 5 p.m.; Red Cross grocery, 401 Weaver street, West Madison, March 8, 9:30 to 11:30 a.m.; St. Elizabeth Hospital, March 8, 8 a.m. to noon and 1 to 5 p.m.; Venice police station, March 31, 9 a.m. to 1 p.m.; Bollersville Village shopping center, April 1, noon to 4 p.m. and 5 to 9 p.m., and April 2, 9 a.m. to noon and 1 to 5 p.m.; Madison Dairy Master, 936 Madison avenue, April 30, 9:30 a.m. to noon and 2 to 5 p.m.

Mrs. William Barth, executive secretary of the association, said each person who has a chest x-ray will receive a report on the findings. The reports will be sent within four to six weeks after the x-rays are taken.

Each x-ray film is read by a chest radiologist. If no chest condition is noted, a negative report is made. If a chest condition is found, the individual is referred to a doctor for further examination. Reports on the radiologists' findings are sent to the physicians of those persons who have chest conditions.

In some cases the radiologist may request that a larger chest x-ray be taken. The association also pays for the larger films.

Mrs. Barth also explained that the follow-up on persons having chest conditions is an important part of the chest x-ray survey. "It is very important that their family physician do so immediately," she said. "The chest x-ray should never take the place of a regular physical check-up."

## Military Services Friday Morning For Sp4 Fisher

Funeral services will be held at 10 a.m. tomorrow for Army Special Fourth Class David L. Fisher, 21, of Mitchell, who was fatally wounded Feb. 15 while in combat in Vietnam.

Services will take place at the Church of God, Orville street and Venice avenue, with military burial at St. John's cemetery, 2901 Namekiki road.

The son of Mrs. Bertha Lou Fisher of West Chain of Rocks road, SP4 Fisher was a member of Company B, Second Battalion, First Cavalry Division. Recently he had been part of "Operation White Wing" in which soldiers were moved into battle zones, by helicopter.

Fisher was killed by enemy small arms fire while engaged in a combat operation.

A life-long resident of the area, the soldier was graduated from Mitchell grade school and had a 10-year record in the service in July 1964. Following training at Fort Leonard Wood, Mo., and Benning, Ga., he was assigned to duty in Vietnam about six months ago.

Besides his mother, he is survived by three sisters, Miss Anita Fisher and Mrs. Walter (Faye) Malone, both of Granite City, and Mrs. William (Annetta) Taylor, Wood River, and two brothers, John Fisher, Granite City, and Carl Fisher, Mitchell.

Funeral arrangements are given in this obituary column.

Sp4 Fisher was the third local serviceman to lose his life in Vietnam during the past nine weeks. Marine Pfc. Robert E. Emery, 20, of 1904 Joy avenue, died in action, and Army Pfc. Gene D. Chepley, 20, of 4032 Lake drive, died Feb. 7.

### Unionism, Quality Factors In School Textbook Issue

Is it a "tempest in a teapot?" Or is it a misguided encouragement of anti-unionism?

Granite City school officials currently are attempting to entangle intricate textbook production processes to determine whether they can stop buying non-union products without stripping the schools of needed printed matter.

The problem has been summed up by Supt. Russell D. Johnson in letters sent to book manufacturers this winter. A typical letter follows:

"Granite City is a strong labor town with the union labor representing about 90% of our working force. Our school employees are all organized within seven different unions.

It has been called to our attention by the Tri-Cities Trades and Labor Council that your company has the printing of its various publications done by the Kingsport Press, which is presently on strike and is currently operating with non-union labor.

"We have been asked to refrain from purchases of books that are printed by Kingsport Press. This request was considered by our board of education, which concurred with the recommendation of the superintendent of schools.

"The superintendent's recommendation was that we not take steps that might jeopardize our educational program, but that where we have a choice between books printed by the Kingsport Press and any other union printer, we would give preference to the union shop."

Future Purchases  
This action will definitely place an obstacle in the way of future purchases from your company, and I felt that you should be notified regarding this situation. Perhaps the situation has changed; and, if so, or if my information is incorrect, I would welcome correction or suggestion from you."

Replies are being awaited. Those received so far—and a "black list" published in the American Federation of Teachers' "American Teacher" magazine, indicate that the district has been using two such encyclopedias and four textbooks.

Of the six, most involve only small purchases, but one textbook is used extensively. A longer list of potentially "unfair" textbooks was compiled on the basis of publishers that do business with Kingsport. However, some publishers have contracts with more than one printing firm, and the task of determining whether a particular copy of a book was produced

by union or non-union employees has proved difficult.

Content of Books  
The need to maintain effective instruction also has entered the picture. Textbooks offered by competing book publishers have different authors and wording, and not all are of equal value to students.

When the point initially was raised by Trades and Labor Council President Edwin Reiske, a survey showed that the local school system has had no direct business dealings with the Kingsport firm.

He then provided a list of 20 publishers that have had printing done for them by the firm. Supt. Johnson found that the list included "some with whom we have done business for years—publishers of many basic texts in such fields as industrial education, modern foreign language and business education."

Serious Handicap  
He related that if the district had purchased from all firms that had ever in any way been associated with the printing company, "it would seriously handicap our educational program in numerous areas."

"And changes of texts would give us material less desirable at a cost of many thousands of dollars to the district."

Current status of the issue is that the district will "go along with the request of the Trades Council where possible without added costs and without decreasing an effective educational program."

### Lenten Services at Niedringhaus Church

Rev. R. Paul Sims, minister of Niedringhaus Memorial Methodist Church, will begin a series of Lenten sermons next Sunday on the theme, "What Jesus Was Like."

The messages in the series will be given at the morning worship services, 8:30 and 10:40 a.m., and also in the evening at 7:30. Sermons for this Sunday include the topics, "The Face of the Master," and "The Voice of the Master."

The anthem will be sung by the Youth Choir in the 8:30 a.m. service. Special music in the 10:40 service will include an offertory anthem by the Church Choir, directed by Diane Jo Thuis, and the worship anthem sung by the Chancel Choir, directed by Warren G. Simpkins. Organists will be Mrs. Russell West in the morning and Mrs. Simpkins in the evening.

A special Lenten study series began Wednesday night and will continue each Wednesday night during Lent. The special worship study is led by the minister, and will deal with the study of the Acts of the Apostles, using the textbook, "Acts: Then and Now" by Harvey H. Pothoff.

### Hand-Sight

Some folks save money all their lives to buy things that only the young can enjoy.

## Christian Science Church Observing 100th Anniversary

Members of First Church of Christ, Scientist, 2560 Delmar avenue, will join with other Christian Science churches throughout the country today in plans for a year-long observance of the 100th anniversary of Christian Science, according to an announcement by The Christian Science board of directors of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Major events will include a world-wide public speaking tour by the editor-in-chief of The Christian Science Monitor, publication of a new book entitled, "A Century of Christian Science Healing," and the start of work on a new "church center" construction program.

The first meeting to organize Christian Scientists in this area was held in a home on a Sunday afternoon in October 1915. The Society was re-organized and recognized as such by the Mother Church in August 1917.

Six years later the Society was recognized by the Mother Church as First Church of Christ, Scientist, according to information furnished by Charles Meyer, assistant committee on publication.

Early meetings of the organization were held in several locations. After recognition by the Mother Church, meetings were held in the Masonic Temple. Ground was broken for the present edifice in October 1931 and by September had been held there since February 1932.

A Sunday School was started in March 1922. The first Christian Science lecture was given at the Masonic Temple in February 1918. Dedication services were held in the present church at 2560 Delmar avenue, Sunday, July 21, 1940.

The Centennial stems from events in 1868 when Mary Baker Eddy began her pioneering of a world religious movement.

A life-long healing which Mrs. Eddy experienced in 1868 was the result of her study of the Bible into an intensive searching that produced the earliest manuscripts on Christian Science.

She became convinced that Christianity is scientific in the spiritual sense and applies to the every aspect of human experience. Later she wrote the Christian Science textbook, "Science and Health With Key to the Scriptures," and founded a church which now includes 3300 branches in more than 50 countries.

Centennial activity within the church will come to a focus at the annual meeting in Boston June 6. Land clearance will begin on that day for construction of an expanded 15-acre church center, while members gather to consider their movements progress and spiritual mission.

Throughout its century of development, Christian Science has continued to be a lay movement of people dedicated to restoring spiritual healing to Christianity. They are convinced this can be done on a sound, permanent basis and believe this is a necessary first step towards fulfillment.

ment of Christianity's large purpose, spiritual transformation.

These ideas will be touched upon in some of the special public events planned for the Centennial.

One highlight will be the speaking tour of the world's major cities by Edwin D. Canham, editor-in-chief of The Christian Science Monitor. His talk is on "The Spiritual Revolution."

The tour will start in Sydney, Australia, on March 1 and will extend through the most of the world during the year. In April will come the publication of "A Century of Christian Science Healing," which is expected to be of wide interest. The book will provide a chronicle of the development of spiritual healing, based on church records. It will include an explanation of current methods of psychotherapy and psychosomatic medicine.

### Riggs Burglar Alarm, Fires at Intruder

The garage of Joe Brooks, 1132 Douglas street, Venice, was burglarized on two occasions, so he rigged up his own burglar alarm system—a buzzer in his home connected to his garage door.

About 11 p.m. Monday, the buzzer began buzzing and Brooks grabbed a shotgun and ran to his back door just in time to see a man run by his garage.

Brooks fired a shot at the fleeing figure and told police later that he fired low and didn't know whether or not he had hit the man. Anyway, the buzzer worked. Brooks said nothing was missing from the garage.

### Seaman Recruit Perira Completes Training

Seaman Recruit Martin E. Perira, 20 USN, son of Mr. and Mrs. Manuel Perira of 4904 Mueller avenue, has completed his two weeks of annual active duty for training at the Naval Training Center, Great Lakes, Ill., and has returned to his local Naval Reserve unit.

Naval Reservists receive intensive training in subjects such as naval history and organization, customs and courtesies, ordnance and gunnery, seamanship, damage control, first aid, swimming and survival, shipboard life and duty, and physical fitness rounds out the training.

## 22 Teachers Honored by Kiwanis

## Teachers Make Top Notch School System, Speaker Says

"Without the principal basic ingredient of quality school teachers and administrators, the finest buildings and equipment in the country cannot produce a good school system," Wilbur R. Trimpe, Madison county superintendent of schools, said Monday evening.

The school official addressed his remarks to members of the Granite City Kiwanis Club and their guests, teachers who have served 25 years or more in Granite City schools. The educators, honored at a dinner party held in the Rose Bowl restaurant, were presented certificates of appreciation by the local men's service organization.

Combined years of service in the community of the 22 teachers

designated totaled 886 years. It was brought out that 11 had received their education through the local school system prior to attending college. Among those honored were two sisters, Miss Mary Hopkins, principal of Marshall school, and Miss Dorothy Hopkins, a Webster school teacher.

Must Remain Dedicated  
Trimpe pointed out that those in the teaching field find it difficult to measure the efficiency of their efforts and the subsequent results, when compared to those in medicine, law, engineering or other professions. A teacher, he added, must remain dedicated to his calling "whether or not he knows the bridge he has helped to build through education has stood firm, or if he has been personally responsible for the success or failure of his charges."

The county superintendent went on to say that teachers have a great task in preparing our future citizens by providing a sturdy foundation for the young.

He emphasized his statement by quoting Jefferson's words, "No nation can remain free and ignorant at the same time."

There are thousands of living testimonials in this community alone, Trimpe said, to prove that the individual but also the community in general, "After 42 years in the field of education," the school official continued, "I have learned that a teacher needs to feel appreciated." He commended the Kiwanis for honoring the group.

A first for GC  
Granite City School Supt. Russell D. Johnson expressed appreciation to the Kiwanis officials for sponsoring the recognition dinner. He later said he believed it to be the first time an event of this type had been held.

Kiwanis president, Peter R. Jelen, welcomed the guests and introduced Roy Graham, who served as master of ceremonies.

Other guests present included Kiwanis Lt. Gov. Basil Compton of East St. Louis and Mrs. Valerie Evenden of the Press-Record staff.

### Varied Reports Planned For Chamber Directors

The March dinner meeting of the Tri-Cities Chamber of Commerce board at 6 p.m. next Tuesday will include reports on civic improvement and development, Congressional action and governmental affairs, tourist promotion, transportation and highways, health and light industry. President Carl E. Mathias has announced.

Also scheduled are discussions on education, membership, planning and zoning, ambassadors, agriculture, retail commercial development and Southern Illinois University liaison.

### 2 Battery Charges Filed

Charges were placed at 10:30 a.m. Wednesday against Richard Elthington, 57, of 2037 Bryan avenue, on aggravated battery, and against Richard Lee Elthington, 30, of 2204 Missouri avenue, on battery. Complaints were signed by Martin Graycraft in the first case and Mark Graycraft in the second.

## Junior College Students May Enroll Now at SIU

Southern Illinois University, Carbondale, is now accepting admission applications from junior college students planning to graduate this spring, according to Leslie J. Chamberlin, Carbondale campus admissions director.

Chamberlin said applications for both the 1966 summer quarter and the fall quarter beginning in September are being accepted. SIU operates on an "early decision" plan under which many applicants are granted tentative admission on the basis of three semesters of junior college work.

Although a complete transcript showing fourth semester work and verifying graduation on schedule must follow at a later date, Chamberlin said, the "early decision" plan helps the junior college applicants make plans further in advance and helps the University spread the heavy load of admissions more evenly.

To stimulate attendance at junior college and encourage the most qualified Junior College graduates to continue their studies, SIU awards 50 two-year scholarships annually to deserving

Illinois junior college graduates.

Both junior college and high school seniors planning to seek admission to Southern should contact the admissions office now, Chamberlin said. Further information will be supplied by return mail.

All students accepted by the University are required to present social security numbers for use as permanent identification in SIU's electronic records system. Scores from the American College Testing Program (ACT) tests also are required.

### Men's Glee Club of SIU

#### To Sing of Monticello

The Men's Glee Club from Southern Illinois University's Carbondale Campus will present a concert at 8 p.m. Saturday, in Hatfield Hall, Monticello College, Godfrey. Admission is free and the public is invited to attend. Mrs. Joan Clark of the college staff announced today.

Among the choral group's 30 members are two exchange students, Firemon Kasato of Kimpala, Uganda, and Aubrey Mulesa of Salisbury, Southern Rhodesia. A medley of minstrel

### Heart Fund Partial Report Shows \$3000

Preliminary figures released today by James Kenney, "Heart Sunday" chairman for the Quad-Cities, shows an amount in excess of \$3000 was effected in the one-day, fund-raising drive in Granite City.

Donations from Madison and Vevoy has yet to be turned in and tabulated, the chairman said. He added the 1966 total contribution is expected to exceed last year's \$4500 figure.

Contributions collected Sunday will be added to more than \$1300 received through the special gifts division, Kenney explained. Officials of the Madison County Heart Association, he said, had asked him to extend their appreciation to "Quad-City" residents and to more than 350 volunteer workers who distributed heart disease literature and solicited donations in their neighborhoods.

### License Plates Stolen

Two 1966 state auto license plates were stolen from a 1961 station wagon owned by Otis Gault, 735 Twenty-sixth place, he reported at 4:10 p.m. Tuesday.

The plates, which bore the numbers 1-1000, were reported stolen from the car at 4:10 p.m. Tuesday.

## MEDICARE APPLICATION

Persons 65 and older who are not getting cash Social Security payments can get help in enrolling for Medicare by filling in this coupon and sending it to Social Security Administration, East St. Louis, Illinois, 62002.

NAME .....

## Medicare Application Form Printed; Deadline Mar. 31

Many persons still have failed to file applications for participation in the Medicare program, Ralph Brasher, district manager of the Social Security district office at East St. Louis, told the

Press-Record this week.

To assist those persons who need information or assistance, the Press-Record begins publication today of a form which may be filled in and mailed to the Social Security Administration, East St. Louis, Ill., 62002. The office then will make arrangements to assist the sender in enrolling in the program.

Brasher said response to the Medicare program has been satisfactory, but that there are many persons 65 or older who have failed to respond "and it is this group we would like to contact."

The deadline for filing the application this year is March 31st.

### Hiring Handicapped Film to Be Shown

"Selling One Guy N a Handicap," a film designed to acquaint businessmen with advantages of hiring the handicapped, will be shown at 7:30 p.m. Monday at St. John United Church of Christ, it was announced today by Mrs. Evelyn Gavin, president of the Granite City Association for Aid to Retarded Children.

The general public, as well as interested business people, are being invited to view the movie, Mrs. Gavin said. She added that the film was recently purchased by the GCAARC and is available for use by local service organizations.

### Local Veterinarian Attends State Meeting

Dr. Larry O. Tadlock, local veterinarian, was among more than 600 Illinois and out-of-state veterinarians who participated in the 84th annual convention of the Illinois State Veterinary Medical Association, held Sunday through Tuesday in Chicago.

Thirty well-known speakers made presentations during the scientific conference, which was divided into three sections dealing with small animal, general practice, and sanitary science. X-ray techniques, ophthalmology, the cat and dog, food poisoning and animal health problems, were among the subjects covered.

Each member of the group who contributed over 10% of the support, except the person claiming the exemption, must furnish a written statement that he will not claim the individual as a dependent on his own tax return.

Document No. 5013, which furnishes more detailed information on this subject, and Form 2120 may be obtained by writing to the District Director, Internal Revenue Service, P.O. Box 1469, Springfield, Illinois 62705.

## Tax Exemption Claim Method Explained by RS Official

Each member of the group who contributed over 10% of the support, except the person claiming the exemption, must furnish a written statement that he will not claim the individual as a dependent on his own tax return.

Document No. 5013, which furnishes more detailed information on this subject, and Form 2120 may be obtained by writing to the District Director, Internal Revenue Service, P.O. Box 1469, Springfield, Illinois 62705.

### Making Progress Percentagewise

## Police Solve More Crimes— But More Occurring in GC

Increases in the number of crimes and also in cases cleared were reported by Granite City Police Chief Raymond Willard to the city council Monday night.

The chief's report was among the first monthly departmental reports to be submitted under a new program announced by Mayor Partney late last year.

The January report shows there were 114 cases and that 43 were cleared through arrests. The number of offenses was 18 more than reported in January 1965, and the 43 clearances represented an increase of 25 over the January total last year.

Chief Willard reported the police department answered 281 complaints during the month—an average of 19 a day. The 114 offenses last month

included one robbery as yet unsolved; two cases of aggravated assault, also unsolved; 44 burglaries, while 20 were cleared; five cases of theft over \$50 with none solved; 36 cases of theft under \$50 with four solved and 36 thefts of autos with 19 solved.

The detective bureau worked on 117 cases during the month and conducted 170 interviews.

Under the traffic section of the report, 134 accidents were reported for January, down 26 from January 1965. The daily average was slightly over four-a-day.

Traffic arrests totaled 195, 99, and the number of charges totaled 215, also up 99.

Of 31 motor vehicle traffic accidents, 49 persons were injured. There were no traffic fatalities.

### Grid Cardinal Expects Improved 1966 Record

Members of the St. Louis football Cardinals are optimistic about their team's prospects in the fall 1966 competition of the National Football League's Eastern Division, Madison Rotarians were told yesterday by Monk Bailey, a defensive back. The 1965 performance fell short of expectations.

A rarity in professional football is that he signed on as a free agent, the 25-year-old Utah University graduate said his six-foot, one-inch 185-pound size is no handicap in playing against bigger athletes. Desire to excel was described as the key to the sport, and Bailey commented that his policy is to always tackle decisively—"It's when you ease up that you get hurt."

He was introduced by Alex Schenck, program chairman. Vice-President Harvey Miller said he was pleased that the club's financial report on the club's Feb. 20 smorgasbord will be submitted next week.

### Depot Civilians Ready For Viet Nam Visits

Morrs Quad-City civilian employees at the Granite City Army Depot are available 90-day visits of Viet Nam through the Supply Maintenance Command, it was confirmed this week.

The visits constitute a continuation of an overseas supply program conducted during both war and peace, it was reported. Military assistance teams from posts throughout the country are formed and persons are readily available, the Press-Record was told, but names of those leaving and their schedules are classified information and the availability list changes daily.

John Smith of Granite City recently returned from such a tour and currently is presenting illustrated programs on his experiences in Viet Nam.

### Farmers Aided By SIU Study Of Grain Drying

Can a farmer afford to invest in grain drying equipment and on-farm storage if it costs him about \$28 an hour to wait in line at the elevator during harvesting seasons to unload his corn or soybeans?

The economics of that quandary was the object of study at the Carbondale Southern Illinois University campus by Ronald Boyd, formerly of Coulterville, Ill., as part of his master's thesis. Boyd, who is now a graduate student at the University of Illinois at Urbana-Champaign, is the director of the SIU agricultural industries department.

Boyd concluded farmers cannot justifiably drying corn on the farm if they are going to sell the grain at harvest time. However, if they already have on-farm storage facilities, it will be necessary to use a dryer in storing the grain. How much more they will spend for storage facilities on the farm will depend on how long they are willing to wait to dispose of the grain at the elevators — if the elevators have enough storage capacity to handle the grain disposed of at harvest time.

The \$28 per hour cost of waiting in line is based on estimated charges of \$14 per hour to operate a combine, \$11 for a truck, and an hour for losses due to weather, according to Boyd's study. However, a farmer with 100 acres of corn is not likely to value his waiting time as highly as one who has 300 or 400 acres of grain to harvest.

Boyd also heard states in sales of corn and soybeans. Because of improved plant varieties, new harvesting techniques and crop conditioning, there have been more grain handling and marketing problems for local elevators.

Increased yields that are being harvested earlier at higher moisture content and over a shorter length of time are the chief problems in marketing, Boyd said on-farm storage will continue to be built as long as the elevators cannot provide the necessary services at harvest time.

Farmers should consider more than convenience before deciding to build their own storage. Farmers usually depend on price increases during the marketing year to cover the cost of storage and drying. However, losses due to grain cracking, mold, and other damage in drying and storing on the farm offer more than offsets any price rises that may occur, Boyd pointed out.

Also, as new elevator facilities become available, the job of drying and storing could be priced off the farm. Storage elevator location and increased opportunities could permit lower rates for drying and storing on the farm and faster service than the cost of such services on the farm.

### Man Fined \$200, Costs Kenneth R. Archer, 2843 Myrtle

avenue, was fined \$200 plus costs of \$25 on a charge of careless driving in magistrate's court Monday. The charge was filed Jan. 5 by Granite City police. He previously had pleaded innocent to a charge of driving while intoxicated.

"It was not intended the love of God toward us, because God sent His only begotten Son into the world that we might live through Him." — John 4:9

## Depot Lieutenant Wins Dual Awards

(Picture on Page 10)

First Lt. Allan LaPlante, assistant post engineer at the Granite City Army Depot, was the recipient of dual awards, presented to him Monday evening at a monthly meeting of the American Engineers, held in the depot officer's club.

In recognition of outstanding performance of duty and display of leadership qualities, the Army officer received a certificate of Achievement from Lt. Col. Robert P. Armstrong, acting depot commander.

The second award was a plaque naming Lt. LaPlante, Granite City Army Depot's "Lieutenant of the Year for 1965," presented by Col. W. B. Beach, president of the St. Louis Chapter, Society of American Military Engineers.

The latter citation is the first of what will be an annual award to a lieutenant serving at the depot. The program for the award was included in an illustrated presentation, entitled "Passenger Transportation Facilities for the Gateway Arch," given by Col. R. E. Smyser Jr., USA (Ret.), executive director of the Bi-State Development Agency.

## Mrs. Hoelscher Performs At Washington U.

Mrs. Mildred Hoelscher, 3132 Princeton drive, appeared in a program of modern dance last evening in Brown Hall of Washington University, presided over by the University College Adult Education Division.

Members of the dance theatre, selected by audition, presented creative and artistic approach to dance techniques and choreography. There will be repeat performances by the theatre and John Burroughs School.

## OBITUARIES

### The Blossom Shoppe

ROY A. BRAMMEL JR., Flowers of Distinction, 20th and Delmar, Granite City, Mo. Phone TR. 7-1630. Funeral Flower Specialists.

CONRAD, MRS. MABEL SARAH, 5732 Wabasha street, St. Louis, Mo. Entered into rest at home, at 11:30 a.m., Wednesday, Feb. 23, 1966.

Dear mother of Mrs. Doris Kowal and Mrs. Henrietta Marjorie; dear sister of Mrs. Eloise Oze; dear grandmother, mother-in-law and sister-in-law.

Funeral services, 9 a.m., Saturday, Feb. 26, SEDA LACK FUNERAL HOME, 615 Madison avenue, North St. Louis, Mo. Interment, Woodlawn Cemetery, Edwardsville. Friends may call after 9 a.m., Friday.

## 20 Collisions This Week, 6 Persons Hurt

Quad-City traffic this week injured six persons. Ten collisions involving two cars on the east side of McKinley bridge.

Two persons were injured at 4:15 p.m. Wednesday in a collision of two cars on the east side of McKinley bridge. The car was driven by the late William Sheila Moss, 25, of Willow avenue, driver of one of the cars and Barbara Burger, 20, of 2836 Ralph avenue, passenger, complained of neck injuries.

The mishap occurred when the Moss car, headed east on the bridge, stopped for traffic and was struck from the rear by a car driven by Helen Groetz, 22, of 2345 Colgate avenue, which was traveling west.

William Tate, 43, of 2601 East 25th street, and a passenger, were injured when the car struck two parked cars owned by Louis Vaughn, 3260 Edgewood drive, and Audrey Franklin, 2904 Washington avenue, at 11 p.m. Wednesday in front of the car wash in hope. There was no report of hospital treatment. Tate was charged with driving.

Hurt in Madison Crash. Cecil C. Garrison, 39, of 3108 avenue, was treated for a severe leg laceration at St. Elizabeth Hospital at 4:10 a.m. today after the car he was driving collided with a parked car in front of 1650 Fourth street in Madison. Garrison was headed east on Fourth street when the collision occurred. He was charged with reckless driving and posted his driver's license.

Magistrate's Hearing. The magistrate's hearing in the case of the driver's license was held at 10:30 a.m. today. The case was charged with reckless driving and posted his driver's license.

## Old Post Office

The structure, such as the stone copy over the main door. They are being referred to the contractor.

The building and property were acquired by a citizen's committee that contributed to and solicited \$30,000 for the land and the work necessary to clear it. When the work is done, the area will be turned over to the Granite City Park district. No park funds were involved in purchasing the land and building, or for the demolition work.

The property was purchased from the General Services Administration. Amount of the Seebold contract, which represented the lowest bid submitted by area contractors, was not announced this morning. A razing permit in the amount of \$7000 has been prepared by the city inspector office.

The "B" blast furnace is in the process of being blown in at the blast furnace division of Granite City Steel Co. and will be in full production—1900 tons of pig iron per day—within two days.

The blast furnace division has about 850 employees, and when a section of the coke ovens was closed down late last year, the largest number of layoffs was about 100 men, many of whom were laid off from the steel mill.

The "B" blast furnace is the larger of the two, operated by Granite City Steel Co., which now is engaged in a four-year, \$10-million dollar expansion and modernization program that will increase production.

At present the brick lining is being dried with hot air blasts and partial production of pig iron is being maintained. The blast furnace has a capacity of 1700 tons daily.

## Chamber Service Projects, Cleanup Drive in Spring

Five scheduled Chamber of Commerce activities were announced at a Chamber breakfast today.

The first activity is a cleanup drive on March 22, a school board candidate forum March 31, the annual Business and Industry Association banquet April 20, the 1966 membership drive May 11 and Chamber "play day" June 11.

Attention also was called to plans for a major community cleanup drive, paint up, fix up campaign this spring.

The water service will replace a well currently in use. "We have been fortunate thus far in having good tests on our water supply, but it is questionable how much longer this will continue, since we have several cesspools on the property quite close to the water supply. The cesspools are in poor condition and need to be replaced."

Hydrant Also Sought. Possibility of obtaining a fire hydrant near Stallings school also will be investigated.

Acting on bids, the board purchased 15 soda and acid type extinguishers for a total of \$184 from James A. Lewis & Associates.

One-sixth of the total supply of school extinguishers, the 15 are intended as replacements in boiler rooms, kitchens and other areas of school buildings.

Physical education equipment purchases amounted to \$170 from Porter Athletic Equipment Co., \$160 from Lyon Apparatus Co. and \$20 from Graham's Book Company.

Printed forms ordered totaled \$880 from Advertiser Press, \$408 from Graham Press, \$301 from Porter Athletic Equipment Co., \$160 from Lyon Apparatus Co. and \$20 from Graham's Book Company.

The board hired Mrs. J. Maxon, 30 Oaklawn drive, an Illinois Wesleyan University graduate with eight years of teaching experience, as the district's second homebound instructor to teach pupils too ill to attend classes. She has been doing this work on nearby, Robert R. Fisher, Melvin O. McKay, J. W. Christy, Ernest E. Veith Jr. and Harold R. Fisher.

Pending projects were listed as including the establishment of a Horseshoe Lake park, formation of a solicitations control program, scheduling of another year-round work affairs and practical politics courses.

A rapid program to add needed parking facilities at St. Elizabeth Hospital may be completed this weekend, a hospital spokesman said today. Razing and grading operations have been completed at the corner of 21st and Iowa streets, behind the hospital.

The Tri-Cor Medical Building, construction of the 100x125-foot parking area began earlier this week and preparations for filling the area with crushed rock started yesterday. Paving the new facility will be delayed for some months until the surface is ready.

The hospital official said the site formerly held the home and office of the late Dr. A. E. Evers.

## Car Pulls from Curb, Hit

Peggy Anne Schaefer, 2982 Iowa street, reported at 9:10 p.m. Wednesday that as she pulled away from the curb on the 20th street at N. Ringhaus avenue, the left front fender of her auto was struck by a car which had turned the corner.

The car, which was a 1965 Ford, was driven by a man who was not seen. The car was damaged and the driver was not injured.

## Going Down Next Week Is the old main post office building on N. Ringhaus avenue which is to be razed for a downtown park. The cornerstone bears the date—1911.

The building and property were acquired by a citizen's committee that contributed to and solicited \$30,000 for the land and the work necessary to clear it. When the work is done, the area will be turned over to the Granite City Park district. No park funds were involved in purchasing the land and building, or for the demolition work.

The property was purchased from the General Services Administration. Amount of the Seebold contract, which represented the lowest bid submitted by area contractors, was not announced this morning. A razing permit in the amount of \$7000 has been prepared by the city inspector office.

The "B" blast furnace is in the process of being blown in at the blast furnace division of Granite City Steel Co. and will be in full production—1900 tons of pig iron per day—within two days.

The blast furnace division has about 850 employees, and when a section of the coke ovens was closed down late last year, the largest number of layoffs was about 100 men, many of whom were laid off from the steel mill.

The "B" blast furnace is the larger of the two, operated by Granite City Steel Co., which now is engaged in a four-year, \$10-million dollar expansion and modernization program that will increase production

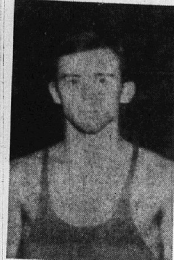

# 'Six' Magic Number For GC at State Mat Meet

**BILL FUCHS**  
95-Pound Champ

**LESTER ROBERTSON**  
120 Runner-up

**MIKE ANDRIA**  
133-Pound Champ

**JOE MARTINEZ**  
103 Runner-up

**JIM VALICOFF**  
145-Pound Champ

**MIKE REYNOLDS**  
112 Runner-up

## Fuchs, Andria, Valicoff Lead Warriors in Try For Repeat Mat Crown

Six is a magic number for Granite City wrestlers as they prepare to defend their state championship in Evanston Friday and Saturday in the Illinois state high school wrestling meet.

This year, the Bill "Red" Schmitt coached squad takes six sectional champions and runners-up to the state meet; and this year, the Warriors will attempt to defend six of their state meet records.

Last year's state runner-up Bill Fuchs, now sporting a 34-0 season record including 30 pins, will lead the Warrior assault in the 95-pound class. Fuchs is the district and sectional champion.

Mike Andria, 133-pounder, who claimed the district and sectional crowns, takes a 33-1 mark into the state meet, and 145-pounder Jim Valicoff sports a 30-2 record after capturing the district and sectional titles.

Sectional runners-up for Granite City squad are Joe Martinez (20-2) in the 103-pound class and Mike Reynolds (28-5) in the 112-pound class and Lester Robertson (22-7) in the 120-pound event.

In the 29 years the tournament has been held, this will be the 28th time the Warriors have participated. Previously they have scored in 27 tournaments, only in 1950 did Granite City fail to score in a state meet.

Also in the line of "sixes," the Warriors currently stand in sixth place of the top 20 schools scoring in the state meet since introduction of the present scoring system in 1956.

In front of the Warriors are Waukegan, Reavis of Oak Lawn, Prospect Heights, Thornton of Harvey and New Trier of Winnetka.

Most points scored by a non-tournament in the state final is the Granite City team at 41, in 1957.

The trip will be Schmitt's 19th to the state finals. He has gone as coach at Granite City 14 times previously and three times as coach of the state military academy.

Schmitt is second in number of trips to the state meet behind Belleville's Wally Rauth with 28 trips.

The Warriors also hold the record for the most number of sectional tournaments won at 21, including 13 consecutive wins. Peoria and Waukegan are tied with Granite City in the number of sectional tournaments won at eight.

**State Title Tie**  
Tied with Reavis of Oak Lawn for the state mat title last year, Granite City became only the third team to win the championship without winning an individual title. Proviso did the same in 1939 and Champaign in 1941.

Granite City's wrestling squad in years past have been the only area team in contention and able to break a monopoly of Chicago in the state high schools in the record books.

The last Warrior to win a state title was George Nemeth, who won two titles. In 1957, he made the state 95-pound class crown, and in 1958 he capped the 103-pound championship.

This year, Waukegan, always a state power in wrestling, and Thornton of Harvey are expected to give the Warriors a battle for the state title.

Granite City's hopes in the 1966 edition of the state finals depend on the strength of overall team power in their six sectional qualifiers.

Last year, the Warriors were leading Reavis of Oak Lawn 29-28 going into the finals, but Reavis caught Granite City by producing a champion in the 133-pound bout. The two teams tied at 31-31 to split the state crown.

Perennially a downstate powerhouse, the Warriors finished in the runner-up spot in the state finals in 1957. Last year was the first state championship for Granite City and for Schmitt.

**Team to Return Sunday**  
Schmitt whose teams have dominated Northwestern Conference and dominate wrestling circles for years, is referred to as the "state's foremost wrestling historians and record-keeper," by his fellow coaches.

And as one coach from an upstate school put it in an underdog state final, "He's not a bad coach, either."

The Granite City delegation is expected to return from the state meet on Sunday about 4 p.m.

## Area Coaches Star in Cage Ribaldry

A basketball game better than the Harlem Globetrotters? Yes, an all-star cage of area prep coaches personalities will be featured in a benefit game at the Collinsville high school gymnasium Tuesday, March 8, at 8 p.m.

The game will pit the Collinsville Jayhawks (Jaycee team) against the Collinsville high school faculty all-star team.

Leading the Jayhawks will be former Illinois star Bogey Redmon, 1965 All-American, who will be coached by Volle Bohmstedt and Louis "Pick" Dehner, varsity coach at East St. Louis.

On the faculty all-star team, Collinsville varsity coach Vergil Fletcher will be the captain and Edwardsville mentor Johnny Lucco will coach the squad.

To add to the festivities, officials for the game will be Madison County School Board Chairman Earl McLanahan and Belleville coach Jerry Turner.

Madison County Superintendent William Trimpe and Henry Fitch, president of the Illinois High School Association, will host the opening ball.

Tickets, at \$1 each, can be purchased from any member of the Collinsville Junior Chamber of Commerce. All proceeds will go to the John F. Kennedy Memorial Hospital fund in Collinsville.

Dehner, in accepting the invitation to coach the Jayhawks, said, "This is one time I'll have a chance to give Turner a taste of his own medicine. And this is one time that Fletcher will have to do everything Lucco tells him."

**On the Defensive**  
You can tell when a man is going down hill—he talks about rights instead of duties.

## PRESS-RECORD SPORTS

Page 6 Thurs., Feb. 24, 1966 Granite City PRESS-RECORD

## Marquette Tangles with Lovejoy in First Round of Venice District

The two-day three-team Venice district basketball tournament gets under way tonight with Lovejoy of Brooklyn meeting Marquette of Alton at 8 o'clock at the Venice high school gymnasium.

The winner of this game will meet top-seeded Venice in tomorrow night's contest, also slated for 8 o'clock at Venice.

Lovejoy will enter the tournament with an 8-5 season mark and Marquette will carry a 12-8 record into the contest.

The Lovejoy Wildcats will start the tallest player in the tourney in the person of Calvin Miller, a 6'3" center. Although not the leading scorer for the Wildcats, Miller has been invaluable in rebounding for Lovejoy during the season.

Mart Winston and James Brown currently lead the Wildcats in scoring with 15-plus averages per contest. Winston is a forward and Brown a guard.

Rounding out the Lovejoy lineup will be Leland Flagg at forward and Stanley Grey at guard. Offensively, the Wildcats are flexible; they like to adapt their scoring tactics, depending on their opponents' style of defense.

**Pressing Defense**  
According to Eddie Burns, Lovejoy coach, the Wildcats will fastbreak, given an equal chance, and will employ a 3-2

pressing defense during most of the game.

Marquette on the other hand plays a slower game, trying to work the ball in for the good outside and their lack of height forces this style of play on them.

"We like to run with the ball on offense a lot, and we'll fastbreak if there's a chance," said Marquette coach Ron Holtman. He added that he does not have a pivotman, but uses the three forward system, with the three tallest, boys taking turns in the post position.

"Our team is a bunch of hustlers, but we tend to foul more than any team should," Holtman added.

Way Springfield, a 6'0" forward, will place the Marquette cagers in the tournament. Currently he is averaging nearly 14 points per contest. Butch Jann and Brad Jacoby will start in the other forward spots for Marquette and Jerry Wesley and Dave Coles at the guards.

**Impressive Victories**  
Marquette has scored impressive victories over Althoff and action.

Chaminade of St. Louis while playing its non-conference schedule.

The Red Devils were the tournament's top-rated team with a 23-3 record, and recently have received scoring help from junior Jerome McGone and sophomore Johnny Gardner.

Coupled with Percy Dillon, their high-scoring rebound expert, and playmaker Rich Essington, the Venice squad seems to be the team likely to advance to the Wood River regional.

The winner of the Venice district tourney will meet Granite City's Warriors at Wood River Monday at 8:30 p.m. in a first round game. The winner of that contest will face the victor of the Collinsville-Kennett game Wednesday at 7 p.m. in semi-final action.

## State Mat Meet Time Schedule

The schedule of activities for the IHSAA state final wrestling meet will begin with first-round action at 1 p.m. Friday at McGraw Hall on the Northwestern University campus.

Quarter-finals will be held at 7:30 p.m. Friday. Semi-final action begins Saturday at 9:30 a.m., and consolation matches are slated for 3:30 p.m.

State final bouts will be held at 4 p.m. Saturday.

## Racing Porsches To Be Displayed

A pair of competition racing Porsches will be on display Sunday at the Porsche Club of America, St. Louis Region, holds a technical session at German Autos, 1420 State street.

The two racers, owned by Granite City's Jim Giese and Press-Record Sports Editor Mike Gremault, will be the center of discussion on preparing the small road-engined cars for national road racing competition.

All members of the Porsche club or owners of Porsches are welcome to attend the 1:30 p.m. session.

## Pontoon Baseball Meet

Parents of boys between nine and 13 years old may register them for the 1966 season during a meeting of the Pontoon Beach Little League Association at noon Saturday at the Long Lake fire hall.

## Injury-Riddled Trojans Travel to Belleville

A hobbling but potentially powerful Madison basketball team travels to Belleville Friday night for what could be the biggest game of the season for the Trojans.

The Trojans (16-7), tied for second place in the Midwestern Conference, face the Southwestern Conference champion Maroons (19-3).

Game time is 8 p.m.

### Long Injury List

The injury list on the Madison squad has grown with every contest since the Cahokia game. Neil Podoba, who had missed most of the earlier action due to a hairline fracture of the elbow, was sidelined from the Cahokia tilt with water on the knee. His

condition is doubtful for the Belleville game.

Steve Geroff suffered a badly sprained ankle in the Cahokia game and has been on crutches since. Coach Earl McLanahan is doubtful that Geroff will be in shape for the regional tournament next week.

Gary Lusk, another starter, also sprained an ankle in the Cahokia contest but is practicing with the team, although the injury still bothers him, McLanahan said.

Ball-handler Ron Burt suffered a gash on the forehead in second period action at Bethalto Friday night, and also is a doubtful starter. Alton Rendell, a six-foot-tilt with water on the knee. His

## Cahokia Downs GC On Last-Second Tip

The end of the regularly scheduled basketball season for Granite City came at a 70-69 losing note at Cahokia Tuesday night.

The Warriors closed out their season with a 14-11 overall season record, the best in two years.

Cahokia gained the win on a tip-in by reserve Dennis Thomlinson with one second remaining in the game.

Later Tapley scored a driving layup and officials called a fifth personal on Hentzel. Tapley made the free throw and the score was tied at 66-66 with 4:24 left.

Granite City slowed the game down and worked the ball around for a good shot before Ripka made the first charity shot on a one-and-one situation to make the score 67-66 Granite City.

Shott scored on a short jump to put Cahokia ahead 68-67.

**Press Bothers Cahokia**  
Cahokia took advantage of the Cahokia during the early moments of the third period as Jim Hentzel hit on two baskets, one a jump shot and the other a steal, and Bob Malotki cashed in on a steal to give the Warriors a 39-31 lead.

Dave Goble of Cahokia scored two quick baskets on fast-breaks. Woyham hit on four free throws and Ripka and Hentzel scored goals to make the score 45-42. Granite City leading.

Ripka and Hentzel, with the help of Malotki and Woyham, stretched the lead to 51-44 with 2:38 left in the period.

During a period of 29 seconds, officials called three personal fouls to have to have a decided later effect on the game. With 1:37 remaining in the third period, official Jim Sims called the fourth personal foul on Terry Moore. Jim Hentzel was caught committing a foul by Sims with 1:18 left. It was Hentzel's fourth foul. And with 1:12 left in the quarter, Sims called the fifth foul on Moore.

**Comanches Tie Score**  
Cahokia took advantage of the calls to tie the score at 51-51, but Hentzel and Ripka put Granite City ahead 54-54 at the end of the third quarter.

Ripka started off the last quarter with a free throw and jump shot to retain his scoring title. This

shot to give the Warriors a 58-54 margin. Ken Hillyard and Mark Callett cash hit on a shot and Alan Tapley on a free throw to put the Comanches ahead 59-58 with 5:01 remaining.

Later Tapley scored a driving layup and officials called a fifth personal on Hentzel. Tapley made the free throw and the score was tied at 66-66 with 4:24 left.

Granite City slowed the game down and worked the ball around for a good shot before Ripka made the first charity shot on a one-and-one situation to make the score 67-66 Granite City.

Shott scored on a short jump to put Cahokia ahead 68-67.

**Turner Claims Area Scoring Crown With Blazing 24.6 Mark**

Three conference races are decided, and Dale Turner has the area scoring title in his group as area prep basketball teams enter district and regional play this week and next week.

Belleville is the Southwestern Conference champion, Cahokia is the Midwestern Conference winner and Bunker Hill of the MCM Conference titleholder.

Although the Maroons captured the Cahokia twice in SW action, Collinsville holds the edge in comparison. Collinsville has 21-2. Belleville is 18-3 on the season and each team has one contest remaining.

Bunker Hill, 21-3, won its first conference championship after downing the Venice Red Devils (23-2) twice during the regular season. Venice finished second in the league title race.

Cahokia's Comanches, victors in the Midwestern Conference, beat runner-up Madison twice. The Trojans hold a slightly more impressive season record at 17-6. Cahokia finished the season with an 18-7 mark.

The only key encounter left on the schedules is the Madison at Belleville game this Friday night.

Turner's jumping-jack, Percy Dillon, has vaulted into fifth spot among the area's top 10 scorers. Standing only 6'1", Dillon has proved invaluable to the Venice squad with his 18.4 scoring average and a rebounding average of almost 15 a game. He has

scored 485 points in his completed 25 game season.

Mark Cattell, end on the Press-Record's All-Midwestern Conference football team last fall, has shown his versatility by claiming the number six position in the basketball scoring race with an 18.8 mark. The 6'2" senior has scored 465 points in 25 games for Earl Lee's Comanches.

Dupe's Dennis Cook scored 27 points in his final game against Waterloo to claim seventh place with an average of 18.5 in 23 games. He totaled 426 points for the season.

**Ripka Ninth**  
A pair of Quad-City basketballers hold down the No. 8 and 9 spots in the scoring scramble. Ripka, a senior at Peoria, is scoring 17.2 points a game. Venet's Rich Essington, a junior, holds a slight edge over Granite City's Larry Ripka.

In 25 games for the Red Devils, Essington, scoring 450 points, sports an 18 points-per-contest average. Ripka, a senior captaining for the Warriors, scored 444 points in 25 games for a 17.7 average.

Madison's rebounding artist, Paul Lusk, is tenth with a 17.5 average for 12 games, scoring 211 points. Jim Bailey of Wood River, playing in 20 ballgames for the Oilers, has netted an average of 16.9 with 338 points.

The only other area player to

## Maxvill Looks for Starting Job in '66

By Mike Gremud  
Press-Record Sports Editor

Dal Maxvill intends to upstage the Cardinal and after the apparent nature of his play for the St. Louis Cardinals in 1966.

His goal: A starting assignment. His method: Work, lots of it.

Preparing to leave for six weeks of spring training in St. Petersburg, Fla., on Monday, Dal would like to upset the natural progression of events.

It's generally conceded that husbands fight with their wives. The Big Ten wins the Rose Bowl and Jerry Bucher will be the shortstop and Julian Javier, second-sacker for the Cardinals this year.

But the 160-pound Granite City man has other ideas. Leading his gun with ammunition like the quickest pair of hands in the league, better-than-average speed on the bases, and a .988 fielding average in 3 games last year, Maxvill intends to wrestle a job away from Bucher or Javier.

**Doubles at Second Base**  
A shortstop by trade, Dal can also fill-in at second base, as shown in his 1964 performances in the pennant drive and vicious World Series for the Cardinals.

But the right-handed baseballer has no preference as to which position he'd like to play. As he relates it, he'll play either position just to get a starting job.

Shortstop is what he knows best, but anywhere in the infield he seems to be a defensive expert.

Interestingly, his best years at the plate were some of his less effective years in the field, but even in those seasons his record was respectable.

When the Cardinals brought him up from the Tulsa farm club in 1962, he hit .222 and fielded .962 in the majors. At Tulsa that year, he had batted .348 and fielded .960.

His 1963 Cardinal records (53 games) were .235 and .971. In 1964, he had marks of .231 and .978 with St. Louis, .140 and .977 with Jacksonville and .285 and .978 with Indianapolis.

During the 1965 season, used sparingly in 68 games, Dal hit a career batting low of .135 but recorded a career high of .388 in 1966.

## Aviston 106-47 Victim Of Hot Venice Quintet

Aviston tried a repeat of tactics used in its 93-25 loss to Venice earlier this season, and found itself on the snafu end of the 106-47 score at Aviston Monday night.

For Venice it was the last game on the regular season schedule, giving the Red Devils a 23-2 mark, the best record in many years.

The Venice quintet also finished in second place in the MCM Conference race, one game behind league-leading Bunker Hill. The Red Devils scored a 122 record while the Minutemen were 12-1. Both Venice losses were to Bunker Hill.

Aviston tried to stir the tempo of the game and limit the number of shots taken by the Red Devils, but the method failed and coach Bill Ohendorf and Co. jumped out to a 27-9 first-period lead.

**61-15 at Halftime**  
Venice came back with the rebounding of Percy Dillon, playmaking of Rich Essington and the shooting of Jerome Mc-

Glorie to notch a 61-15 victory at halftime.

Aviston changed its style of play and used a pressing defense during the second quarter but abandoned it when the press failed.

Venice's defense sagged a bit and Aviston scored 11 points during the third period, but the Red Devils escaped with a 61-15 victory.

Ohendorf cleared the bench in the last period, and the reserves were outplayed by Aviston 21-20. The Red Devils committed 23 personal fouls, six more than their average, and Aviston committed a mere eight.

In previous meetings between the two teams this year, Venice won in the conference tournament 78-14 and 82-45 at Venice in a conference match.

**VENICE 106, AVISTON 47**  
Individual scoring:  
Venice: Percy Dillon 20, McGone 24, Gorder 15, Essington 14, Hill 10, Paine 6, Schaefer 4, Chev 10.  
Aviston: Shriver 19, Enning 14, Poppo 5, Smothers 4, Moe 4, Hues 3.  
Score by quarters: FG FT PP TP  
Venice 27 24 25 20—61  
Aviston 9 6 11—21

**Two Cage Teams Seek Opponents**  
One area high school basketball team and one from Quincy are looking for opponents on their 1966-67 schedules.

East St. Louis needs one more team to fill a four-team Christmas tournament slated for Dec. 18-20 this year. Assumption, Lincoln and the Flyers, all from East St. Louis, are in the tournament so far.

Christian Brothers College, a Catholic prep school in Quincy, is looking for varsity basketball opponents on a two-year contract, beginning with a game in Quincy this coming year.

Interested parties can contact the athletic director at either school.

**GC DeMolay Team Loses in Tourney**  
The Granite City DeMolay basketball team suffered a 20-10 defeat at the hands of the Highland DeMolay team in first-round action of a district cage tournament at Collinsville Monday night.

Terry Waffer was high point man with 18 points for the Granite City squad in the first game of the double-elimination tournament.

The Granite City DeMolay team will meet the Columbia DeMolay team Feb. 28 at 9 p.m. in competition in the consolation title bracket.

## PRESS-RECORD SPORTS

### Turner Claims

Attain an average of 16 points a game from American Motors has turned their thoughts from the elimination races to advancing in the statewide tourney.

Eliminations are now under way at the district level, and all area prep cage teams have turned their thoughts from the elimination races to advancing in the statewide tourney.

Second place tie.

**INJURY-RIDDLED**  
McClanahan will have to choose between Steve Novicki, Tommy Williams and Joe Collins to fill the shoes of the injured starters who cannot play.

Meanwhile, at Belleville, all of the Maroons seem to be healthy. Coach Jerry Turner will count on the high-scoring performances of center Bill Snellings and forward Joe Wiley to pace the Maroon attack.

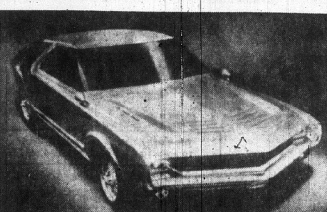

**Past Clashes**  
In years past, the Trojans and the Maroons have had some outstanding games. The year Belleville beat Madison in the sectional (1961-62) the final score was 71-68. The Madison quintet had downed the Maroons at Belleville 70-57 earlier in the year and also won at Madison.

With the Trojans on the short end in the head department, they still have potent scoring power in Dale Turner, currently the area's scoring leader. Paul Lusk is expected to support Turner in scoring and lead the Trojans in rebounds.

From all outward appearances, the game shapes up as a real cliff-hanger, with the best of the larger Southwestern Conference hosting one of the better teams in the smaller Midwestern Conference.

**YMCA Soccer Schedule**  
SATURDAY  
Bantam Division  
At Collidge Field  
Rozeyk vs. St. Elizabeth, 12:30 p.m.  
Local 65 vs. Gasparovic's, 1:15 p.m.  
Mexican Honorary vs. Mitchell A.C., 2:15 p.m.

**The Battle**  
Because their backs against it, many people never see the handwringing on the wall.

**AMX SPORTS CAR.** This experimental sports car from American Motors has been designed to travel safely at extremely high speeds. Although not in production, the car was featured at the Detroit Auto Show where it received acclaim. Brewer Motors, 2163 Madison avenue, has been informed.

## Park Board to Attend Chicago Ice Institute

Attendance by Granite City park commissioners and Supervisor Harold Brown at a three-day Ice Skating Institute in Chicago was approved at a monthly park board meeting at Wilson Park last night.

The group will attend the institute March 17, 18 and 19 and receive instructions in ice rink management. The board approved the trip in view of the new ice rink and recreation center to be constructed in Wilson Park for use this December.

In other action, the board announced plans for a Fourth of July festival in Wilson Park. Due to construction of the ice rink, there will be no rides this time.

The annual "winter carnival" will be held at the Granite City high school gymnasium March 5, the board announced.

## Prep Basketball Schedule

TODAY  
Lovejoy vs. Marquette, at Venice District Tournament, 8 p.m.

FRIDAY  
Venice vs. winner of Thursday's game in Venice District, 8 p.m.  
Madison at Belleville  
Kokam at Edwardsville  
Griffin at Alton  
Quincy at Collinsville  
East St. Louis at Wood River  
Edwardsville at Bethel  
Taylorville at East St. Louis

SATURDAY  
Freeman at Centralia  
Taylorville at East St. Louis

**Freeman Needs 18 Points for Season Record**  
By virtue of scoring 23 points against Michigan State Tuesday night, Don Freeman is only 18 points away from setting a new single season scoring mark at the University of Illinois.

The former Madison all-state cager has netted 539 points, has netted 1330 points. He has two more games to break Dave Downey's record of 1360.

Freeman is 31 points away from establishing a new career scoring record with the Illini. During his three years, Freeman has netted 1330 points. He has two more games to break Dave Downey's record of 1360.

Freeman will be honored at his last Big Ten basketball game on March 5 when the Illini meet Iowa on "Don Freeman Day" at Champaign.

**Beginner Swim Class Still Open for Women**  
The Women's Department of the YMCA is taking registrations for a beginning swimming class starting Tuesday, March 1, and running through May 17, it was announced today.

Instructor will be Mrs. JoAnna Watson, and the class will be held from 7 to 8 p.m. each Tuesday.

Also available are gym classes, recreational swims and use of the "film gym" room and steam cabinet. Cost of the room and cabinet is \$15.00 for three months.

More information can be obtained by calling the Women's Department at the YMCA.

**New Bowler Observes A Birthday—His 90th**  
Bowling in the Senior Citizens league at Tri-Mor Lanes Wednesday afternoon, Levi Rainwater (90 years old today), rolled a 322 series. He put together games of 104, 98 and 120.

The 101 average bowler is still learning and improving, as this is the first season he has ever bowled.

Southern Illinois University's mascot is the Saluki, world's oldest pure breed of dog dating to 3800 B.C. in Egypt.

**GO TO CHURCH SUNDAY—**  
Bellevue Open Thursday Night 'til 9

## Cahokia Downs

with 28 seconds left, and Hilliard fouled Malotki with just seconds remaining in the game.

**Tip-In For Win**  
Malotki sank both free throws and the Warriors led, 69-68. The Comanches threw the ball to Catlett, and he passed to Hilliard under the basket. The 67-center's shot was no good, but Reserve Denny Thompson tipped-in the rebound with one second remaining for the victory.

Ripka and Hilliard tied for scoring honors with 22 points each. Catlett added 17 for Cahokia, and Wortham netted 15 for the Warriors. Hentzel and Malotki each scored 10 points.

Monday, the Warriors enter the Wood River regional in statewide tournament competition. Cahokia will play in the Althoff regional on Monday.

**CANDIDA 70, GRANITE CITY 69**  
Individual scoring:  
Cahokia—Hillyard 22, Catlett 17, Tappet 13, Tomlinson 8, Treman 4, Goble 4, Siles 2.  
Granite City—Ripka 22, Wortham 15, Mentel 10, Malotki 10, Moore 9, O'Neill 3.  
Score by quarters: FG FT PP TP  
Cahokia 18 14 22 16—70  
Gr. City 13 18 24 14—69

## 26 Depot Secretaries Will Take Course

Twenty-six secretaries and receptionists employed at the Granite City Army Depot will attend a four-hour training course tomorrow in the Martin building, St. Louis, sponsored by the Federal Executive Board of Greater St. Louis. The first area-wide program of its type to be held here, the class is designed to improve efficiency and courtesy in office personnel.

The local contingent will be among 268 federal employees from 43 area agencies who have been nominated for the class. Due to an excellent response to the project, a second workshop may be scheduled, it is reported by F. Lincoln Lake, chairman of the Federal Personnel Council's Employee Development Committee.

A. M. Sonntag, regional director of the U. S. Civil Service Commission, will welcome the group, followed by instruction seminars presented by Herbert E. Metz, Washington University professor of speech, whose subject will deal with improving communications and contacts with the public; Miss Ruby Blaine, customer service advisor at Southwestern Bell Telephone Co., discussing telephone courtesy; and Eugene L. Halle, Army Mobility Equipment Center, who will acquaint students with various federal agencies located here.

## Travelers Abroad to Hear Talk by Roulands

The February meeting of Travelers Abroad at 7:30 p.m. next Monday in the Prather Junior high school library will feature a report by Mr. and Mrs. Ernest Roulands.

The meeting will mark the start of the 1966 fiscal year for the year-old, 60-member association of Quad-Cityans who have traveled overseas or in South America.

## Winning Exhibits Chosen In Annual Science Fair

Dennis Meyer, with a life-like and skeletal version of a bird, won the biological division of the Granite City Science Fair, and Linda Khronne and Lynn Jacobsmeyer won first places in the physical division of the high school level as judging took place Wednesday morning at the recreation-education building of Niedringhaus Memorial Methodist Church.

Richard Madrid of Mitchell school had the winning grade school exhibit. In the junior high biological division, June Kinkel, Janet Stuart and John Tolbert placed second, third and fourth in that order. In the physical division, exhibits by Arthur Menendez and John Morris—Jerry Monahan placed second, and Jim Thompson and Mark Bollinger had third-place entries. All of the junior high division winners were from Central school.

## Local Man Participates In Exercise High Time

Fireman Jerry N. Cholewick, USN, son of Mr. and Mrs. Charles L. Cholewick, 1700 Market street, Madison, recently participated in "Exercise High Time," a three-phase training operation in the Atlantic and Caribbean. The local youth is serving aboard the USS Elkhorn.

The tactical exercise was designed to test combat efficiency and improve the anti-submarine, anti-air, mine and amphibious warfare techniques of some 50 units of the U. S. Second Fleet, the Atlantic Fleet Amphibious Force and the Atlantic Fleet Marine Force.

## \$179,789 Roadway Bid For SIU-SW Circle Dr.

Apparent low bidder for completion of Circle Drive on the inner loop road at the Southern Illinois University Southwestern Campus is the Bituminous Fuel & Oil Co., East St. Louis.

The SIU-SW Campus architect's office said the bid was \$179,789 and that awarding of the contract will not be made until it has been reviewed by the board of trustees, meeting today on the new campus. Bids on the contract were opened last week.

ONE COUPON PER ITEM

## Assessor Expense Fee Needs One Vote for Approval

The \$200 expense allowance for Granite City Township Tax Assessor James Barton was under fire again Monday night and failed to gain sufficient support for approval by one vote.

Since two aldermen were absent, it is anticipated the allowance will gain approval next week.

Absent Monday were Aldermen Noma and Dufek, who were working. Noma had previously stated he favors the \$200 allowance.

### Breakdown of Expenses

The allowance was first submitted to the council at the Feb. 7 meeting and at that time was deferred as several aldermen questioned the itemization submitted by Barton who included \$20 for auto insurance, \$100 for auto depreciation and \$8 for telephone calls made from his home, along with \$5 for gasoline, oil and auto maintenance and \$25 for lunches and dinners.

After debate, the vote by the 14 aldermen present was 8-6 in favor of the payment. Added to it were a "no" vote by Mayor, Partney and a "yes" vote by Clerk Homer Pennington.

Expenditures are budgeted against an anticipated income of \$23,236.656 for the Bi-State Transit System was approved Wednesday by the Bi-State Development agency board of directors in a regular meeting at St. Louis.

Budgeted expenditures for the period March 1 through Feb. 28, 1967, include \$19,991,000 for general operational costs and \$3,245,656 to meet bond payments and interest.

Expenditures are budgeted against an anticipated income of \$23,236.656 for the Bi-State Transit System was approved Wednesday by the Bi-State Development agency board of directors in a regular meeting at St. Louis.

The new budget also breaks down operational costs into \$11,620,000 for operations, \$3,327,000 for maintenance, \$2,810,000 for insurance, pensions and employee welfare, \$1,127,000 for general and administrative, \$322,000 for taxes, and \$145,000 to more reasonable and that the council should not use expense allowances to give pay increases.

Parmenter ended the debate by remarking that the legal opinion from the town attorney should be sufficient for the council to give its approval of the \$200.

**Procedure Outlined**  
In other township business, the council was informed that it has been following a proper procedure in conduct of the sessions as town board of auditors. A letter from Atty. Schooley pointed out that with the mayor and clerk as members of the board, the mayor could continue to preside as in the past.

Current bills approved were \$10,258 for township relief and \$1842 for town purposes.

The town fund bills included purchase of a desk and pad and a roller shelf for the assessor's office, amounting to \$205; 2000 business cards for Assessor Barton and Deputy Assessor Waldo Schellenger, \$16; \$8 for a new sign on the assessor's office door; \$40 for postage; \$97 for telephone service. The following half-month salaries were—\$187 for Supervisor Hagauer; \$220 for Barton; \$150 for clerk, Mrs. Shirley Voegele; \$220 for Mrs. Margaret Humberger, chief clerk; \$20 for Sandra Ragen for janitorial service; \$100 monthly pay for Atty. Schooley; \$29 per diem for Clerk Homer Pennington, and deputy assessor pay of \$120 for Mrs. Carrie Hensen and \$132 for Schellenger.

Relief costs included \$2432 for food; \$6730 medical and hospital expenses, \$87 for fuel, \$80 for rent, \$17 for shoes, \$24 for stationery and supplies, \$74 for telephone service at the relief office and \$682 half-month salary total for office workers.

**WANT ADS DO THE JOB!**  
Sternberg called for affidavits on the amount of insurance carried by the assessor and also a breakdown of his home telephone calls and lunch and dinner itemized this time. If we approve this, all we'll get next time is a bill for \$200," he commented, "This is not a proper itemization."

The debate continued as Alderman Moerlein pointed out the council does not give amounts for auto depreciation to other individuals using their personal cars for official business. "If \$100 a month is set aside, he'll get \$4800 for this during his term of office. This is not fair to the people we represent."

Basarich challenged the criticism on the depreciation. "If you buy a new car and drive it a week and try to sell it, you'll find out how much depreciation there is on a car."

**WINTER DAMAGE REPAIRS** being carried out by the department while there is a break in the weather. Shoulder repairs along Johnson road are shown above. Street Supt. Warfield has full crews also doing patch work. This winter's storm damage has been the most severe in recent years, he said.

## Bi-State Transit New Budget—\$23,236,656

A new 1966-67 operating budget of \$23,236,656 for the Bi-State Transit System was approved Wednesday by the Bi-State Development agency board of directors in a regular meeting at St. Louis.

Budgeted expenditures for the period March 1 through Feb. 28, 1967, include \$19,991,000 for general operational costs and \$3,245,656 to meet bond payments and interest.

Expenditures are budgeted against an anticipated income of \$23,236.656 for the Bi-State Transit System was approved Wednesday by the Bi-State Development agency board of directors in a regular meeting at St. Louis.

The new budget also breaks down operational costs into \$11,620,000 for operations, \$3,327,000 for maintenance, \$2,810,000 for insurance, pensions and employee welfare, \$1,127,000 for general and administrative, \$322,000 for taxes, and \$145,000 to more reasonable and that the council should not use expense allowances to give pay increases.

Parmenter ended the debate by remarking that the legal opinion from the town attorney should be sufficient for the council to give its approval of the \$200.

**Procedure Outlined**  
In other township business, the council was informed that it has been following a proper procedure in conduct of the sessions as town board of auditors. A letter from Atty. Schooley pointed out that with the mayor and clerk as members of the board, the mayor could continue to preside as in the past.

Current bills approved were \$10,258 for township relief and \$1842 for town purposes.

The town fund bills included purchase of a desk and pad and a roller shelf for the assessor's office, amounting to \$205; 2000 business cards for Assessor Barton and Deputy Assessor Waldo Schellenger, \$16; \$8 for a new sign on the assessor's office door; \$40 for postage; \$97 for telephone service. The following half-month salaries were—\$187 for Supervisor Hagauer; \$220 for Barton; \$150 for clerk, Mrs. Shirley Voegele; \$220 for Mrs. Margaret Humberger, chief clerk; \$20 for Sandra Ragen for janitorial service; \$100 monthly pay for Atty. Schooley; \$29 per diem for Clerk Homer Pennington, and deputy assessor pay of \$120 for Mrs. Carrie Hensen and \$132 for Schellenger.

Relief costs included \$2432 for food; \$6730 medical and hospital expenses, \$87 for fuel, \$80 for rent, \$17 for shoes, \$24 for stationery and supplies, \$74 for telephone service at the relief office and \$682 half-month salary total for office workers.

**WANT ADS DO THE JOB!**  
Sternberg called for affidavits on the amount of insurance carried by the assessor and also a breakdown of his home telephone calls and lunch and dinner itemized this time. If we approve this, all we'll get next time is a bill for \$200," he commented, "This is not a proper itemization."

The debate continued as Alderman Moerlein pointed out the council does not give amounts for auto depreciation to other individuals using their personal cars for official business. "If \$100 a month is set aside, he'll get \$4800 for this during his term of office. This is not fair to the people we represent."

Basarich challenged the criticism on the depreciation. "If you buy a new car and drive it a week and try to sell it, you'll find out how much depreciation there is on a car."

Consolidated Service Car Co., which was purchased recently by the Bi-State Transit System.

**Would Show Balance**  
If anticipated income meets the budgeted figure, the operating budget would show a \$263,344 which would be applied to the deficiency in the depreciation reserve fund.

Also approved by the Bi-State board was a capital budget for the transit system for the 1966-67 fiscal year providing for \$1,317,800 in expenditures out of the depreciation reserve and capital improvement funds. The budget estimates available funds of \$3,288,000.

Expenditures include \$749,800 for improvement items previously approved but not yet completed and \$588,000 for newly scheduled improvement items. The \$749,800 includes payment of \$500,000 for principal and interest on a trust note, \$45,000 for improvements at the Belleville bus station, and a \$82,200 item for payment to St. Louis for paving over street car tracks under a 1964 contract.

The \$588,000 scheduled for new items includes \$550,000 for down payment on 50 new buses and \$118,000 for principal and interest on an equipment trust note.

The Bi-State board also approved a resolution under which the Bi-State Development Agency will be authorized to obtain a federal grant of \$54,000 from the FAA and a state grant of \$10,000 from the Illinois Department of Aeronautics for improvement of runways and lighting at Bi-State Parks Airport.

**Approve Fund Transfer**  
A transfer of \$326,000 to the working capital fund for repayment of monies used also was approved by the board, as was a renewal of the agency's contract with the W. C. Gilman & Co. engineering firm. The firm offered to renew its contract for another year at its previous rate.

Col. R. E. Smyser Jr., executive director of the agency, reported that an extension of time for completion of the Gateway Arch probably will be granted and that the arch is not likely to be completed until October.

Work also is delayed on the Bi-State train which will operate within the arch, although there is a possibility that operation in one leg of the arch might start this summer.

A nominating committee to present state of new officers at the March meeting, was appointed by the board. Chairman of the board, the officers of chairman, vice-chairman, secretary and treasurer will be open to election in the March meeting for terms starting with the first regular meeting in April.

## TROOP SKATING PARTY

Brownie Troop 414, sponsored by Marshall PTA, met Tuesday afternoon at the home of the leader, Mrs. Lorraine Dix, 2702 Buxton avenue, opening with the pledge of allegiance, Brownie promise, roll call and collection of Brownie gold.

The girls attended a skating party at the Granite City skating rink. Cars were provided by the leader, Mrs. Joyce Warren, and Mrs. Roberta Werner. Next week, the girls will tour the Press-Record.

Skating were Terri Dix, JoAnn Warren, Faith Crawford, Karen Hoover, Cheryl Walton, Cindy Cagle, Kelli Nunn, Beverly Werner, Debra Husted, Peggy Landreth, Rose Marie Wiser, Patricia Pickard, Carol Cantel, Mary Kay Smith, Christi Clark, Patricia Coleman — and Cathy Elmore.

## SCOUTS TOUR YMCA

Junior Girl Scouts of Troop 1007, sponsored by Frohardt school, met Monday afternoon at the school. They were taken to the YMCA, where Dave Walker took them on a tour. The pool and various youth rooms were viewed.

Mrs. Roth and Mrs. Johnson assisted the leaders, Mrs. R. C. Russell and Mrs. Bob Voss, in providing cars for the girls.

Scouts present were Millicie Fleener, Debbie Isom, Sherry Gilliland, Darla Smallie, Maureen McRae, Sandy Voss, Rosemary Harlan, Donna Cain, Darla McGarvey, Reida Diller, Dawn Turner, Cathy Miller, Dawn Voss, Cindy Johnson, Cindy Hanks, Donna Milton, Connie Edwards and Christine Roth.

## DISCUSS WASHINGTON

A new Brownie Troop sponsored by St. Elizabeth Alter Society met in the school music room Tuesday afternoon with Carol Hamling as flag bearer. Roll call was taken by Rose Marie Braun and dues were collected by the leader, Mrs. Colleen Hamling.

The girls discussed George Washington, and colored a file of him. They also talked of "Thinking Day" at the Madison recreation center from 1:30 to 3 p.m. Sunday.

After a game, the meeting ended with the vanishing tunnel. Also present were Cheryl Harding, Ann Fabisher, Diane Mar, Barbara Miller, Dawn Portell, Jayne Harding, Meri Beth Henry, Kathleen Kriehoff and Jennifer Powderly.

## BRIDGE CLUB SESSIONS

A weekly session of the Granite City Duplicate Bridge club was held Sunday evening at the Elks lodge, the winners being: Muriel Drassel and Mrs. Betty Caldwell, first; Mr. and Mrs. Paul Densford, second; and Olyve Kalert and Mrs. Joyce Barnes, third.

On Monday morning, the Nameoki Duplicate Bridge club met in the home of the director, Mrs. Helen Meyer, 2832 Yale drive, and the winners were Mrs. Grace Enos and Mrs. Helen Meyer, first; Mrs. Betty Osterle and Marie Huff of Edwardsville, second; and Mrs. Bernice Gresh and Mrs. Donna Schaefer, third.

Both clubs will meet again next week at the same times and places. On Sunday at 1:30 p.m., district winners will meet at the Elks for a monthly session.

## STUDY FOLK DANCES

Junior Girl Scout Troop 451, sponsored by the St. Elizabeth Altar Society, met Tuesday in the quilting room for a weekly meeting.

The girls talked of a camping trip they will make Friday to Camp Lakota near Glen Carbon. Each girl prepared a list of articles she will need for the trip. Parents are to furnish transportation.

At present, the girls are working on their "dancer badge." They reviewed a folk dance titled "Cindy Balance." Five folk dances are to be learned before they will receive this badge.

They also started learning — dance from Denmark, "Shoemakers Dance." Mrs. Shirley Schilling assisted the leader, Mrs. Nancy Marcum, in teaching the dances.

Present were Kathleen Appony, Linda Baumann, Susan Bauza, Marie Beljanski, Denise Brayton, Sharon Busch, Kathy Coyne, Rita Lynn Ely, Carol Ely, Kathleen Friedrich, Ellen Gauen, Elaine Gavlick, Linda Hamling, Laura Knackstedt, Paula Kriesch, Deborah Latta, Janet Lambeth, Ruth Anne Lucy, Nanette Marcum, Judith Morris, Anna Schilling, Sandy Weisenborn, Mary Wilknot and Mary Anne and Mary Diane Kozial.

**PLAN MARCH CUB EVENTS**  
A committee planning meeting for Cub Pack 24, sponsored by Frohardt school PTA, was held in the home of Cubmaster J. R. Shanks, 23 Devon Hill lane, Tuesday evening.

Committee Chairman Charles Brocker reported the success of the recent blue and gold banquet. Plans were made for March. A candlelight service will be

3213 Wilshire drive, for the March 21 meeting.

## MID-WINTER CONFERENCE

Members of the Christian Women's Fellowship of Central Christian Church attended a mid-winter conference held at Webster Groves Christian Church in St. Louis Tuesday morning.

The meeting included a luncheon with the Christian Women's Fellowship of Greater St. Louis.

Speakers were Austin Smith, missionary to South Africa, who talked of his work there, and Dr. Joseph Smith, secretary of the Far Eastern Division of the United Christian Missionary Society, who gave a talk, "News From Asia." A question and answer period followed his talk.

Those attending from Central Christian Church were Mesdames Jane Latham, Orpha Shelton, Enid Shelton, Margaret Schoenhardt, Joan Gordon, David Parrish, Roy Hulise and Ardren Fletcher.

Mrs. Blanche Lane, Mrs. Florence Gilbert and Miss Pearl Gilbert attended a luncheon meeting Monday with business and social topics. The women of the CWF of Greater St. Louis at the Union Avenue Christian Church in St. Louis. Dr. Smith also was the main speaker there.

## WORLD OUTREACH SCHOOL

The third and final session of a school of World Outreach was held Sunday at the Central Christian Church, starting with a dinner served by the CWF ladies of the church to 135 people.

Mrs. James Craddock gave the lesson, "Our Call to Bear Fruit." A dramatic sketch was performed by members of Central Christian Church and other churches, featuring Mesdames Jim Turney, Arthur Rogers and Jim Turney. The committee will be receiving suggestions from the congregation until April 1 and those who would like to recommend persons for office may contact any member of the committee.

Newly-elected officers of the youth choir are Diane Parrish, president, and Alma Casey, secretary.

A District Seven youth meeting will be held Feb. 27 at 7:30 p.m. at Maplewood Church. That same day, a Churchmanship Rally will be held from 3 to 8 p.m. at Memorial Boulevard Church. Both churches are in St. Louis. Guest speakers will be H. Austin Smith from South Africa and Dr. Joseph Smith of the United Christian Missionary Society.

James Craddock will talk to those interested in a discipline class for adults beginning Feb. 27 during the church hour. A class for children and youth will begin Feb. 26 at 10 a.m.

The CWF will hold an executive meeting tonight at the church.

## PAST QUEENS MEET

With Mrs. KLAUS The Past Queens club of Job's Daughters held a regular meeting Monday evening in the home of Mrs. Betty Klaus in Edwardsville. A brief business meeting was conducted by Mrs. Sally Herbst, president.

Games were enjoyed by the group and winners were awarded prizes by the hostess. They were Mrs. Norma Robertson, first; Mrs. Rosalie Segey, second; Mrs. Carmen Bridick, third; and Mrs. Herbert, flower prize.

Mrs. Klaus served a delicious luncheon to the prize winners and Mrs. Sarah Hogan and Mrs. Mary Huf of Edwardsville, second; and Mrs. Bernice Gresh and Mrs. Donna Schaefer, third.

Both clubs will meet again next week at the same times and places. On Sunday at 1:30 p.m., district winners will meet at the Elks for a monthly session.

Ely, clubmaster, presented certificates of thanks to den members, Mrs. Betty Lake, Mrs. Betty Barth, Mrs. Louis Brusti, Mrs. Barbara and Mrs. Monica Fry, and assistant den mothers, Mrs. Josephine Uram and Mrs. Ann Moshegan.

Entertainment for the evening was provided by a magician from St. Louis who performed tricks with various clubs' assistance.

Approximately 220 — parents, clubs and friends attended. The boys will now be working toward their pinewood derby. The next pack meeting will be March 13.

Girl Scout Troop 158, sponsored by Maryville school, met Monday afternoon at the school, opening with the pledge of allegiance and Girl Scout promise.

A Valentine party held last week was discussed and Mrs. LaVerne Malynski helped the girls set up next month's calendar. Assistant patrol leaders will be elected next week.

The meeting ended with songs. Present were: Priscilla Butler,

## Bomb Disposal Team Reports False Alarm

Explosive disposal experts from the 50th Ordnance Detachment at the Granite City Army depot were dispatched to East St. Louis Wednesday afternoon on a false alarm.

The scene came when a woman in the 1200 block of State street noticed a shoe box containing a bottle of milky substance with a coil of wire attached to a clock mechanism. It proved to be no more than that, but traffic was halted and the bomb evacuated for 45 minutes. The bomb disposal squad was delayed at a railroad crossing.

Lockmaster Elliott explained how the locks work, using a scale model for his demonstration. The girls also saw 12 badges and a towboat go through the locks during their visit.

Mrs. Carol Wellman, leader, was assisted by Mrs. Sandy Meyer, Mrs. Vey Bagl, Mrs. Betty Wittig and Mrs. Lenora Orescovich, co-leader.

Brownies present were Karen and Valerie Orescovich, Patricia Ann Rill, Patricia Brakaw, Debora Meyer, Pamela and Martha Wellman, Tamara Duft, Denise Spohr, Cheryl Bagl, Gayle Gage, Leslie Wittig, Diane Paraghalan, Nancy Kinder, Lori Gendron, Karen Joyce Waulen, Patty Engelmann, Wendy Schneider and Joni Jean Hanvey.

Enters Wohl Hospital  
Mrs. Bonnie Sullivan, office manager of the Tri-Cities Chamber of Commerce, entered Wohl Hospital, St. Louis, Monday to undergo tests.

## SCOUTS PLAN CAMPOUT

Boy Scout Troop 23 met Tuesday night at the Long Lake fire hall with Floyd Ashoff, Mel Wheeler, Jack Harper, Earl Arnold and Bennie Pickler. The boys worked on advancement and made plans for a campout in March.

Junior Bennett talked about the Little League baseball team. Boys present were Glenn Ashoff, Bill Hicks, Steve Meador, Peter Fourcalt, Danney Fourcalt, Vaughn Wainright, Rudy Reer, John Harper, Danny Daiger, Jimmy Hicks, Roger Daiger, Danny Kreher, Mark Reer, Willie Arnold, Freddy Biggs, Danny Tyler, Jim Cox and Billy Barron.

Junior Girl Scout Troop 453 met Tuesday evening at Stallings school with Mrs. Judith Ren and Mrs. Nadine Taylor. The meeting opened with singing of "America." The girls worked on their printing badges and the 007 patrol members told why they like scouting.

The Pontoon Beach Little League Association will hold a meeting Saturday at noon at the Long Lake fire hall for parents. The girls worked on their printing badges and the 007 patrol members told why they like scouting.

## Contracts for Highway Projects in County Let

Contracts for two highway-related projects in Madison county were awarded Wednesday by the Illinois division of highways.

R. Don Electric Co. of Granite City received a contract for a lighting system on Interstate 70 at the interchange with Route 157 at Collinsville for \$31,913.

A \$77,480 contract to paint two bridges over the Chain of Rocks canal on Interstate 270 about two miles west of Mitchell went to Robert W. Britz of Curran.

A new member, Sherry Cooper, was welcomed. Present were Terry Mills, Cynthia Leibold, Cynthia Taylor, Charlotte Pitts, Debbie Boyer, Charlene Kennerly, Susan Owens, Karla Sprankle, Debbie McKeel, Debbie Hand, Jeannette Cawley, Nancy Becker, Susan Manners and Sherry Cooper.

The Pontoon Beach Little League Association will hold a meeting Saturday at noon at the Long Lake fire hall for parents. The girls worked on their printing badges and the 007 patrol members told why they like scouting.

# THE Wikler SHOE BY BUSTER BROWN.

1315 Nineteenth Granite City

A new kind of shoe that lets children "feel like they're going barefoot with shoes on"

Simon J. Wikler, a podiatrist from Florida, believes that the healthiest thing for growing feet is to go barefoot.

So he set about to create a shoe which would allow children to "feel like they're going barefoot with shoes on." A shoe which would provide the protection tender young feet need, and at the same time allow growing toes all the necessary room to expand and flex so foot muscles and ligaments can develop freely.

The result of his work is the unusual, patented Wikler Shoe by Buster Brown. Distinctive in its wide, fan-shaped toe design, its remarkable softness, its complete flexibility. Investigate it soon for your child

## HOUSE GUESTS

Mr. and Mrs. Arthur Hoff and daughter, Beth, 1648 Main avenue, are entertaining as their house guest their son, Pvt. Edgar T. Snipes, III, who returned home early this week for a 14-day furlough after completing advanced infantry training at Fort Jackson, S. C.

He plans to visit his grandmother, Mrs. Reatha Bowler, 2830 State street, before returning to Armoured division Officers Candidate School at Fort Knox, Ky., on March 7.

Den Three of Cub Pack 13, sponsored by the Holy Name Society of St. Elizabeth's Church, met Monday afternoon in the home of the Den Mother, Mrs. Louis Brusati, 2211 Manley avenue, with Gary Kaseberg carrying the American Flag and Tom Beatty carrying the Den Flag and leading with the pledge of allegiance.

The Cubs were congratulated for participation in the Blue and Gold Banquet last Sunday, and then they continued work on wooden boats. The meeting closed with the boys singing two verses of the "Star Spangled Banner."

Mrs. Ray Uram, assistant Den Mother, assisted Mrs. Brusati in serving refreshments to the Cubs, who also included Brad Bickhaus, Mark Brusati, Jeff McIlroy, Dan Sede and Joe Uram.

## HOPE LUTHERAN DEDICATES CHURCH

Rev. Alfred Bula dedicated the newly constructed Hope Lutheran Church on Sunday. The congregation first met in the old section of the church for prayer, and then the officers, the architect, the builder, the building committee, the president of the congregation, the choir and the congregation assembled at the entrance of the new building for the invocation delivered by Rev. Bula.

The architect, William Gray Potter, cut the ribbon, and the builder, G. H. Sternberg, presented the key of the church to the chairman of the building committee, Albert Frempling. Rev. Bula proclaimed the opening of a house of worship as the president of the congregation. Ralph Aufderheide, opened the doors. Rev. Bula extended the invitation to the congregation to enter the sanctuary.

Rev. Bula was assisted by Vicar Donald Tanner, Froemling, who is the organist and choirmaster, the senior choir, and two acolytes, Richard Wargin and Michael Hofen.

Joan Kathryn Schertz, infant daughter of Mr. and Mrs. William Schertz, 2345 Paul street, received Holy Baptism following the services. Her sponsors were Mr. and Mrs. Wayne Frahm, by proxy.

Flowers on the altar were for the 54th wedding anniversary of Mr. and Mrs. George Laufer, and the birthdays of Gloria Schiber and Gary Criley.

A service of "Praise And Thanksgiving" was held at 3 p.m. with a talk by Rev. G. K. Schmidt, the first pastor of Hope, now at St. Andrew's Lutheran Church, University City, Mo. The officers were the Rev. Samuel Boda, St. John's Lutheran Church, the Rev. Arvin Twietmeyer, Concordia Lutheran Church, and Rev. Alfred Bula. Organist Frempling and the senior choir were assisted by trumpeters, Richard Wargin Jr. and Daniel Bula under the direction of Richard Wargin, Sr.

The evening service of "Music and Song" was presented by the Lutheran High South Choral group of St. Louis under the direction of Henry Engelhardt, who was also the guest organist.

The first Lenten Service was conducted Wednesday evening at the church with Holy Communion. Both services next Sunday will also be Holy Communion Services. At 5:30 p.m. next Sunday evening, the members of Hope will gather for a meal together and the program will include a pictorial history of the congregation and especially the building program of the last few years with slides of the building progress as part of the program. The evening will close with a Vesper Service in the church.

The schedule for future dedication events are, March 26, Mission and Evangelism Sunday; April 24, community celebration; and May 22, Walther—League Birthday banquet celebration.

## STORK SHOWER

Mrs. Paul Strain was honored with a stork shower Sunday evening in the home of Mrs. Arthur Frachsel, 1008 Garfield avenue. The shower was given by Mrs. George Grimm and Mrs. Willis Shepard.

Games were played under the direction of the hostesses and prizes were awarded. The decorations were in pink and blue and a stork was used as centerpiece on the serving table. Following the gift opening, refreshments were served by the hostesses to Mrs. John Muck and Mrs. Jerry Muck of St. Louis, Miss Dorothy Kayich, Miss Jo Ann Weidner, Miss Rose Yobbi and Mesdames Sidney Kayich, Marion Weidner, Joseph Long, Charles Strain, Myrtle Strain, Russ Lockridge, Bert Strain, Arthur Trachsel, Wade Rollins, Gerald Rosenberg, William Hobson, Jerry Laub and son, Edward, George Grimm and son, David and Dennis, Ralph Strain and Eva Shepard.

Prizes were awarded to Mrs. Wade Rollins, Mrs. Jack Strain and Miss Jo Ann Weidner.

## FAITH CIRCLE MEET

The Faith Circle of Freewill Baptist Church met Monday evening at the church with Mrs. Eileen Hall and Mrs. Rojana Millap as hostesses. The opening prayer was special prayer said by all at the altar.

The business meeting, first of the year, was conducted by newly-elected president, Mrs. Eileen Hall. Other newly officers are Mrs. Etta Logsdon, vice-president, and Mrs. Lela Shrum, secretary and treasurer.

It was decided the circle will join the Home Mission 500 Club, which is a state wide organization sponsored by the Freewill Baptist Conference. The program for the opening was presented by Mrs. Norma Colvort, who sang "Mary Lou" to honor the past year's president, Mrs. Mary Lou Jones, who also received a gift from the class. Mrs. Colvort also sang "Our Best" to honor the new president, Mrs. Hall. Mrs. Elaine Stringer accompanied at the piano.

The meeting was dismissed by Mrs. Lela Shrum, and refreshments were served. The next meeting will be March 21 at the church.

PRELIMINARY WORK under way at the Nestle Co. where ground is being prepared for the foundation and steel structure of a four-story addition to the local coffee plant which will provide another 18,500 square feet of plant space. Part of it will be used to produce instant tea, a new line here. The photo was taken from the new plant parking lot on Adams at 21st street facing northwest.

## Nestle to Add Instant Tea with Plant Expansion

Instant tea will be added to the production line of the Nestle Co. instant coffee processing plant here with completion of its new addition.

John W. Newlin, plant manager, announced that construction on the addition, to be completed in two phases, has started. Part of the additional 18,500 square feet of space will be used to house processing equipment necessary to give the Granite City plant the added capability of producing Nestle instant tea, Newlin said.

The S. M. Wilson Co. has started preliminary site work preparatory to installation of foundations and erection of structural steel. The first phase will cost \$101,210, according to a building permit issued by the city last week.

The new addition will be four stories high. The steel and masonry construction will match the rest of the factory in architecture. It will be an extension of the present building which faces Adams street and will cover a portion of what was once 21st street.

It is the second major addition to the present plant since its opening as the "most advanced instant coffee plant in the world" in August, 1963, Newlin said. Completion is expected early next year.

Granite City PRESS-RECORD Thursday, Feb. 24, 1966 Page 11

## THIS I BELIEVE

There is only one true gospel of Jesus Christ (Galatians 1:8-9). The commission the apostles had from Jesus was to preach and teach "all things I have commanded you." Matthew 28:20. If others have invented doctrines not commanded by Jesus, it surely was not authorized by Him. In short if the Scriptures do not contain it, but was added later by others, then it does not come within the faith as Jesus commissioned it to be taught. This does not mean that the same things may not be said in other words or languages, but the substantive teachings must be traceable to the Scriptures.

For this and other reasons United Pentecostal Church requires that every doctrine believed and practiced must be traced back to the Scriptures. For if the Scriptures of the New Testament do not explicitly declare a matter to be true and/or right, or if the facts are such that the doctrine does not emerge therefrom by necessary implication, then it is not binding upon a believer as a matter of faith or of morals.

Because of this exact compliance with scriptures, the United Pentecostal Church is becoming more and more recognized as a dependable source for Christian Teachings. The lines of truth are clear and the admixture of worldly philosophies that Paul spoke against (Colossians 2:8), are excluded, in order to present the pure original faith of Jesus Christ to the people. Our slogan: The Whole Gospel To The Whole World. Come and See! Come and Hear!

Pastor, KENNETH V. REEVES

## Firing of Nurses By East Side Board Called 'Arbitrary'

Dismissal of three nurses by the East Side Health District in East St. Louis, including one from Granite City, has brought out criticism from the head of District 16, Illinois Nurses' Association.

Mrs. Hilda DeFries of Alton, district president, said efforts of the three nurses to improve salaries led to the action last week which is "arbitrary, dictatorial and unfair treatment which will make it impossible to get other qualified professional nurses to serve this community."

Among the three nurses was Mrs. Lula Mills, 2104 Cottage avenue, who was active in attempting to secure a pay hike for the district's 15 nurses. The dismissals are effective April 1.

Mrs. DeFries said the nurses have received no increase since April 1961, while the cost of living has risen 5.8%. The nurses say an increase of \$23.50 per month would be needed to keep up the loss in their real income. Current wages range from \$25 per month to start to a maximum of \$400 per month after three years service.

Mrs. DeFries called on Dr. John Gregowicz, medical director, and the board of trustees of the health district to rescind the dismissals "before it does irreparable damage to the agency and to the quality and continuity of public health care to the community."

She claimed the three were fired "in reprisal for their legitimate and dedicated efforts to improve nursing care." Dr. Gregowicz claimed last week the dismissals were due to economy and not to retaliatory measures. Mrs. Mills has been a nurse for 25 years and has been with the health district 6½ years.

Mrs. DeFries said the district nurses praise and support the excellence of performance of the East Side nurses and their professional approach to alleviating the long-standing inequities and in nursing care to the community. She declared "efforts to improve the situation will continue regardless of the dismissals."

The board of trustees is composed of supervisors of four St. Clair county townships.

## Training Tower to be Used in Fire School

The new University of Illinois fire tower will see its first use during the 42nd annual Illinois Fire College, oldest in the nation, which will be held June 9 through 12 on the Urbana campus.

Plans for the annual fire college were completed recently by the 50-member Fire College Planning committee and the Fire College Executive board, according to Chief Wilford J. Eckert, head of firemanship training at the U. of I. division of university extension.

The fire tower, located to the south of the main campus, is the first phase of what is hoped to be a comprehensive training facility, Eckert said. It will be used during the college for training in rescue, ladder work and ventilation. The 20-acre fire tower site includes a parking area 320 by 280 feet. The tower has been in the planning stage for several years and on its way toward completion during the last six months. It is 62 feet in height.

## Marine Corps League Plans Benefit Project

Plans were completed this week by the Quad-City Detachment, Marine Corps League, for a chicken barbecue to be held from 11 a.m. to 5 p.m. Saturday, March 19, on the parking area at Bellemeor Village shopping center, it was announced by Conrad Bauer, chairman. Half-chicken dinners with potato chips and bread will be served, he added, for donations of \$1.25 per serving.

Proceeds from the event will be used for various benefit projects of the local veteran's group, including the "Toys for Tots" program sponsored in the Christmas season. During the recent holidays, the members also furnished quantities of cookies to servicemen in Vietnam. Telephone orders for six or more dinners will be accepted, Bauer said, by calling TR 7-7243.

**Fined \$55 on 2 Counts**  
Finzee Roddy, 36, of 1128 Logan street, was fined \$25 and \$5 costs on a charge of leaving the scene of an accident and \$20 plus \$5 costs on a careless driving charge in magistrate's court Monday. He also faces a charge of destruction of property for allegedly driving an auto into the home of Neola Young, 1119 Logan street, last Sunday.

## New Parkview Grade School To be Ready for Fall Term

Parkview grade school, located on the eastern fringe of Granite City at the new Worthen Park, is expected to be ready at the start of the fall term this year to accommodate 450 pupils.

The school will contain 13 regular classrooms and two kindergarten rooms along with a gymnasium and a separate dining room. There also are offices and special education areas, a teacher center and a work area.

With the location of the new grade school at the park district's new park-playground, the school will use the park as a playground, and the park district will use the school's restrooms during its summer recreation program.

The building, which is being built by Leo Wolf Co. at a cost of \$346,557, also is designed for night activities in the recreational-physical education-community section. This area can be utilized at night and on weekends when the rest of the school is locked.

## Recovery Precedes Report of Theft

A stolen car which was found abandoned in the intersection of East 27th and Kate streets Tuesday night was towed to a garage before the theft was reported.

Mrs. Robert Bloehle, 2940 Washington avenue, reported about 11 p.m. that her 1954 white-overgreen sedan was missing from her home. It was the same description as the one reported abandoned by thieves at 10 p.m.

## Counterfeit \$10, \$20 Bills Circulating in Quad-Cities

A series of counterfeit \$10 and \$20 bills are in circulation in the Quad-City area and merchants, businessmen and bank officials have been urged by the Treasury Department of the U. S. Secret Service to keep a close watch for such bills.

To aid potential recipients of such counterfeits, the Treasury Department has released a list of bogus bills that are said to be on the "very active list" of circulation in the Quad-Cities and vicinity.

According to a list received by the Granite City Trust & Savings Co. from the Treasury Department and forwarded to the Associated Retailers, there are three series of \$20 bills and one \$10 bill on the very active list in the Quad-Cities.

These include a \$20 bill of series 1960D, with a G-235 face plate number, \$28 back plate number and a serial number E-36857179-C; a \$20 bill of series 1960C, with a K-211 face plate

number, 898 back plate number and serial number J-84285339-A; a \$20 bill of series 1950D, with a 1-222 face plate number, a 938 back plate number and serial number D-71813168-B, and a \$10 bill of 1950D series with a face plate number of Q-437, back plate number 2 and a serial number D-46784721-C.

## JUNIOR SCOUTS MEET

Junior Girl Scout Troop Three met with the leader, Mrs. Bernadine Weidner, Monday in the lunch room of the Louis Baer school. The meeting was opened with the pledge to the flag and a flag ceremony, the flag being held by a guest, Donna Large.

Mrs. Weidner reminded the girls of Thinking Day which is being held Sunday at the Madison recreation center, with parents and guests being invited. The remainder of the time was spent with movies shown by Miss Marilyn Bondegard who was accompanied by her sister, Karen. Miss Bondegard, a senior scout of Troop 224 of Granite City, was among those attending the Girl Scout Roundup in Idaho. She showed movies of the preparations for the camping trip and scenes at the round-up, attended by 9000 Girl Scouts and 2000 leaders.

Those present were Selma Afeldt, Ruth Ann Fanning, Sally Grimes, Rebecca Hall, Barbara Hall, Debbie Kelly, Barbara Kissel, Kathy Leisner, Pat Malon, Eita Nappier, Laura Niehaus, Jean Paskus, Gloria Reeves, Sharon Serini, Peggy Stagner, Christi Skelly, Janice Warhol, JoAnn Weidner, Kathy Wilson and Venus Wood.

## SCOUT TRIP PLANNED

Girl Scouts of St. Mary's Troop 46 met Monday after school. Plans were discussed for a trip to the courthouse and the cathedral in St. Louis on March 5. For Girl Scout Week, the girls are to attend Mass and Communion in a group at St. Mary's Church March 6 at 9 a.m. Thinking Day is to be attended Sunday by the girls.

The meeting was opened by the Busy Bee Patrol with a flag ceremony and pledge to the flag in unison.

Badges were presented, including the membership badge to Vicki McMurry and Roberta Papa, collector badge to Joyce Mossa, Debbie Krpan, Rose Ann Hudzik and Debbie Kierski, back yard badge to Vicki McMurry and Mary Barko, and active citizenship badge to Debbie Kierski, Helen Zelenka, Debbie Krpan, Rose Ann Hudzik, Brenda Broadway, Jean Long, Kimberly Plante, Joyce Mossa, Kathy Werner, Rose Ann Hudzik, Karen Koliste and Mary Stols.

Other girls at the meeting were Karen Sasyk, Penny Schenck, Elaine Hanson, Carol Sasyk, Debbie Votupal and Jackie Pingle.

## LOGGIE NAMES DELEGATE

Delray 786 Rebekah lodge members met Tuesday evening at the Odd Fellows hall in Madison with 13 members responding to roll call.

Mrs. Erma Graves, noble grand, presided over a short business meeting prior to a school of instructions, with Mrs. Thelma Johnson of Ann Rutledge Lodge 47, deputy president, officiating.

Mrs. Mary Mortenson was elected as a state delegate to serve for two years. The State Assembly meeting is to be held in October in Springfield. The next lodge meeting will be March 8.

## ANNOUNCE GRANDSON

Mr. and Mrs. Raymond Stawar, 1468 Fourth street, have received word of the arrival of a grandson, the son of Mr. and Mrs. John Vaulato, Elgin, Ill. Mrs. Vaulato is the former Barbara Stawar.

The name of Timothy John was given to the five-pound, 14-ounce infant, born Feb. 7. Mrs. Vaulato has been teaching at Bartlett, a suburb of Elgin. This is the couple's first child.

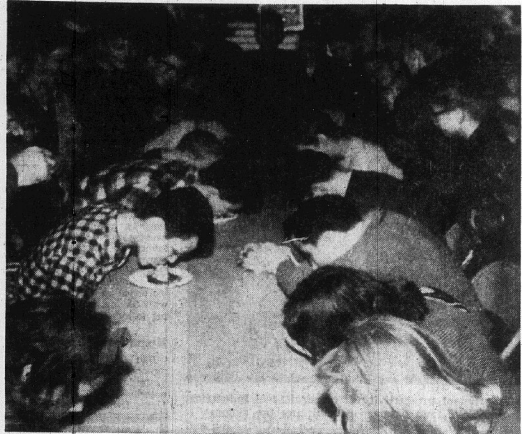

## CHATTER CLUB MEETS

Mrs. Billie Bosworth was hostess to the Chatter Canasta club in her home, 1827 Fourth street, Tuesday evening. Members taking part were Mrs. Annie Laura Platt, Mrs. Deloyce Rhoads, Mrs. Mattie Bosworth, Mrs. Gus Miller, Mrs. Bernice Gashfield, Mrs. Sally Bosworth, Mrs. Jeannine Steffert and a guest, Mrs. Mildred Burgess. Prizes were awarded to Mrs. Rhoads, high score, and Mrs. Burgess, low. Lunch was served by the hostess.

Mrs. Platt invited the members to her home for the March meeting.

## BIRTHDAY OBSERVED

Cub scouts of Den Two of St. Mary's Pack 47 met Monday with the den mother, Mrs. George Stentzer. A flag ceremony was used for the opening, after which the birthdays of John Papa, den chief, and John Bulva and Sandra Lynn Stentzer, daughter of the den mother, were observed. The group had previously toured the Busy Bee Bakery and watched a cake being decorated. It was presented to the troop and served by the den mother to those with birthdays and Donald Karpowicz, Aloys Ruesing, Kevin Werner, Victor John Barnhart, Paul Bonk, Ricky Martes, John Plechocinski, George Stentzer Jr. and James Hancock.

UNUSUAL PIE EATING TECHNIQUES were demonstrated by 75 youngsters in the 11-15 age group at a recent contest at the A & P Supermarket. All had their hands tied. Floyd Haygood, 1741 Delmar avenue, ate his, slightly faster and won a transistor radio; Phyllis Morris, 2416 Benton street, a camera; and Marion Bozzell, 2017 Lee avenue, a model car. All participants were given caramel corn.

## Granite City PRESS-RECORD

Page 14 Thurs., Feb. 24, 1966

## HONORED ON BIRTHDAY

Mrs. Frances Wargin was honored with a birthday observance given by her daughter, Miss Darlene Wargin, in their home, Monday evening. Mrs. Wargin was presented with many gifts.

A decorated cake topped with "Happy Birthday Mom" centered the refreshment table and was served with lunch at the close of a card game.

Those enjoying the evening with the honored guest were Mrs. Helen Cholewicki, Mrs. Jean Knezewicz, Mrs. Gladys Madyn and Darlene Wargin.

## JUBILEE DISCUSSED

Mrs. Julia Voloski presided over the monthly meeting of the Madison Ladies City Organization Monday evening at the Sportsman's club. Mrs. Janita Brown opened the meeting with prayer.

Main topic of discussion was the 75th jubilee to be held in Madison.

A social period followed the business meeting, after which the hostess, Mrs. Helen Knezewicz, Mrs. Kay Mullen and Mrs. Sally Maers, served refreshments to Mrs. Veronica Kula, Mrs. Mary Bridick, Mrs. Hazel Swigert, Mrs. Marie Stawar, Mrs. Ida Dant, Mrs. Mary Hlava, Mrs. Fannie Fisk, Mrs. Ann Bielczak, Mrs. Sharon Dennis, Mrs. Genevieve Pumenstock, Mrs. Brown, Mrs. Voloski, Mrs. Margaret Michels, Mrs. Violet Bader, Mrs. Helen Knezewicz, Mrs. Josephine Knezewicz, Mrs. Judy DuBry, Mrs. Maxine Costello, Mrs. Bernadine Asperger, Mrs. Vicki Skundrick, Mrs. Marie McPadden, Mrs. Donella Maers and Mrs. Helen Geroff.

Hostesses for the March meeting will be Mrs. Geroff, Mrs. Michels and Mrs. Asperger.

## HOSTESS TO CLUB

Mrs. Nettie Gnowieski, 1608a Fifth street, entertained members of the Pop-Ko-No club in her home all day Tuesday. Members arrived during the morning hours and played games, with Mrs. Gnowieski serving lunch during the noon hour. Games also were played after lunch, with Mrs. Veronica Kula being the winner. Mrs. Pat Garkin, Mrs. Hazel Swigert, Mrs. Margaret Feurka, Mrs. Betty Allen, Mrs. Hazel Hunsen, Mrs. Marie Stawar and the hostess also took part. Mrs. Feurka will be the hostess in two weeks.

Cadettes of Troop 28 of St. Mary's met Tuesday in the school cafeteria. They were visited by Alta Bolliger of Granite City, who told them about the "Promise in Action" program and the Roundup in Idaho. She answered questions asked by the girls. Refreshments were served by Sharon Lelienewski to Paula Broadway, Linda Battovich, Jocelyn Pingle, Joetta Pingle, Jane Sasyk, Joan Sasyk, Delores Stumac and Vicki Votupal. The meeting closed with "Taps." Mrs. Nick Sasyk, the leader assisted the group during the meeting.

## FOURTH BIRTHDAY OF SANDRA STENTZER

The fourth birthday of Sandra Lynn Stentzer was observed Sunday afternoon with a party given by her parents, Mr. and Mrs. George Stentzer, in their home, which was decorated for the occasion. A cake was topped with miniature dolls and favors, with candles at each place setting. Games were played by the children. Those present were Mr. and Mrs. George Stentzer, in their home, Johnny, Lorelei, Gerald and Betty Ann, Mrs. Pat Eaton and children, Pamela, Michael, Deb-

## Knights, Signaling

## March Scout Themes

Knights of the Round Table, one of the legends that most appeals to boys, will be the March program theme for sub scout packs in the Cahokia Mound Council, Boy Scouts of America, Edwardsville, district scout commissioner, announced today.

The older Boy Scouts during March will stress advancement and chivalry of the days when knights rode their steeds across the land in a great quest for freedom and honor.

Among the suggested activities for cub scouts to do with their parents, at weekly den meetings and at monthly pack meetings are family reading of stories about knights, dramatizations of special scenes, games adapted to the theme, and making of armors and models of catapults, castles, drawbridges and moats.

## SENIOR CITIZEN DINNER

Venice senior citizens held their monthly business meeting and covered dish dinner Tuesday at the Venice city hall with Mrs. Address Brown, president, in charge. A report was given on a quilt that has been completed. Cheer cards were signed for persons who are ill, both at home and in hospitals. Mrs. Clara Krause gave a report on cheer cards made by the group.

A bake sale will be held Saturday morning at a local grocery. The members voted to accept newly revised by-laws.

Mrs. Bess Snell, kitchen chairwoman, was in charge of dinner arrangements, and others seated were Mrs. Marie Mangi, Mr. and Mrs. Albert Harder, Mrs. Stella Loftus, Mrs. Mildred Pratt, Mrs. Hilda Short, August Daniels, Mrs. Mildred Humphrey, Miss Lucila McCoid, Mr. and Mrs. W. L. McCoid, Mr. and Mrs. Myrtle Fields, Emil Brown, Mrs. Beulah Sizemore, Mrs. Toni Rasin, Mrs. Bess Snell, Mrs. Ellen Creamer, Mrs. Anna Brennan, Mrs. Mary Dittman, William Brennan, William Boerckel and two guests. Chief of Police Frank DeWitt and Tony Scaturro. The next meeting will be held March 13.

Venice Rebekah Lodge 570 held regular meeting Monday eve-

ning at the Odd Fellows hall with Mrs. Edith Carpenter, noble grand, in charge. Following the business session, a school of instruction was held by a group from the East St. Louis lodge.

A social time was enjoyed, and a dessert luncheon was served by Mrs. Marge Purcell of Madison. Other members attending were Mrs. Ethel Dunnivant, Mrs. Magdalene Smith, Mrs. Marie Zeigler and Miss Lucila McCoid.

# Claude Miller Knows TOP Meats and Makes Sure You Receive Them Every Time!

We pick your sizzling Tri-City Groc. Co. steaks at the cattle pens in National Stockyards of East St. Louis! Claude Miller, shown above, is vice-president in charge of all our meat operation. He is pointing to a pen of healthy, well-nourished cattle which have been properly raised on grain, they're the "cream-of-the-lot". Soon, they will be processed and sold in our stores under the C. W. Quality Guaranteed Beef Label.

Claude Miller, shown above, is in a major packing house cooler placing our "TRI-CITY" stamp of approval on sides of fully matured, grainfed steer beef, from the prime producing areas of the nation. This beef has been government inspected by the U. S. Dept. of Agriculture. Such quality control assures that you will get tender cuts of meat at our traditionally low prices. When you want the best in beef, look for the blue and gold "C. W." label on the package.

## Nameoki

MRS. DIXIE GRIFFIN  
2007 Garfield Avenue  
TR 7-4558

A monthly meeting was held for Neighborhood Five Juliettes Girl Scout leaders Tuesday at the Nameoki Presbyterian Church. The chairman, Mrs. Arlene Brinkmeyer, conducted the business session.

Sunday, Feb. 27, is to be "Thinking Day" at the Madison recreation center from 1:30 to 3 p.m. Leaders are to get permission slips from their girls.

Following the business meeting, a film on day camping was enjoyed by 25 leaders, who also received refreshments.

At their March 22 meeting, April activities will be discussed.

### ALTAR SOCIETY MEETS

The Altar Society of St. Elizabeth Church met Tuesday evening in the school cafeteria with 44 members and two guests, Mrs. Jacqueline Hackett and Mrs. Sheila Potter.

Mrs. Lillian Turck, president, opened the business meeting. Reports were given by committee chairmen, Mrs. Arlene Naglich, Mrs. Ann Pare, Mrs. Marie Planitz, Mrs. Claire Shillinger and Mrs. Margaret DeRuntz.

Members were asked to start working on items to be used at a

## Granite City PRESS-RECORD

Page 18 Thurs., Feb. 24, 1966

Christmas bazaar, and several items already made were displayed. A prize was awarded to Miss Julianna Hoedebek's fifth grade class for the most prayers presented, and the "Madonna" was presented to Mrs. Margaret Walker.

Refreshments were served by Mrs. Mary Carich and her committee. The next meeting will be held March 22.

### PLAN CHURCH ACTIVITIES

The Every Member Busy circle of Nameoki Methodist Church met Tuesday evening in the home of Mrs. Mildred Nancy, 3128 Davis avenue, for a monthly meeting. The prayer and program were given by Mrs. Vivian Guika. The program was entitled "Acts, the Early Church and You."

Miss Morene Groshong, chairman, announced the annual district meeting of the Women's Society of Christian Service March 14 at Nameoki Methodist Church. It will be an all-day meeting, with registration from 9 to 9:30 a.m.

The World Day of Prayer service will be held Feb. 25 at the Bethel A.M.E. Church in Madison, sponsored by the Quad-City Council of Church Women. Mrs.

James Craddock will be guest speaker.

"The Study of Acts, Then and Now," will be held on four Thursday mornings during March. The first will be March 3 in the home of Mrs. Dorothy Lickert, 2630 Woodlawn avenue, from 9:30 to 11 a.m.

Cancer bandages were sewn by the group during the evening. Refreshments were served by Mrs. Nancy and her daughter, Linda, to the above and Mrs. Virginia Carroll, Miss Jane Elkins, Mrs. Bernice Sawyer and Mrs. Betty Weston.

The March 22 circle meeting will be held in the home of Mrs. Mary Jo Hein, 1740 Primrose avenue, starting at 8 p.m.

### EVENING CIRCLE MEETS

Members of the Nameoki Presbyterian Church Evening circle met there Tuesday evening for a monthly session with Mrs. Edith Arbogast, chairman, presiding.

Mrs. Irma Taylor gave a mission of the day and Mrs. Bea Pyle gave the lesson "Jonah on the Shipboard." A talk was given by Mrs. Louise Thompson on "World Service," and Mrs. Sylvia Cross gave the fellowship lesson.

Mrs. Taylor, president, told of coming events.

A film of the Holy Land will be

shown at the Associational quarterly board meeting will be held March 1 at the church, and the next meeting of the circle will be March 22.

The meeting closed with prayer by Mrs. Bea Pyle, and the hostess for the month, Mrs. Betty Flinn, served refreshments to the group.

Games were played and prizes awarded to Mrs. Mignon Abenroth, Mrs. Mary Yevins, Mrs. Jean Beatty and Mrs. Erma Morrow. A prize also was awarded to Mrs. Dot Hanne.

Following the opening of gifts, refreshments were served to the prize winners and Mesdames Barbara Maxfield, Judy Shurn, Lynn Fechner, Dorothy Fackel, Marilyn Newlin, Sylvia Brylak, Carl Stray, Joan Wischuk, Joan Gieseking, June Whitson, Marjorie Willard, Euvella Lewis, Frances Jordan, Mary Nibbel and Monica Frey.

A discussion was held on the next two pack meetings, March 22, when awards will be presented to the clubs, and April, when a pine wood derby will be held.

Summer activities will include a baseball game and a tour of the Nike missile base in Grafton. Pack 22 will conduct the opening of a roundtable meeting March 1 at St. Elizabeth school. This will consist of a talk on conservation, outdoor code, and the U. S. flag, given by the cubmaster and den mothers.

Also present were Mrs. Beverly Krause, den mother, Mrs. Joyce Kimball, new secretary, and Floyd Brunson and Art Ste-

war, awards chairman. The next committee meeting will immediately follow the pack meeting March 22.

### HONORED AT SHOWER

Mrs. Diana Molumby was honored Monday evening with a shower given by Mrs. Carol Wellman in her home, 26 Riviera drive. Decorations were placed under a decorated umbrella.

Games were played and prizes awarded to Mrs. Mignon Abenroth, Mrs. Mary Yevins, Mrs. Jean Beatty and Mrs. Erma Morrow. A prize also was awarded to Mrs. Dot Hanne.

Following the opening of gifts, refreshments were served to the prize winners and Mesdames Barbara Maxfield, Judy Shurn, Lynn Fechner, Dorothy Fackel, Marilyn Newlin, Sylvia Brylak, Carl Stray, Joan Wischuk, Joan Gieseking, June Whitson, Marjorie Willard, Euvella Lewis, Frances Jordan, Mary Nibbel and Monica Frey.

A birthday cake was part of the refreshments served in honor of Mrs. Molumby.

### ST. JOSEPH'S SCENE

OF CUB PACK DINNER

A luncheon and gold banquet was held Sunday evening for Dens One, Two and Three of Cub Pack Seven, sponsored by St. Joseph school in the church

basement. The table decorations, place mats and napkin holders were made by Dens One and Two.

A large artificial birthday cake for Presidents Washington and Lincoln and a large blue and gold hat were the centerpieces, made by Den Three.

Fr. J. P. Jordan, guest of honor, gave the blessing and a covered dish dinner was enjoyed by 75 cubs, parents and friends. Entertainment was provided by a magician from St. Louis, with the assistance of many of the cubs.

A short business meeting was conducted by Andrew Timko, pack committee chairman. Alex Kary, assistant cubmaster, presented awards and pins. The following received one-year pins: Don Goldschmidt, Michael Kubik, Earl Early, Brian Grobowski, Mike Kittel and John Mikolazuk, who also received his Webelos badge. Mark Danheiser received a two-year pin.

Trophies were presented to winners of the pinewood derby. Speed trophies went to Tony Valencia, first, and Bryan Grobowski, second. Appearance trophy went to Mike Kubik, first, and Gary Kary, second.

The next pack meeting will be March 16.

## Citizens League

### Seeks Support In Tax Lawsuit

The Southern Illinois Citizens League is seeking additional plaintiffs in a new lawsuit filed against the city of St. Louis, seeking the city's earnings tax as applied to out-of-state residents.

Outstanding plaintiffs and league members are invited to a league meeting at 8 p.m. Monday in the Veterans of Foreign Wars hall in Collinsville to review details of present legal action and future plans of the league.

The league's attorney filed suit against St. Louis on Feb. 16 in St. Louis circuit court. It is one of a series of tax suits which have been filed against both the city and the state of Missouri in recent years, but Clarence E. Ward of Belleville, league president, said the present case will introduce several points of law which were not presented in previous cases.

To be eligible to join the litigation as a plaintiff, Ward said an individual must have a current tax obligation to the city of St. Louis. Possible benefits and any disadvantages of joining the action are to be explained at the meeting.

### Regional Plan Necessary

Mikesell recently described the need for hillside drainage as one of the most important regional planning approaches. "The inevitable and most logical solution to the area's flooding problems," he said, "is urbanization, continued, the problem will become more acute. Although rainfall will not increase, the problem stems from 'more surfacing' such as highway construction, rooftops and parking lots, creating a bigger and faster runoff that cannot be absorbed in the ground."

He said that SWIMAPC would be willing to propose a program for regional flood control. The agency now has jurisdiction in Madison, St. Clair and Monroe counties, but Mikesell said he believes that any hillside drainage plan should include Macopin, Jersey, Bond and Washington counties.

Tolar said that the committee set up to study the matter will be given a "free hand" to operate on its own.

William "Mike" Ebersold, a trustee of the levee board and city clerk of Venice, described the problem as "an intelligent step." Ebersold said that members of the committee "may be able to find answers that we are unable to find."

### 3 Seek Posts As School Trustees

Three candidates for the two six-year posts on the Madison county board of school trustees were circulating petitions today for election in the June 14 primary.

Incumbents seeking re-election are Frank M. Leever of Wood River, representing Wood River township, and Willard Flagg of Moro, representing Fort Knox township. The third candidate is G. A. Shaffer of Troy, appointed to fill a vacancy, is seeking election to a two-year unexpired term. Shaffer is from Jarvis township.

Holdover members on the seven-man board and the two who represent are Homer Huber, Granite City; Gordon Burroughs, Edwardsville; E. J. Miller, Venice, and Karl Monroe, Collinsville. Only one board member can be elected from any one township.

### College Dean to Speak On Junior Colleges

Gailly Lathrop, dean of the Olney, Ill., Community College, will be the speaker at Belleville Saturday night at the winter meeting of the Madison St. Clair County Alumni Chapter of the Eastern Illinois University Alumni Association.

Lathrop, who also is president of the EIU Alumni Association, will speak on "The Junior College Movement in Illinois." The meeting will be at 7:30 p.m. at the Carriage House.

### GC PARK CAGE DATA

John "Champ" Summers poured in 27 points to lead his Barton's team to a 78-75 win over Rozycki at Prather last night. Barton's has now reached the finals of the Classic League playoffs.

On Tuesday night, Barton's edged Mexican Honorary 84-82, and Rozycki won a semi-final match over Liberty Home 74-57.

Tony's Lounge, 98-87 winner over Plaza Pizza last night, will face Barton's in the championship game at Prather Monday at 8:15 p.m.

The YMCA crushed M. K. Printing 125-64 in High School League playoff action Monday night, and then fell victim to 60-54 upset at the hands of the Rockets last night. Jim Reeder paced the YMCA with 35 points, as five players scored 22 points or more against M. K. Printing.

In a quarter-final game, the Rockets defeated Roca 50-46. The Rockets will face Holland Asphalt, 64-57 winner over the Community Center last night, Monday at 7 p.m. in the Prather gymnasium for the league championship.

Peck's and Ill-Mo. Claims will battle it out for the Class A League title tonight at 7 o'clock at Coldidge. Peck's routed the Clippers 74-48 Tuesday night and Ill-Mo. downed Kelly's 65-59 Monday.

St. Joseph, 65-62 victor over Third Baptist Tuesday, will face Second Baptist in the final round of the Church League Playoffs at Coldidge at 8:15 tonight. Second Baptist gained entry into the finals with a 53-50 verdict over Free Methodist Tuesday night.

### Routine Town Meet

The Venice township town board conducted routine business in a regular session Wednesday night and approved a \$100 expense allotment for Township assessor Joseph Berggrath to attend a three-day state assessors school in Peoria. Arthur Moore, supervisor, said the township budget and appropriation is being prepared and will be posted for public inspection in early March, probably late next week.

## MORE ABOUT Levee Board

and we believe that a study of the problem by men who have no connection with the levee district may provide an insight into the problem that we have overlooked," Tolar declared.

He said the committee which he named Monday night will be asked to meet to form a larger area-wide committee which could undertake the study into the matter, particularly with a viewpoint toward a regional plan that could bring financial help from all of the areas responsible for surface drainage into this area.

The hillside drainage program has been a major issue for many years, and several plans for financing have been advanced by the levee district without success.

The problem now is recognized, however, as a regional matter rather than one limited to Madison and St. Clair counties because drainage from more than half a dozen counties hits the American Bottoms area in flash flood proportions during heavy rainfall.

### Regional Plan Necessary

Mikesell recently described the need for hillside drainage as one of the most important regional planning approaches. "The inevitable and most logical solution to the area's flooding problems," he said, "is urbanization, continued, the problem will become more acute. Although rainfall will not increase, the problem stems from 'more surfacing' such as highway construction, rooftops and parking lots, creating a bigger and faster runoff that cannot be absorbed in the ground."

He said that SWIMAPC would be willing to propose a program for regional flood control. The agency now has jurisdiction in Madison, St. Clair and Monroe counties, but Mikesell said he believes that any hillside drainage plan should include Macopin, Jersey, Bond and Washington counties.

Tolar said that the committee set up to study the matter will be given a "free hand" to operate on its own.

William "Mike" Ebersold, a trustee of the levee board and city clerk of Venice, described the problem as "an intelligent step." Ebersold said that members of the committee "may be able to find answers that we are unable to find."

### MORE ABOUT Goofball Use

to Emmett Warner, an agent of the federal Food and Drug Administration, who spoke in Wednesday's institute session. He said that control of amphetamine is particularly difficult because of the involvement of some doctors, druggists and drug wholesalers.

He said that by careful "cutting" with powdered sugar, salts, baking soda and other ingredients, a \$19 prescription could return to at least \$3000 to the pusher.

Miss Margarita Russell, of the Smith Kline & French Laboratories, and Daniel W. Byle of Merck & Co., Inc., drug manufacturers, were speakers at Wednesday night's meeting, pointing out that drug manufacturing firms must maintain controls over dissemination of amphetamine drugs, and that a better program of information is necessary as a means of control.

Speakers scheduled for today's session included Dr. Fred V. Hein, director of the Department of Education of the American Medical Association who was to speak on "The Role of Education" in a meeting this afternoon. A summary session is to be held at 7:30 p.m. today. There will be no speaking Friday and the institute will end at noon.

### Twilight Optimists To Buy Team Uniforms

New uniforms will be furnished this season for members of a Granite City park district, juvenile division baseball team, sponsored by the Twilight Optimist Club. Affirmative action on the project was voted by club members Monday evening during a semi-monthly dinner meeting held at the Grand Cafe.

Charles Landis, secretary-treasurer, presided in the absence of Optimist president, George England. Eleven members were present and routine business was transacted. The club will meet again in two weeks.

### Routine Town Meet

The Venice township town board conducted routine business in a regular session Wednesday night and approved a \$100 expense allotment for Township assessor Joseph Berggrath to attend a three-day state assessors school in Peoria. Arthur Moore, supervisor, said the township budget and appropriation is being prepared and will be posted for public inspection in early March, probably late next week.

# SOCIETY

## Eagles Auxiliary Adds 2 Members

A meeting of Eagles Auxiliary 1126 was held Tuesday evening in the home of the president, Mrs. Ann Knopka, 3137 D a v i s avenue, due to repairs being made on the Eagles Home.

Mrs. Steele Miller and Mrs. Sharon Clark were new members accepted. They are to be initiated at a district meeting in Wood River March 6.

Mrs. Isabel Boria reported on a trip to the Madison County Sanatorium in Edwardsville recently, and the prizes for the evening went to Mrs. Leona Delaiole and Mrs. Bernice Johano.

## KIRKPATRICK 4-H BOYS CLUB MEETS

The Kirkpatrick Homes Boys 4-H Club met Monday at the recreation center and chose an electricity project for April 1.

The group also planned a dance to be held March 19. A band of several boys will furnish music for the event.

Nineteen members attended and there was one guest present. A guest at the next meeting will be Louis Powers of Edwardsville.

Meetings of the club are held each Monday from 6:30 to 8:30 p.m.

Signeier, the former received the "white elephant".

Cake and coffee were served after the meeting to 20 members. The next meeting will also be held at the Knopka home.

## WHAT A VIEW . . .

From "Your Prestige Address," 2836 State.

ACROSS FROM BEAUTIFUL WILSON PARK. You will be proud to welcome your friends to the large living room, so richly carpeted. They will love your beautiful kitchen lined with good looking expensive cabinets, and so spacious. They will admire the handsome paneled family room, the two luxurious baths, especially the illuminated ceiling.

The ladies will love your pretty bedrooms and sigh over their generous size. The men folks will like your huge tiled floor basement and the radiant heating plant. All will exclaim over the beauty of your home, the pink brick, the attractive landscaping, the excellent floor plan. And finally they will say, "How much larger your home actually is than it appears to be." And they will want to be invited back. You can make this dream come true for only \$23,995, a very reasonable price for this elegant Park Home. Call today and it can be "Yours."

## COCHRANE REAL ESTATE & INS. AGENCY

1909 CLEVELAND BLVD.

TR 6-1767

GL 2-8175

LOCAL ARTIST, Mrs. Cleve Whitaker, with her portrait of former President Kennedy. A number of her paintings will be on display next month in St. Louis.

## Mrs. Whitaker, Self-Taught Artist, to Hold Exhibit

Mrs. Cleve Whitaker, 2228 Orville avenue, a local self-taught artist, will hold an exhibition of her work in March at Ramada Inn, 1351 Dunn road, St. Louis.

Mrs. Whitaker had been painting for about six years. She is self taught, with the exception of training received while attending high school. Her work consists chiefly of still life and landscapes. While she has not entered the field of portraiture she does paint portraits of people in various walks of life.

Her exhibit at Ramada Inn will include an original gouache painting by an Italian artist, Francisco Vinea, in the eighteenth century, entitled "The Wedding Dream."

This type of painting is done with opaque colors that have been ground in water and mingled with a preparation of gum, she explained.

### Preparedness

Hard-wood experience in childhood will be a useful guide in the battle of life.

### TRANSFERRED TO WEST

Mr. and Mrs. William Rhoads and family, former Granite City, who have been residing in Memphis, Tenn., are now making their home in Tucson, Ariz., where Mr. Rhoads has taken a position as chief of the Defense Surplus Supply Office. While living in Granite City he was employed at the Granite City Army Depot.

### RETURN FROM SOUTH

Mr. and Mrs. William A. Klueber, 2812 Madison avenue, returned Tuesday from a fortnight's vacation with their son, Glenn, a former Granite Cityan now residing in Miami, Fla. While away they also visited Key West.

## Blue, Gold Dinner For Cub Pack 3

Cub Scout Pack 3, sponsored by St. John United Church of Christ, held a Blue and Gold banquet in the youth center of the church Tuesday evening with 50 Scouts and parents in attendance.

Harry Tongay, assistant commissioner of the Unwaha District, served as master of ceremonies. The guest of honor was District Commissioner Edward Stone, who addressed the group on the importance of scouting in the development of the lives of boys in the community.

Den One, directed by Mrs. Thomas Bryarly, presented a skit, and a film of the National Jamboree held at Valley Forge, Pa., was shown.

Bobcat pins were presented to Tim Bennett, Kenneth Clendenin, Dennis Courtney, Ricky Courtney, Marc Mason and Steven Mike. Scott Mason received a Wolf badge and Kevin Menke was given a Bear badge. Winners of one-year pins were Patrick Bryarly, Kevin Menke and Douglas Schreiber and an assistant den leader stripe went to Patrick Bryarly. A plaque of appreciation was given Mrs. Edwin Menke, den mother.

The closing ceremony was a living circle formed by the scouts and their parents.

MRS. HAROLD D. TALLEY, the former Jane Strack, a daughter of Mr. and Mrs. Benjamin Strack, Rural Route 1, who was married Saturday at Sacred Heart Catholic Church.

## Jayceettes to Aid Easter Seal Drive

The Jayceettes were entertained Tuesday evening by Mrs. Alvin Barnes III, 3400 Franklin avenue.

Mrs. Betty Lake was in charge and the speaker of the evening was Mrs. Marie Robb of a Madison County Easter Seal Society, who showed slides and explained the help given to handicapped children. The local group will take an active part in the drive which will be held March 25-27.

Mrs. Kathy Jeffries was appointed recording secretary, and Mrs. Donna Wetherholt was named chairman of the nominating committee.

Mrs. Barnes reminded the members of the Easter egg hunt to be held Sunday, April 3, and Mrs. Sandra Peterson announced the membership drive to begin March 28. Mrs. Sallie Herbst, food chairman, discussed the bowling tournament slated for March 20.

## WSCS Committee Plans Events

An executive committee meeting of the Women's Society of Christian Service of Nieuhaus Memorial Methodist Church was held Tuesday evening in the home of the president, Mrs. Harold Briggs, 3210 Wiltshire blvd.

Announcement was made of the weekly Lenten services beginning at the church, and plans were made for a trip by the evening circles and several of the afternoon groups to Neighborhood House in East St. Louis. This will take the place of the regular meetings on March 31.

Also discussed were plans for a district meeting of the WSCS at the Nameoki Methodist Church on March 14 from 9:30 a.m. until 3 p.m.

Charity Circle, Mrs. Demova Beasley, chairman, will be in charge of the program at the next meeting.

## AMERICAN LEGION AUXILIARY MEETS

Mrs. Dorothy McCain presided last night at a scheduled meeting of American Legion Auxiliary, Post 113. The business was Mrs. Violet Kassabum.

A letter of thanks was read from a St. Louis man for the contribution of a hearing aid for a disabled child, and cards were sent to members on the sick list.

Prizes in the games went to Mrs. Ethel Petri, Mrs. Esther Harris, Mrs. Kitty Morris, Mrs. Alma Klaus, Mrs. Loretta Goele, Mrs. Ella McKittick and Mrs. Helen Qualls.

## Cultural Program For Sorority

"The Very Great" was the topic of the cultural program given by Mrs. Paul Ashford and Mrs. Phillip Tsigoloff at a meeting of Xi Epsilon Chi Chapter of Beta Sigma Phi Sorority last night in the home of Miss Ruth Soyanoft, 1211 Iowa street.

Madison. The program consisted of biographies and philosophies of religious leaders and the legacies they have left to mankind.

Other members gave one-minute tributes to famous people in fields other than religion.

After the ritual with which the meeting was opened Mrs. Jack Tolliver, president of the chapter, conducted an official welcome for a new member, Mrs. William Laule, who transferred here.

Annual contributions were made to the International Officers Endowment and Exemplary Funds. The Endowment Fund supports various medical research programs and the Exemplary Fund is used for the support of a school in India whose students are Tibetan refugees.

Miss Alice Holshouser outlined the social program for the coming months. A family bowling party will be held in March and there will also be a dinner honoring three members in recognition of their years of association with Beta Sigma Phi. The chapter sponsor, Mrs. Mearie Harper, and Mrs. Ralph Halderman will assist in planning both affairs.

A dessert and coffee were served from a candlelit buffet and the "hasty treat" brought by Mrs. Ashford was awarded to Mrs. Delores Dorch.

## Job's Daughters Hold Initiation

Bethel 43 of the Order of Job's Daughters held an initiation of new members at a semi-monthly meeting Tuesday evening at the Masonic Temple, with Miss Cindy Teaney, honored queen, presiding.

An inspection by the deputy grand guardian, Mrs. Geraldine Mehrmann, also was held. She is guardian of Bethel 24 of Belleville.

Honored and escorted to the east were past honored queens, Mrs. Pansy Love, Mrs. Eleanor Todoroff, Mrs. Marie Gordon, Mrs. Edith Champion, Mrs. Muriel Kratz, Mrs. Isabelle Schmidt, Miss Linda Teller and Miss Barbara Martin.

Also introduced and escorted to the east were Mrs. Nell Baskette, guardian; Dr. E. H. Theis, associate guardian; Luther Smith, worshipful master of Masonic Lodge 877 of Granite City; and the honored queen of Belleville, Miss Susan Gorman.

Those initiated were Misses Judith Goss, Valerie Harlow, Mary Leine, Mary Beth Gordon, Linda Fischer, Elizabeth Baler, Sara Slattery, Barbara Barfels and Terry Ann Reid.

Refreshments were served by the mothers' club to over 100. The next meeting will be held March 8.

## MRS. THOS. BRIDICK IS CLUB HOSTESS

The home of Mrs. Thomas Bridick was the place of meeting last night for the Handicraft Club.

The birthday of Mrs. Gladys Skubish was celebrated by the group with gifts. Prizes in the games went to Mrs. Kate Fedora and Mrs. Irene Kadance. Others standing were Mrs. Ann Mega, Mrs. Sue Perdicaris, Mrs. Ann Margulen, Mrs. Frances Vivod and Mrs. Vivian Danco.

## AMVETS AUXILIARY HOLDS MEETING

Amvets Auxiliary, Post 51, met last night with ten members present.

Mrs. Dolores Robinson, president, was in charge and there was a short business session. The "white elephant" was won by Mrs. Charlotte Damal.

Others present were Mesdames Nadine Summers, Jean Murphy, Nadine Harrison, Polly Breder, Dorothy McIlvay, Lila Sanders, Agnes Conkovich, and a new member, Mrs. Rita Leuschner.

# EOC Plans Head-Start, Apprentice Training, Youth Corps

The Madison County Economic Opportunity Commission this week approved a 1966 summer pre-school "Head Start" project, estimated to cost \$125,000, plus two other major anti-poverty programs—"on-the-job" apprenticeship training and a Neighborhood Youth Corps project.

Authorization for all three programs was given by EOC commissioners Monday evening at a meeting in the board of supervisors office in Edwardsville.

The pre-kindergarten training program, primarily geared to help youngsters from low-income families adjust to school life, proved successful last summer when conducted in the Quad-Cities and surrounding communities.

This year, the program will be expanded to include 12 Madison county school districts, including Granite City, Venice, Madison, Alton, Bethalto, Livingston, Wood River, Highland, Collinsville, East Alton, Edwardsville and Warden.

**Budget Proposal**  
Commissioners accepted a proposed budget of \$125,000, submitted by Wilbur R. L. Trimpe, Madison county superintendent of schools. At an earlier session, the commission officers had passed the request to \$100,000, but later amended it to the current figure.

Although sponsored through the county commission, responsibility for the "Project Head Start" program is delegated to the county schools administration as the contracting agency, which will administer and operate the project.

The proposed budget includes salaries for an overall director, five assistant directors in various parts of the county, 54 qualified teachers, 54 teachers' aids, one full-time secretary, four part-time office assistants, an office supervisor, consultant fees and five school nurses.

The number of employees to be hired this summer is equivalent to last year's quota. The budget is based on the percentage of children expected to participate, plus the amount of money available.

Funds for "Project Head Start" are deducted from the county's total allocation of funds for all anti-poverty projects. A maximum of \$415,000 was allocated to Madison county for the current year by the Office of Economic Opportunity.

**On-The-Job Training**  
In the first major attempt to teach more skills to the unemployed in the area, the Madison county commission agreed Monday night to co-sponsor an "on-

**Granite City PRESS-RECORD**  
Page 24 Thurs., Feb. 24, 1966

the-job" training program jointly with the St. Clair County Economic Opportunity Commission.

Directed by the federal Bureau of Apprenticeship and Training, the project is 100% financed through the Department of Labor.

Unemployed young men over 18 years of age are eligible for placement as trainees with cooperating firms during a 20-week instruction period. Training is given in semi-skilled lines and service occupations.

An application for a \$200,000 development grant in cooperation with area business and labor is to be filed soon with the Department of Labor. The proposed project already has received tentative approval from the department, according to Lee Scott, bureau regional officer in Wood River.

**16-Member Board**  
Responsibility for getting the program under way will rest with a ten-man board of directors, composed of representatives from both counties. Those named by James M. Bailey, Madison county EOC president, included Robert McCormick, Granite City, AFL-CIO Community Services Director; William F. Hoelscher, Granite City, executive secretary, Manufacturers' Association of the Tri-Cities; Neil Canine, Bethalto public schools; Joseph N. Berry, Alton-Wood River Economic Opportunity Council and president of the Alton Branch, NAACP; and Lewis G. Rupp, Alton, Illinois State Employment Service.

Bailey said the steering group will select a director to head the two-county project, as well as

two assistant directors, several part-time supervisors and office help. Board members, along with federal officials, also will personally contact institutions, business firms and labor organizations, seeking to establish apprenticeship training programs of various types.

Employers who accept a trainee must start him at least at the minimum wage of \$1.25 an hour and progress him along regular pay scales when trained, bureau officials explained. Under the program, it might be possible not only to provide jobs for the unemployed, but to upgrade the skills of some of the employed in the area, according to the program outline.

**Reimbursement to Firms**  
Private business firms who subcontract with the anti-poverty agencies would pay the trainees wages. However, reimbursement up to \$20-a-week per trainee would be made for instructional material and to compensate for time spent to train the new man, Bailey reported.

Plans for the formation of a Neighborhood Youth Corps also were reviewed Monday evening. Although completely separate from the apprenticeship training program, the Youth Corps project likewise is funded and supervised by the Department of Labor. Bailey said he hoped the program could be implemented by June 1, with 500 jobs available in the county for young people. Many non-profit organizations and institutions within the next few weeks will be asked by the county commission to place Youth Corps workers in summer employment, or part-time jobs, the EOC president said. He added, "The program is directed toward youths 16-21 years, and

the commission is hopeful to continue it on a year-round basis once initiated, providing we receive the necessary cooperation."

**Aimed at Drop-Outs**  
He continued, "Through the part-time job project, we hope to encourage school dropouts to return to their classroom studies, especially in instances where lack of finances has proved the basic reason for leaving school." The EOC top executive is assistant principal of Alton senior high school.

Appointed as co-chairman of the Neighborhood Youth Corps committee earlier this year were James Reideberger of Venice, director of Family Court Services in Madison county, and Charles Matthews, professor and director for the study of crime, delinquency and correction, at Southern Illinois University, Southern campus.

William P. Hale of Collinsville, recently appointed director of the two-county Medicare information program, also financed with anti-poverty funds, announced the project is progressing satisfactorily, with workers distributing literature and acquainting elderly citizens with their rights under the Medicare Act. Deadline for registration to receive benefits under the doctrine of the Medicare plan is March 31.

Bailey announced the commission's executive board will meet at 1 p.m. Saturday in the county courthouse to interview and screen applicants for the position as director of the county's overall anti-poverty program. Three qualified candidates have been recommended by the personnel committee for final interviews, he added.

## Navy Re-Enlistment Program is Outlined

Many ex-Navy men can now re-enlist and be guaranteed the Fleet (Atlantic/Pacific) of their choice, it was announced today by Navy Recruiter Arvel Bauer. The Navy Recruiting Station recently received a list of ratings that can be re-enlisted with this choice. Personnel who have been separated from prior active duty USN or USNR for more than three months and are eligible for re-enlistment in the regular Navy in one of the rates on this list, may be transferred to the appropriate receiving activity on the coast of their choice of the fleet for further assignment. This list contains over 100 different rates.

For further information on this program for re-enlistment, interested persons may contact the U. S. Navy Recruiting Station, 750 Missouri avenue, East St. Louis, or call UP 5-3630.

## MORE ABOUT City Grows

R-1 to R-2 for single-family dwellings. The petition was submitted by Carl Miller, William Hoelscher, chairman of the Plan Commission, reported by letter to the council that the Southwest Illinois Metropolitan Area Plan Commission will be submitting a progress report March 10 on the updating of the city's master growth plan. He asked the city to give consideration to appointment of citizens to participate in the development of the plan.

Interested persons may contact the U. S. Navy Recruiting Station, 750 Missouri avenue, East St. Louis, or call UP 5-3630.

## Nameoki Board Hears Complaints From State Park

Nameoki Township Supervisor Harry Briggs told a delegation of State Park residents Monday night that a petition which complained of inadequate police protection in their area had been referred to Chief Circuit Judge Harold R. Clark for further action. The petition, signed by more than 200 persons, was presented at last week's board of supervisors meeting in Edwardsville.

About 25 State Park residents attended Nameoki township's board of auditors semi-monthly session held Monday in the town hall, 4250 Highway 162, Stallings. All voiced dissatisfaction with the present policies of Sheriff Barney Fraundorf.

In the petition, the complainants said the sheriff had refused to cooperate with appointed constables, released defendants who were arrested by special deputies and refused to investigate cases. In reply, Sheriff Fraundorf said the complaint was based on politics and some of the complaining tavern owner operators had been cited for violations.

Earlier this week, the sheriff's office announced the start of an experimental one-man patrol car program aimed at improving police protection for unincorporated areas of the county. Authorization also was given to hire three more deputies, increasing the county police staff to 15 men, Fraundorf said.

In other action, Supervisor Briggs reported that negotiations with representatives of the Tri-City Regional Port Authority had not yet been arranged. A joint meeting was proposed by the board of auditors earlier this month to discuss whether sewer systems to be built in the new 200-acre industrial park area north of Granite City may be engineered to include connections with township lines.

Briggs also said no further word had been received from the Urban Development Agency to a report submitted by township officials seeking to determine the amount of federal aid which may be available for proposed construction of Sewers in State Park Place.

The supervisor announced that a complaint will be forwarded to the Illinois State Sanitary Water Board concerning discoloration of Hershee Lake. He added that Township Atty. Nick Vasiloff is preparing a formal protest to the state agency.

**McMahan Appointed to Industrial Committee**  
Wallace W. McMahan, product application manager, Granite City Steel Co., has been named to the advertising sub-committee of the St. Louis Regional Industrial Development Corp., it was announced this week.

The advertising and public relations committee will launch its work at a Tuesday meeting at the University Club in St. Louis. It is designed to develop a major campaign to publicize the eight-county metropolitan region on both sides of the Mississippi River as a prime location for industry.

## GC School Board Candidate Forum to be Held March 31

A public forum to which Granite City school board candidates will be invited is to be held at 7:30 p.m. Thursday, March 31, in the Central junior high school auditorium.

The announcement was made Tuesday following a meeting between representatives of the three sponsoring organizations, the Granite City Area Council of Parent-Teacher Associations, the

Quad-City Ministerial Association and the Tri-Cities Chamber of Commerce.

Attorney Randall Robertson has agreed to serve as moderator, as he did for the Chamber of Commerce forum for Granite City mayor candidates last spring, also held at Central school.

Announcement of the plans was made by President Carl Mathias

and Education Committee Chairman Robert Edmonds of the Chamber of Commerce; Mrs. Lucille Caban, president of the Area PTA Council; and Rev. R. Paul

president, and Rev. Alfred Bule, the association's delegate to the Chamber Education Committee. The same formula as that used for the mayor candidate forum is

to be followed. Several questions will be provided in advance, each candidate receiving identical questions and the same number of days to study them.

The public program will consist of the candidate's replies to the questions. Refreshments will follow, and there will be no direct campaigning at the meeting or social hour.

Purpose is to further introduce

the candidates to the public and enable them to voice their ideas on school matters to a cross-section of voters.

The sponsoring groups are to join in publicizing the public meeting, and individual PTA units will encourage their members to attend.

In the past, board candidates usually appeared at the various PTA meetings. However, the large number of meetings to attend and the fact that units had other business to transact generally did not permit enough time

## 3 Speech Students to Compete in Sectionals

Three Granite City high school students will compete in the sectional speech contest Saturday at Staunton, having advanced from the district contest recently at Mascoutah.

They are Jack Farrow in humorous reading, who won a first place in the district; Debbie Berger, verse reading, also a district first; and Erik Wiehardt, extemporaneous speaking, a district third.

Others who competed at Mascoutah were Phil Spiceland, fourth in after dinner speaking; Linda Sabo, fifth in serious reading; and Laine Tadlock, fifth in original monologue.

The debate team will compete in the sectional meet the following Saturday at Staunton.

First and second place winners in the speech tourney will advance to the state contest April 12 at Bloomington. Richard King is the coach.

## NMSQ Tests to be Held Tuesday For GCHS Juniors

The National Merit Scholarship Qualifying Test will be held at 9 a.m. Tuesday at Granite City high school for juniors who expect to enter college in 1967.

The 2½-hour test is the first step in the 12th annual competition for four-year merit scholarships. The highest-scoring students in each state will be named semi-finalists and will receive further consideration in the merit program.

More than 260 businesses, foundations, colleges, associations, unions and other organizations also use the test as a basis for awarding other scholarships.

Besides receiving his score, each participating student will receive a handbook to help him understand his educational strengths and weaknesses, evaluate his score and compare his performance with that of other high school students across the country.

A fee of \$10 is forwarded to Science Research Associates, the testing agency. Finalists who win merit scholarships will be selected on the basis of school records and recommendations, test scores, extra-curricular activities, leadership ability and accomplishments outside the classroom. More than 2000 merit scholarships were awarded last year.

**VENICE HIGH SCHOOL CHORUS No. 1**, which performed recently at Scott Air Force Base. In the group are, left to right, front row—Kay Willis, Barbara Manier, Miss Alice Purdes, director, Don Spiller, Francis Barritt, Donna Dollard, Linda Seibert, Linda Presswood and Mary Mulnik; second row—Diana Lopez, Ernestine Marchbanks, Ruth Welch, Ella Graham, Wallace Manier, Larry Puente, Gary Wallen, Margie McGarrahan, Jean Svezia and Kathy Daniels; third row—Karen Devany, Mary Foster, Ernestine Foster, Larry Gardner, Gary Woods, Marvin Nash, Susan Stern, Judy Reidelberger and Janice Hayden; and back row—Brenda Long, Sharon Maurer, Joan Pickens, Ronnie Pier, Ernest Wiedower, Richard Foley, Glen Boushard, Paul Callender, Pat Sitton, Julia Meehan and Linda Davinroy.

## Pledges Fraternity

Barbara Louis, daughter of Mr. and Mrs. James C. Louis, 2355 Pontoon road, has pledged Alpha Phi fraternity at the University of Illinois. The fraternity, has adopted cardiac aid as its national philanthropy.

Books and related materials in Southern Illinois University's three libraries are valued at \$3,387,636.29.

## Caprice

Now you know one of the nicest things this luxury car has going for it.

Caprice Custom Coupe with Body by Fisher

## ELEGANCE THE CHEVROLET WAY

Eight features now standard for your added safety: Seat belts front and rear • Padded instrument panel • Padded sun visors • Outside mirror (use it always before passing) • Shatter-resistant inside mirror • Two-speed electric wipers for better visibility in a downpour • Windshield washers • Back-up lights.

And all this you can add certainly does it no harm: Strato-bucket front seats or a full-width seat with a folding center armrest.

An AM-FM Multiplex Stereo radio with everything on the dial from Figaro! Figaro! Figaro! to Yeah! Yeah! Yeah! in true stereo.

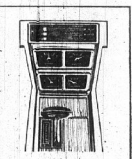

A steering wheel that tilts up and down, telescopes in and out. Comforton automatic heating and air conditioning. Set the thermostat for "Bermuda" the year round.

You can cover the coupe's special roof (it's different from any other car's) with black or beige vinyl to give it that convertible look.

A smooth 396-cu.-in. Turbo-Jet V8 is offered with any new Caprice—the Custom Coupe, Sedan or either of the two Custom Wagons.

The Custom Coupe's also available with this center console housing special instrumentation and topped with the rich look of wood.

## GCHS, Nameoki Bands to Play Concert Tonight

The Granite City high school band will present a winter concert at 8 p.m. today in the school auditorium, with guest selections to be played by the Nameoki division elementary bands, conducted by Joseph Owens.

The elementary band will play "Concorde" by E. B. Cannan, "The Miniature Bach Suite" by J. S. Bach and arranged by Lloyd Conley, and "Tangoon" by John Kinyon.

The high school band, under the direction of Louis E. Meek, will play "U. S. Field Artillery March" by John Philip Sousa, the first movement from the Symphony in B Minor, No. 8 by Franz Schubert, "Dublin Holiday Overture" by Forrest L. Buchtel, "The Phantom Regiment" by Leroy Anderson, "Tiberius Romantic Overture" by Herbert L. Clarke, "Dunlap Commandery" by R. B. Hall, and "I'll See You Again" by Noel Coward.

A snare drum trio composed of Douglas Couch, Chuck Eads and Douglas Winter will play "Haskell's Rascals" by Paul Yoder.

## 4 Quad-City Youths Enlist in U. S. Army

Four Quad-City youths enlisted in the Army recently and now are undergoing basic training at Fort Leonard Wood, Mo.

They are Randall L. Fields, son of Mr. and Mrs. Lloyd L. Fields, 3040 Denver street; Dennis R. Whitson, son of Mr. and Mrs. William Whitson, 2530 Logan street; Rolfe H. Norton Jr., son of Mr. and Mrs. Rolfe Norton, 2100 Grand avenue; and Richard Podnar, son of Mr. and Mrs. Anthony Podnar, 1232 Grand avenue, Madison, Fields, Whitson and Podnar are graduates of Granite City high school. Fields and Whitson enlisted for airborne training and Podnar enlisted for automotive mechanics school. All three were to be inducted but chose to enlist on the buddy plan for their choice of training.

Norton enlisted for supply clerk school. The advanced training schools were guaranteed them prior to enlistment at the local Army recruiting station, 1340 Niedringhaus avenue.

## VGS 8th Graders Plan MJHS Choral Program

Members of the eighth grade class at the Venice elementary school will present a choral program at 1:30 p.m. Tuesday for students at Madison junior high school. Miss Alice Purdes, director, announced this week. The group is composed of 45 students.

Soloists will include Jamie Sitton with "I'm a Little Devil," Barbara Hackney, "I Enjoy Being a Girl," and Darling Wallace, "As Long as He Needs Me."

Special selections also will be presented by an eighth grade boys' quartet composed of Charles Yearman, Billy Young, Harry Long and Edward Denny, and a fourth grade boys' quartet. Piano accompanists will be Linda Davinroy and Debbie Fichte.

## JUNIOR ACHIEVEMENT QUEEN OF 1966, Sharon Koch of the Granite City J.A. center, is receiving congratulations from W. Ashley Gray Jr. (left), president of General Steel Industries Inc., and Richard B. Wickman, GSI J.A. coordinating advisor. The new queen is a member of General Products, an achiever firm counseled by GSI.

Southern Illinois University owns 94,656 acres of land valued at more than \$6 million.

## Federal Aid on Arts To be Topic at U. of I.

Ways in which the state's colleges and universities can help school and community arts programs in the light of new federal support will be explored at a special conference March 3-4 at the University of Illinois, Urbana.

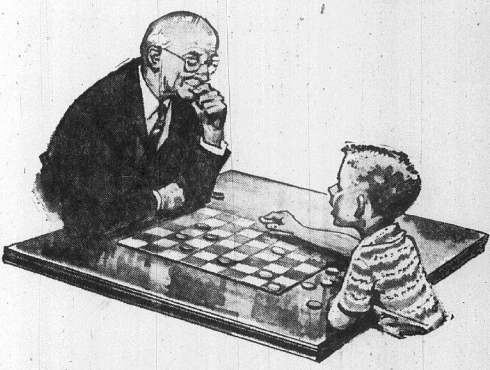

Two speakers will arrive from Washington, D. C., to consult with the colleges' representatives. They are Miss Katherine Bloom, director for the arts and

humanities, U. S. Office of Education, and Charles C. Mark, director of state and community operations, National Foundation on the Arts. They will speak on opportunities under Public Laws 85-10 and 89-209.

Former Metropolitan Opera star Marjorie Lawrence is director of Southern Illinois University's opera workshop.

## Red Tape Cut at SIU On Radioactive Materials

Red tape for handling radioactive materials and devices has been cut at Southern Illinois University, Carbondale.

Received by the SIU Board of Trustees from the Atomic Energy Commission is a broad license to Southern's radiological

control committee that eliminates individual licensing of persons using these materials and equipment in research and teaching, or who plan to use them. These people now can go direct to the committee for action on matters of licensing, safety operations, and purchases.

## Journal Being Edited At SIU-SW Campus

The professional journal, Studies in Philosophy and Education, is now being edited at Southern Illinois University's Southwestern Campus.

The current issue is the first to originate from SIU-SW. Founded in 1961, the quarterly is edited by Francis T. Villerman, professor in the university's education division.

FARMS—CALL BERGFIELD GL 1-7540

## SIU-SW Band Concert Set for Friday Night

The Symphonic Band at Southern Illinois University's Southwestern Campus will give its winter concert Friday at 8:15 p.m. in the university's gymnasium in Alton.

Under the direction of C. Dale Fjerstad, assistant professor in the fine arts division, the 60-piece band will include in its program two numbers by contemporary composers: "Jubilant," an overture by Robert Ward, and "Emblems" by Aaron Copland.

Other numbers on the winter concert program are Moussorgsky's "The Great Gate of Kiev" from Pictures at an Exhibition, transcribed for band by Erik Leizner; Walter Bedler's arrangement of Peter Warlock's "Capriccio Suite"; "Overture for Band" by Mendelssohn, and "Water Music Suite" by Handel.

The concert will be open to the public without charge.

—GO TO CHURCH SUNDAY—

## Arts for Students, Women at U. of I.

"Adventures in the Arts—a Program for Women" is the title of a non-credit program to be offered June 19-25 and June 26-July 2 at Allerton House, University of Illinois conference center, according to Dean Stanley C. Robinson, U. of I. division of university extension.

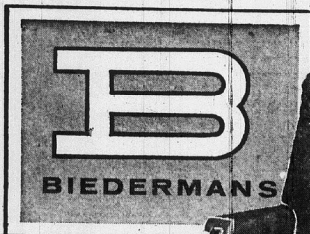

Also announced were dates for three one-week art schools for gifted high school juniors and

## Pledges Sorority

Sherrie Born, daughter of Mr. and Mrs. Warner Born, 3218 Colgate place, has begun her pledge period for membership in Alpha Chi Omega, national social sorority at William Woods College, Fulton, Mo., where she is a sophomore majoring in elementary education. She is a graduate of Granite City high school.

## 109 Candy Strippers, 90 Others Honored

### Committee Members For 'Pinafore' Named

Committees will help stage the presentation of "H. M. S. Penafore" by the vocal music department of Granite City high school at 8 p.m. March 10 and 11, and the names were announced by Warren G. Simpkins, director. Reserve seats are now on sale.

Serving on the make-up committee are Karen Cochran, Phyllis Bell, Donna Burns, Chris Czarski, Gail Hamilton, Marlon Clark and Gail Loper; publicity and tickets, Judy Strain, Linda Young, Cheryl Jensen, Pat Patrick, Pam Libby, Donna Burns, Cindy Higgins, Linda Deem, Donna Johnson and Mary Morrison.

Radio shop-P. A. system, David Clark, Don Morris and Alan Johnson; property crew, Brenda Dawes, Linda Ebling and Gail Loper; programs, Linda Young, Sandy DuFrain, Cheryl Jensen, Sharon Waggoner, Lois Bean and Cindy Higgins; and electric shop, Jim Stephens and Steve Clark.

One hundred and nine Candy Strippers, youthful volunteer assistants at St. Elizabeth Hospital, were honored recently, along with adult and junior volunteers, at a tea sponsored by the hospital auxiliary. Of this number 53 were honored with special awards for having worked 100 hours or more and 44 were honored with 50 or more hours or more.

No awards were made to 22 youngsters who have worked 50 hours or less. The auxiliary also made special awards to adult volunteers on the basis of hours worked, to junior volunteers on the same basis. A total of 53 adults were honored, with 23 receiving bars for a varying number of hours worked; 10 receiving bars and pins in the 100-hour class and five receiving awards for 50 or more hours worked. Eleven more were honored but did not receive awards. They were in the less than 50 hour class.

In the junior volunteer group, 37 were honored for a varying number of hours worked, with

24 of these receiving bars, stars and caps, or variations of these, for working 200 or more hours.

Awards were made to Candy Strippers in two divisions—for working 100 or more hours, or 50 or more hours. The awards, as in the junior division, consisted of stars, bars and pins, or various combinations. Those honored and receiving awards for 100 or more hours included:

**For 100 Hours**

Donna Flack, Nina Darikjian, Carolyn Dowdy, Martha Edmonds, Catherine Hahn, Barbara Munk, Mary Munk, Elizabeth McDonald, Carol McGuire, Anna Rehagen, Jamie Todd, Karen Bondegard, Larry Ashby, Carol Cravens, Diane Dauvillat, Brenda Fox, Cindy Higgins.

Pansy Hubble, Sandra Jackson, Kathy Jones, Karen Kelly, Geraldyn Lapinski, Sandra Laid, Susan Mance, Julia Merino, Joann Pfeiffer, Sue Prewett, Carol Reynolds, Donna Rhoads, Carol Robertson, Carol Sniolar, David Welton, Betty Witternzel, Martin Martinko, Gerry Kunkel, Carol Kula, Dolores Kula, Roberta Marcus, Diane Shackelford, Mary Hayes, Cletus McDaniel and William Pisel.

Those receiving bars and pins, or variations of the two, included: Sharon Bartoski, Pamela Bird, Linda Cobb, Delilah Dorrie, Linda Edgington, Nancy Edwards, Carol Flack, Elizabeth Gallas, Gregory Gallas, Susan Gray, Virginia Grimes, Paula Gushel, Jeanne Harmon, Ricky Hunt, Donna Hutching, Donna Kelehan, Brenda Kinworthy, Dianne Koenig, Cheryl Landis, Mona Merchant, Mary Catherine Moore, Shirley Moseley, Linda Nelson, Kathy Pace, Susan Sabino, Donald Shermwell.

Phyllis Spiloff, Kaye Stovall, Sandra Sullivan, Sue Taylor, Gussie Tas, Gregory Wasylyak, Roberta Wildard, Betty Williams.

Kathy Willis, Martha Wright, Kelly Yetter, Mary Ann Brooks, Janice Piechowski, Mary Skinner and Patricia Wood.

**Candy Strippers Honored**

Candy Strippers with 50 hours or less who were honored at the affair, but did not receive awards, are:

Susan Awalt, Judith Benko, Edythe Bush, Sandra Crafton, Chris Cynarski, Sandra Dubois, Chris Dufer, Nancy Forcade, Donna Gardner, Katherine Hobda, Connie Ingram, Cindy Ketter, Phyllis Kenison, Carolyn Owens, Nancy Prusak, Sharon Reeder, Sheila Shemwell, Sarah Smith, Sheila Tankley, Claudia Tonsor, Phyllis Wallace and Judy Wray.

In the Junior Volunteer group, the following awards were made:

Scott Worley, top award for more than 700 hours; Angela Brown, 600 hours; Bonnie Kellner, Mary Ellen Sheriff and Ruth Daniels, 500 hours; Kathy Sanders, Carolyn Votaw, Cheryl Jensen, Fran Tilton and Marie Grese, 400 hours; Annette Gasparovic, 300 hours.

For 200 hours: Debbie Cole, Brenda Dawes, Susan Friedrick, Joyce Wyatt, Mary Zikovich, Thomas Harris, Roger Mathews, Susan Dwyer, Mary Lou Mills, Yvonne Romanic, Carolyn Brimm, Clara Evangelou, Mary Krauskopf, Kathy Nemeth, Judy Trophits for service were awarded to Sweethearts Janice Vizeer, Marilyn Gloski, Sara Wilkison and Colleen Robertson by the reigning Sweetheart, Kathy Holmes.

Also honored were those who assisted with the club musical in January. After the dinner, a local rock-and-roll band, the Dimensions, provided music for dancers. Twenty-five members, past members and their dates attended.

**MARY P. LEWIS**  
**Mary Lewis Crowned**  
**EIU Mardi Gras Queen**

Miss Mary P. Lewis, 19, daughter of Mr. and Mrs. Albert S. Lewis, 128 Briarwood lane, was crowned as Queen of the Mardi Gras Monday night at Eastern Illinois University, Charleston.

She reigned over Mardi Gras festivities on Tuesday, the day before Ash Wednesday and the beginning of Lent.

Miss Lewis, a sophomore, is majoring in special education. She is a 1964 graduate of Granite City high school.

### Income Tax Deduction Chart For Automobile Expenses

Description:	FEDERAL INCOME TAX	STATE INCOME TAX
	Business	Non-Business
	Yes	No
Federal Gasoline Tax, 4¢ a gallon	Yes	Yes
Deductible as business expense as part of the cost of gasoline, not as a tax.		
State Gasoline Tax	Yes	Yes
Federal Tax on Tires and Tubes	Yes	No
City Gasoline Tax (varies)	Yes	Yes
If the tax is separately stated and passed on to the consumer.		
State Sales Tax	Yes	Yes
State Auto License	Yes	No
Property Tax	Yes	Yes
City Auto License	Yes	Yes
State Driver's License	Yes	No
Operating Expenses, cost of gas, oil, repair, insurance, etc.	Yes	No
Loss on Sale of Car	Yes	No
Not deductible on exchange for another car but basis of new car is adjusted.		
Interest on Loan	Yes	Yes
When actual interest paid during the year is not specified, the interest deduction is allowable to 6% of the average unpaid balance, not to exceed the portion of the total carrying charges attributable to the taxable year.		
Loss by Casualty	Yes	No
Losses sustained where a motorist paid damages on automobiles otherwise, are deductible to the extent that each casualty or loss exceeds \$100. The loss must be deducted in the year in which it is sustained. A loss by casualty is one caused by sudden natural physical forces or by an accident not caused by one's own willful negligence.		
Loss by Liability Damage	Yes	No
Losses sustained where a motorist paid damages on automobiles to property of another, the amount is deductible only where it is for business and the loss was not compensated by insurance.		
Depreciation	Yes	No
There are several methods of computing depreciation on automobiles greater deductions in the first year of use in the early years of the life of the automobile. For more specific information, refer to the Internal Revenue Service or to some other competent tax consultant. The above federal income tax information obtained from district office, later J Revenue Service.

### 50 Attend Roca Club's 3rd Sweetheart Banquet

Fifty persons attended the Roca Young Men's club third annual Sweetheart banquet held at a St. Louis restaurant recently.

Trophies for service were awarded to Sweethearts Janice Vizeer, Marilyn Gloski, Sara Wilkison and Colleen Robertson by the reigning Sweetheart, Kathy Holmes.

Also honored were those who assisted with the club musical in January. After the dinner, a local rock-and-roll band, the Dimensions, provided music for dancers. Twenty-five members, past members and their dates attended.

**List Adult Awards**

Reading the list of awards in the adult group was a 250-hour bar presented to Peyton E. House. Other awards to adults included:

Freda Leaton, 1900 hour bar; Irene Bergfield, 1600 hour bar; Irene Argelan, 1600 hour bar; Ruby Whitson, 1100 hour bar; Ronella Kinney, Lorraine Theabau and Grace Henrich, 1000 hour bar; Cecilia Loynt, 800 hour bar; Irene Krotz, 700 hour bar and 500 hour pin; Bertha Becherer and Marion Poeser, 600 hour bar; Rinda Brown, Kathryn McGee, Catherine Parker, Adelle McKee and Barbara Burgenner, 500 hour bar; Bernice Allmon, Betty Ferguson, Catherine Pisel, 400 hour bar; Ruth Isam and Marie Zimmer, 300 hour bar; Lillie Nonn, Frances Tosello.

### NASA Demonstration Set

## Ochoa Elected President Of VHS Student Council

By JUDY REIDELBERGER

James Ochoa was elected president of the Student Council at Venice high school, it was announced this week.

Others elected were Joan Pickens, vice-president, and Donna Dollar, secretary. A total of 1200 ballots was cast for candidates who ran for various offices.

**Space-Science Demonstration**

A lecture - demonstration on space science will be presented at the school next Thursday.

A space science educator representing the National Aeronautics and Space Administration, not designated in the official communication but who is formed in space sciences and NASA activities, will bring a spacemobile to the school.

It is a specially designed vehicle carrying equipment and materials utilized in space science. Besides a discussion of the history of rocketry, propulsion and special problems relative to space research and exploration, five basic questions will be answered:

What is a satellite?  
How does it get into orbit?  
What keeps it in orbit?  
What good is it and what does it do?  
What are the present activities of NASA, the results of

These programs and plans for the future?

The lecturer demonstrates basic scientific principles by using visual aids and experiments. There also will be authentic scale models of rockets and space craft. The program is sponsored by the Student Council.

**Bookkeeping Class Tour**

The bookkeeping class, with Instructor James A. Gregg, will visit the Federal Reserve Bank in St. Louis tomorrow.

Mrs. Betty Haug, typing teacher, accompanied the shorthand II and office practice classes on a visit to Granite City Steel Co. last week.

**Four DeMolays Attend State Meet at Alton**

David Cook, master counselor of the Granite City chapter of the DeMolay, with James Naeve, Gerald Gray and Tim Nossel attended the southern jurisdictional meeting of Illinois DeMolay in Alton Sunday.

They were accompanied by William Nossel, senior DeMolay, and Dr. Amos Rose and Charles Meyer, chapter "Dads."

Coolidge, jurisdictional master counselor, presided. New officers elected who will begin terms April 1 were Stan Meister of Alton, jurisdictional master counselor; Henry McMeene of Carbondale, jurisdictional senior counselor; and Larry Hicks of Mt. Vernon, jurisdictional junior counselor.

It was reported that a new DeMolay chapter has been instituted in Chester. A jurisdictional tour is to be held in Carbondale in June. The Granite City chapter announced plans for an invitational bowling tournament to be held here in April.

Among returns to the contest is the Graham youth, who last year captured first place honors in zone and district competition and later competed at the International Optimist's convention in New Orleans, La. A previous local winner, Robert Butler Jr., took runner-up prizes at the international level in 1961.

To qualify contestants, youths must be under 16 years of age. Although open to any boy, most of those participating are recommended by speech instructors at their schools. Winners at the local level are eligible to continue competition at zone and district events.

Earl Lee, administrative assistant to the Granite City supervisor of schools, is acting as contest chairman, with Marvin Dean, also of the local school system, as co-chairman. Both are members of the Granite City Optimist Club.

## We've got a 5-year or 50,000-mile warranty. Everything's big but our prices.

**CHRYSLER'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY WITH THIS COVERAGE:**  
Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation head and internal parts, intake manifold, water pump, transmission, gas and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and carburetor of its 1966 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

## Opti-Mrs. Elect Officers; Mrs. Michel is President

Officers for 1966 were elected Monday at a meeting of the Noonday Opti-Mrs. Club held at the Rose Bowl.

They are Mrs. Anthony Michel, president; Mrs. Russell D. Johnson, vice-president; Mrs. Herman Mueller, secretary; and Mrs. Victor Anderson, treasurer.

The board of governors will consist of Mrs. Charles Thibault, Mrs. Maurice Bailey and Mrs. Leo Roman, retiring president.

The state was presented by Mrs. John Kirchoff of the nominating committee.

Luncheon preceded the meeting with Mrs. Johnson, Mrs. Mueller, Mrs. Merl Jennings, Mrs. Kirchoff and Mrs. Harry Odum serving on the hospitality committee. The tables were decorated in a tri-color theme in honor of George Washington's birthday. Red,

### HOME MAKERS TO HOLD MEETINGS

Isabel Beaver Unit of the Home-makers Extension Service will meet at 7:30 p.m. today in the home of Mrs. Edith Ross, 11 Terrace lane.

Mrs. Emerald Dawes, county second vice-chairman of Home-makers Extension, will preside at a meeting Feb. 25 to discuss plans for the annual "new member" tea March 28. Mrs. Dawes and her committee of nine will meet in the Home Advisers office at 1:30 p.m.

Mrs. Clarence Beck of Pocatowas will assist the Home Advisers in teaching the second Medical Self-help class at Kirkpatrick Homes Feb. 28 at 10 a.m. The members will discuss fractures, sprains, burns, shock, cancer symptoms and prevention and first aid kits. These sessions are sponsored jointly by the Madison County Home-makers and Madison County Department of Public Aid.

The best cure for worry is doing something—preferably for someone worse off than you.

### Lake School PTA Plans Supper

Lake school PTA met Monday evening at the school with approximately 50 persons present. Plans for a chili supper at 5:30 p.m. March 28 were presented by Mrs. Lucille Caban.

Mrs. Betty Ouborn opened the meeting and after the pledge to the flag and reports of the secretary and treasurer, the group was entertained with selections by Sterling Schoen, band director, and several children from Lake and other schools.

Arthur Menendez, principal, honored the past presidents. They are Mrs. Caban and Mrs. Elizabeth Stevens and Mrs. Virginia Obeir, a past president of the former Liberty school PTA. All were presented with corsages. Another past president of Lake school, Mrs. Udel Bischoff, was unable to attend the meeting.

Refreshments were served by members of the board. The next meeting is to be held April 18.

### Dr. Koch Speaks On Hypnosis

The Granite City Welcome Wagon Club met Tuesday evening at the Granite City Trust & Savings Bank, and the guest speaker was Dr. Felicia Koch, who discussed hypnosis.

Dr. Koch also gave the group information on local action taken to further the proposed SIU-SW Campus Medical center. Three newcomers to the area Mrs. Rita Gerardine, Mrs. Eula Exing and Mrs. Mildred Whyers, were introduced by the club president, Mrs. Myrtle Hackney, who presided over the meeting.

Also introduced was Mrs. Thelma Frey of the International Welcome Wagon with headquarters in Union City, Tenn., and Mrs. Freda Krause, the new Welcome Wagon hostess for the Granite City area.

### Sweet Sixteen Birthday Party

Miss Barbara Williams, daughter of Mr. and Mrs. James I. Williams Jr., 129 Riviera drive, was given a "sweet 16" party Tuesday evening by her parents to celebrate her birthday.

A buffet dinner was served to Carol Wolfe, Janice Wieser, Mollie Van Buskirk, Karen Thomas, Kathy Schmidt, Sharon Roulund, Robyn Robertson, Linda Rains, Nancy Prusak, Jane Kerch, Beth Gabriel, Jeanie Graklanoff, Dotie DeWitt, Wendy Decatur, June and Glenn Williams and the honoree.

Games provided entertainment with prizes going to Joe Graklanoff, Mollie Van Buskirk, Karen Thomas, Beth Gabriel and Janice Wieser.

QUEEN OF HEARTS crowned at the annual ball given recently by the Moose Lodge. Left to right, seated, Mrs. Agnes Roderick, first maid; Mrs. Virginia Knipping, queen; and Mrs. Frances Knipping, second maid. Standing are the escorts, Oliver Roderick, Laurence Knipping and Donald Aldridge.

### Past Chiefs Elect Officers

The Past Chief's Association of Pythian Sisters met Monday with Mrs. Leola Arbogast, 2663 Lincoln avenue, and elected the following officers for 1966:

Mrs. Olivia Lehman, president; Mrs. Ella McKittick, vice-president; Mrs. Nell Hutchison, secretary; and Mrs. Arbogast, treasurer. Mrs. Martha Montague is the retiring president.

The group gathered for a noon luncheon with the business session and games following.

Decorations of red, white and blue were used on the luncheon table at which the members and four guests were seated. The guests were Mrs. Linda Schlingman of Glen Carbon, Mrs. Eva Arbogast, Mrs. Patty Walker and Dawn Walker.

### UPW Elects New Secretary

A meeting of the United Presbyterian Women's Association of First United Presbyterian Church, 2222 street and Delmar avenue, was held Tuesday evening.

Mrs. W. W. Bowers gave the Year Book of Prayer, and a short business session was conducted by Mrs. David John, president. Mrs. George Holtzner was elected secretary to fill the unexpired term of Mrs. Walter Coolidge, recently deceased, and the association members were reminded of the Presbyterian meeting to be held in Altus, March 30.

After discussing business the women spent the remainder of the evening rolling bandages, stuffing toys and with other work. Thirty-three were present.

—TRY A CLASSIFIED AD—

ENGAGED, Miss Nancy Sue Williams, whose parents, Mr. and Mrs. James I. Williams Jr., 129 Riviera drive, are announcing her engagement to Ronald K. Brink, a son of Mr. and Mrs. Nicholas R. Brink, 18 Miami court.

Granite City PRESS-RECORD  
Thurs., Feb. 24, 1966 Page 31

### Brink-Williams Engagement

Mr. and Mrs. James I. Williams Jr., 129 Riviera drive, are announcing the engagement of their daughter, Miss Nancy Sue Williams, to Ronald K. Brink, a son of Mr. and Mrs. Nicholas R. Brink, 18 Miami court. A July wedding is being planned.

Miss Williams is a graduate of Granite City high school and is now attending Eastern Illinois University where she will be a senior art education major.

Mr. Brink graduated from the University of Illinois and has recently received his Masters Degree in Business Administration from the University of California, Berkeley.

### Jordan-Svezia Wedding Planned

Announcement is made of the engagement of Miss Marylee Svezia, a daughter of Stanley Svezia, 1709 Fifth street, Madison, and the late Mrs. Leona Svezia, to W. Carl Jordan, a son of Mrs. Edith Jordan, 2105 Monroe street, and the late George M. Jordan.

Miss Svezia was graduated from the Madison high school and is presently employed as a secretary at the Granite City Army Depot. Her fiancé attended the Granite City schools and was graduated in 1961 from the high school. He is an employee of Southwest Bell Tel. Co.

A late fall wedding is planned.

### Party Held by Chapter KU, PEO

Chapter KU, a recently organized chapter of P.E.O., entertained their husbands, the "Bills", at a Valentine party Monday evening in the home of former Mayor and Mrs. Leonard Davis, 3728 Fair Oaks drive.

A pre-prepared buffet dinner was served from a table decorated with the letters of the chapter, crystal candelabra holding white candles and Marguerite daisies as a centerpiece. Favors for women were made of red and white nylon net.

After the meal slides of the chapter's organization meeting were shown to the men while the chapter held a business meeting. Afterward the entire group played Monte Carlo whist, and prizes were awarded to Glenn Rice, Mrs. R. E. Sackett, Dale Rea and Mrs. Finley Maxwell.

Serving on the hospitality committee with Mrs. Davis were Mrs. R. C. Hulse, Mrs. Maxwell and Mrs. Wayne Carlisle. Twenty were present.

### 70 at Golden Agers Meeting

Seventy members of the Kirkpatrick Homes Golden Age Club and their guests were present for a covered dish luncheon Tuesday in the recreation hall.

Among the guests were Rev. Gerald R. McCaughy, assistant pastor at St. Margaret Mary Catholic Church, Mrs. J. A. Tatum, Mrs. Caroline Lux, Mrs. Dorothy Frey, Mrs. Sophia Mueller, Mr. and Mrs. Walter Schwertman, Mrs. Agnes Roderick, Mrs. Mary Horvath, Mr. and Mrs. William Eichsacker, Mrs. Grace Felchin of St. Louis and David Morgan, executive director of the housing project.

The group sang the birthday song in honor of Mrs. Horvath and Cleve Curtright, both of whom were celebrating anniversaries. Curtright is a former city street superintendent.

The club is planning a bake sale for Saturday, March 4, at 9 a.m. at the A&P Stores, and a business meeting for March 8 at 2 p.m.

## Man is Beaten, Run Over as Car Is Stolen by Pair

Two men who waited for him in the parking lot of a Madison tavern beat and seriously injured Wayne T. Royer, 27, who gave his address as 2124 Lincoln avenue, about 2:50 a.m. Tuesday, then took his car keys and fled in his two-door, 1984 model car.

Royer was taken by Madison police to St. Elizabeth Hospital where he was treated for head lacerations and severe cuts and abrasions to his right hand and forearm.

Royer told police that his assailants ran over his right hand and forearm with his car as they fled from the parking lot at Ralph & Charles tavern, 1431 Fourth street.

The car, with three tires missing, was found later Tuesday near a dump on Route 3 close to the intersection of Route 40. Police said Royer was unable to give a description of the two men, except to say that one of them was blond.

## Nameoki Sewer System Bond Issues to be Retired in 12-to-15 Years

The 1958 to 1994 revenue bond built up for inverse redemption with \$24,638 in the account, at present.

Council members conducted a wide variety of business during a 3½-hour session, including authorization for payment to David J. Johnston & Associates for engineering work on the Nameoki road improvement project.

Payments approved on recommendation by Assistant City Atty. Leo Konzen totaled \$7284. The city is making application with the state for \$572 for motor fuel tax funds for the engineering. Included also is engineering work for the West Pontoon road improvement in connection with the Nameoki road work.

Under the Street committee report, the council authorized relocation of sewer lines.

### For Nights and Weekends

## Stairway Gates Planned To Close off City Hall

Folding gates for stairways at the city hall to close off the second and third floors at nights and over weekends were proposed Monday night by Mayor Partney. He asked the City Hall committee to get cost figures.

In recent weeks the doors to the second floor lobby have been locked at night, requiring persons wanting to visit police headquarters to go to the rear entrance in the alley and enter the building through the police department squad room.

The necessity to close the building is needed, it was pointed out, to prevent vandalism when the telephone switchboard is relocated from the mayor's office to the second floor lobby. With the gates, the two side entrances will permit access to the police station.

In other City Hall committee business, Chairman Bernal's recommendation to lease an Xerox duplicating machine was approved. The cost will be about \$85 a month based on an estimated 2000 copies monthly. Purchase and lease proposals by six firms were taken under consideration.

**The Floors in City Hall**

Approved was a lone bid of \$1393 by Economy Linoleum Co. to install floor tile on the first floor in the police squad room and hallway, the detectives' and the officers' offices, and on the second floor in the inspectors' offices and the clerk-treasurer's office.

Purchase of desks and a chair for the inspectors' office, based on bids from Triangle Typewriting & Supply and Graham's Book Store, was approved as follows: from Triangle Co., a secretary's desk, \$160; from Graham's, and executive desk, \$95, and a secretary's chair, \$35.

Bids for a wet-dry vacuum cleaner to be used at the city hall were received from four firms and were referred to the committee for recommendation. The cost range was \$125 to \$257.

The committee recommended that bids be sought to tuckpoint the civil defense building, 1411 Nineteenth street, the former

## Three GC Juveniles In Chicago Robbery Given Probation

Three Granite City youths who were implicated in an armed robbery early Feb. 10 at River Forest, a suburb of Chicago, were placed on probation Monday during a hearing on Cook county family court.

They were ordered placed under the supervision of James Reidelberger, Madison county's chief juvenile and probation officer, and were returned home.

The youths are William Barton, 16, son of Granite City township tax assessor and Mrs. James Barton, 3504 Wabash; Michael Struckman, 15, son of Lawrence Struckman, 8001 Forest ave.; and Louis Bauer, 15, step-son of Harry E. Helton, 2408 Sunbury avenue.

The youths were severely reprimanded by family court Judge Dahl, especially young Barton who was warned that he could be processed as an adult in lieu of probation reaching his 17th birthday.

The three, along with a hitchhiker who was in Barton's auto, Edwin Rogers, 22, of Rogers, Cal., were charged with armed robbery and unlawful use of dangerous weapons. The three carried automatics, switchblade knives, brass knuckles and a dog chain with a lead weight.

After running out of money and gasoline enroute to Chicago, they obtained \$48 from a service station operator. They then tried to crash a road block but struck a River Forest patrol car, injuring the police officer in the process. Rogers is awaiting grand jury action.

Patients admitted Tuesday were: Watson Dowdy, 410 Kirkpatrick; Genevieve Mary Kavula, 1532 Clark; Maude Morgan, 2411 Illinois; Joseph Pinkston, E. St. Louis; Wayne Poole, Olivehurst, Calif.; James Tippler, R.R. 1; Marion Weller, 2034 Thirtieth.

Patients admitted Tuesday were: Betty Fuller, 2118 Washington; Bonnie Ruth Dowdy, 2520 W. 2nd; Nancy Wallace, 4027 Braden; Wayne-Rover, 2124 Lincoln; Daniel Carr, 1099 Rhodes; Madison; Mildred Creek, 910 Grand; Madison; Edwin Horn, 55 Green; Madison; Jennie Powell, 2209 Johnson; Ray Jones, 2016 Madison; Martin Connor, 2013 Illinois; Sharon Hoshir, 2902 Pershing; Michael Meyers, 2834 Emerson; Stephen Rogers, 2106 Collinsville; Madison; Mary Schweitzer, 4257 Highway 162; Mark Shriver, R.R. 1; Eileen Sorson, 3306 Kirkpatrick; James Vincent, 2108 St. Clair; Flare Warfield, 2677 E. 24th; Louise Whitsell, 2311 W. 24th.

Patients discharged Tuesday were: Robert Barkley, 2414 E. 25th; Liane Barnish, Collinsville; Katrina Blake, 2340 Delta; Mildred Bohnenstiel, 2425 Ponton; Bettina Boyd, 2425 Angela; Jesse Browning, 1736 Venice; Urelier Corbett, 207 Garner; Venice; Mary Williams, 211 William; Rebecca Payne, R.R. 1; Louis Westbrook, 2158 Adams; Curtis Krug, 1832 Poplar; Edith Arnold, 2226 Lincoln.

## Dashing new American out-accelerates Corvair, Falcon, Dart at Daytona! Chalks up 24.5 mpg, too!

## And it's still the lowest-priced car made in the U.S.A.!

Our '66 Rambler Americans are full of surprises.

Two of them just knocked off Corvair, Falcon, and Dart, finishing 1, 2 in the Class VI Acceleration Test in the NASCAR-supervised '66 Pure Oil Performance Trials. Proof of more power for safe passing.

How did American do it? With a surprising new Six. The biggest, newest, most powerful standard Six in its class. Yet the same car that won the Acceleration Test, posted a remarkable 24.5 mpg in the Economy

Test. (And that was with automatic transmission!)

The Rambler American 220 two-door (shown below) still carries the lowest price of any U.S. car. And now during his "Big Win Weeks" celebration, your American Motors/Rambler Dealer is giving his Americans lower than ever.

**"Big Win Weeks"**

now on at your American Motors/Rambler Dealer. Win a \$6 car in his free drawing. Enter today!

Americans don't really come with Rally stripes. They just drive that way!

## Pancake Brunch Sunday At YMCA by Jaycees

Granite City Jaycees will hold their annual pancake brunch from 8 a.m. to 1 p.m. Sunday at the YMCA. It was announced today by John M. Krevovich, project chairman. Tickets are available from any Jaycee member or at the door.

Krevovich said that proceeds will be used for community development projects. He issued a special invitation to area churchgoers to attend the event following services.

The local young men's service organization earlier this week announced the weekend of June 17-19 for the annual "homecoming" celebration, and June 25 for the Must Granite City contest.

## YMCA Board to Hold Annual Meet Monday

The annual corporation meeting of the YMCA will be held at 10 a.m. Monday at the "Y" auditorium. A catered luncheon will be served, and the general membership is invited to attend.

The meeting will be conducted by Milton Reinhardt, board president. The agenda includes the annual report, election of officers for 1966 and election of new members to the board.

The meeting will be attended by board members and their wives and by the YMCA staff. A number of community leaders have been asked to attend as guests. Luncheon reservations are requested.

## Two Fined for Theft

Harry Ralston, 22, of Moro, and John C. Nolan, 24, of Jerseyville, were fined \$80 and costs each Monday afternoon in magistrate's court on theft charges filed at 2:55 p.m. Monday. They were accused of purchasing gasoline at Clark's service station, 20th street and Madison avenue, and leaving without paying for it.

## Some Illness-Injury Pay is Non-Taxable

Some payments received by all, or part of the cost of the pension was contributed by his employer.

Document No. 5016, which furnishes more detailed information on this subject, and Form 2440 may be obtained by writing to the District Director, Internal Revenue Service, P. O. Box 1468, Springfield, Ill., 62705.

The taxpayer must attach a statement to his return showing the computation of the amount excluded, the dates of absence and whether or not he was hospitalized. Form 2440 may be used for this purpose.

**Rules Exposed**  
To determine the amount of the sick pay exclusion, first determine whether "sick pay" was over 75% of the regular weekly rate of pay. If over 75% is received, there is a 30-calendar day waiting period. Thereafter, the amount to be excluded is limited to a rate not to exceed \$100 a week or the weekly pay, whichever is the lesser.

If 75% or less of the regular weekly pay is received, the waiting period is seven calendar days unless there is at least one day's hospitalization during the period of absence. During the first 30 calendar days, the exclusion may not exceed \$75 or the weekly pay, whichever is lower. After the 30 days, the exclusion may not exceed a weekly rate of \$100. Amounts received as a disability pension will qualify for the sick pay exclusion if the taxpayer becomes permanently disabled due to sickness or injury before he reaches retirement age; and

## \$65 in Fines Assessed

Roy Wiggins, 46, of 1831 Grand avenue, was fined a total of \$65 on charges of disorderly conduct, profanity and intoxication Monday afternoon in magistrate's court. He was arrested Saturday evening at his home.

## Bonds, Relocation Of Tavern Approved

Surety bonds of \$2000 for two taverns and the relocation of another tavern were approved Monday night by the Granite City council.

The relocation is for Ernest French who was forced to move from the building on the northeast corner of Pontoon and Nameoki roads because of the Nameoki road widening. He is relocating a short distance away at 1509 Pontoon road.

The surety bonds were approved for LeRoy Laws at the 20th and Park tavern, East 20th street and Park avenue, and for Frederic Ybarra at the Washington tavern, 2001 Washington avenue.

Madison County Farm Adviser

### CHANGES IN WEEDS

We can expect weed plants that have not been controlled, or that were formerly minor species, to increase in importance. So we must devise either cultural or chemical control of these species before they become major weed problems. University of Illinois agronomist F. W. Silve advised at the recent annual custom spray operators school at Urbana.

There can be little doubt about the usefulness of our present pre-emergence chemicals and the benefits that we—producers and consumers alike—are deriving from them, continued Silve. Nevertheless, annual morning glory, nutgrass and climbing milkweed seem to be increasing in the state, he added.

Annual morning glory has always been a serious problem in Illinois. Because it was so sensitive to 2, 4-D, it decreased in importance after the introduction of the herbicide. But in the past five years the acreage of soybeans has increased rapidly. Farmers are now growing beans on areas previously considered too weedy for production. Many of the present pre-emergence chemicals used for corn and soybeans do not control annual morning glory. Amiben, used on 10 percent of the Illinois soybean acreage, won't touch this annual pest. Planting infested fields to continuous corn and treating with 2, 4-D has been the only consistently good control for this weed.

Nutgrass, a member of the sedge family, and a perennial reproduces by seeds and underground runners arranged in a chain-like fashion. Each runner can produce a plant. Nutgrass has always been a problem in low, wet areas of cultivated and non-cultivated fields. In recent years this densely growing, highly competitive nutgrass has appeared more frequently and it seems to be spreading much more rapidly than in the past.

Several herbicides seem to control nutgrass. Eptam disked into the infested areas has given good results, but frequently induces dormancy in some of the nuts and the pest may not be completely eliminated. Lortex as a directed post-emergence spray in corn has shown considerable promise. Preliminary research shows that Ramrod may control nutgrass adequately when used as a pre-emergence treatment.

Climbing milkweed, a perennial vine, is common in fence rows and around buildings throughout the state. It appears in cultivated fields, but has not spread very rapidly. In the past five years, however, agronomists have observed more and more patches, indicating that this weed is increasing. No adequate control is available for corn and soybean fields. Pre-emergence chemicals and 2, 4-D used as a post-emergence spray have little effect on it in cornfields.

Perennial smartweed, ground cherry and trumpet vine—all perennial weeds found in cultivated areas—do not appear to be increasing at the present time.

## Six Petty Thefts In GC Monday

A series of six petty thefts, including two in the basement of the Pontiac 24 apartments, were reported to Granite City police Monday.

At Pontiac Plaza, Earl Huch, Apt. 33, reported at 1:30 p.m. that a gasoline lantern valued at \$14 and a large box of soap chips were taken last Thursday.

John Druelinger, Apt. 40, reported at 2:45 p.m. that food from a meat locker was taken, including two roasts, two pounds of hamburger and three packages of liver. In addition, a throw rug was stolen. The freezer was not locked.

An ignition switch was stolen and wiring was torn from a 1962 Buick on a lot at Hamilton Pontiac, 1801 Madison avenue, C. E. Gienrod, 2747 Washington avenue, reported at 1:20 p.m. that two door mats valued at \$8 were stolen from his front porch during the night.

Wilford Womach, 2042 Lee avenue, reported at 2:20 p.m. that a new trash can valued at \$6 was stolen from the rear of his house during the night. The trunk lid of a 1951 auto owned by Benton Lindsey, 2704 Iowa street, was pried open and a spare tire and wheel valued at \$25 were stolen during the evening, he reported at 11:30 p.m. Monday.

## World Day Prayer Program Set for Friday

The World Day of Prayer will be observed with services Friday, the first Friday of Lent, at the Bethel ABE Church, 1035 Marietta street, Madison, at 7:30 p.m.

The service, the seventy-ninth anniversary of World Day of Prayer, was written by a group of Scottish women around a theme from Isaiah, "You Are My Witnesses."

The local service is sponsored by the Quad-City Council of Church Women under the leadership of Mrs. George Giulio, general chairman.

Mrs. James R. Craddock will be the speaker, and there will be special music. The offering will go for training workers within the United States in meeting community needs and also for study centers in Asia, Africa and Latin America.

There will be a meeting the afternoon of Feb. 22, at 8 p.m., at the Farm Bureau building, Edwardsville, to discuss the latest recommendations on feeding and managing hogs. T. R. Greathouse, University of Illinois livestock specialist, will lead the discussion. This will be a valuable meeting for hog producers and all interested farmers are invited.

### 500 Civil Service Jobs Available

Nearly 500 vacancies in entrance level career positions in a variety of professional, administrative and non-technical fields with various federal agencies located in Illinois are open for employment.

The career opportunities available include positions in the fields of personnel management, general administration, economics and other social sciences, social security administration, management analysis, tax collection, data processing, investigation and other quasi-legal work.

Starting salaries for the jobs located mainly in the Chicago area, range from \$5181 to \$6289 yearly, depending upon qualifications. Applicants must file by April 16, and application information may be obtained from any post office, or the U. S. Civil Service Commission, Chicago Region, Main Post Office Building, Chicago.

### European Coiffures Featured at Show

Joseph Stemmer, owner of two local beauty salons, this week attended a special hair styling show in St. Louis which featured lectures and demonstrations by Otto of Vienna, an international styling artist.

Displayed at the workshop were the latest European coiffures and new techniques in hair coloring and shaping. Stemmer was accompanied by several of his operators.

### Attend Children's Home Board Meeting in Alton

Mrs. Dale Rea and Mrs. Herma Huxel attended a meeting of the regional board of directors of the Illinois Children's Home and Aid Society, a United Fund Agency, at the YWCA in Alton Monday.

Mrs. Rea was recently appointed to the board. Another member, Mrs. H. E. Lueders, is vacationing in Florida and was unable to attend.

## Marines in Vietnam Praise Work by Navy Corpsmen

A sailor in Marine uniform in Vietnam is the assignment for a Granite City man—Charles "Chuck" Thompson, 30, a Navy hospital corpsman.

Thompson, whose wife, Sarah, and three children, Mickey Sue, 8, Larry Joe, 7, and Lucy, one, live in the 1700 block of Cleveland Blvd., has been in Vietnam since December. He has been in the service nearly 15 years and was stationed at Cherry Point, N. C., for seven years before going to Vietnam.

Thompson currently is stationed with the Marines near Chi-Lus, and a recent publication in a U. S. military newspaper in Vietnam praised the work of the Navy corpsman.

Excerpts from the publication follow:

"When mortars and rockets are hitting and the scene appears to be one of complete pandemonium, out of the din is heard the cry, 'Corpsman!'

"Everyone who hears the cry knows two facts for certain. One is that a Marine is wounded. The other is that within moments there will come running across the explosive battlefield a Navy hospital corpsman to tend the wounded man."

"Affectionately called 'Doc' by the Marines with whom he serves, the corpsman is a vital part of every Marine infantry platoon in combat. Perhaps his highest endorsement is that the Marines don't even think of him as being a sailor."

"I had to choose between the two, one case-hardened sergeant."

**CHARLES THOMPSON**  
Navy Corpsman

and said, 'I'd take the doc along and leave the ammo at home'."

"To his Marine platoon, the corpsman is Albert Schweitzer, the Mayo Clinic and Florence Nightingale, all rolled into one. Back at the base camp, he passes out aspirin, takes temperatures and leads the patient into the doctor's office. But on a patrol or other operation, he is a grizzly among bears."

"Any combat Marine in Vietnam," the article continues, "is confident of several things, each comforting to him."

"One is that if he gets hit, he will not be left behind, no matter how pressing the circumstances. Another is that weather permits, and regardless of the dangers involved, a Med-Evac helicopter will soon come to pick him up."

And, finally, he knows that nothing will prevent an immediate response to his cry of 'Corpsman!'

### Unusual Theft From S&L Counter

A most unusual theft was discovered this week at the First Granite City Savings & Loan Association, 6111 E. 2, where a brass sign was taken from the service counter.

Fred Williams, manager, said the brass sign was about 10 inches long and four inches high, and the thief left the wooden rack that held it.

The sign stated that the firm is "an instrumentality of the U. S. Government and any act of illegal entry, burglary or theft constitutes violation of federal statute and will be investigated and prosecuted by the Federal Bureau of Investigation."

Williams has not yet decided if he will call upon the FBI to investigate and prosecute for the theft of the sign.

### \$6379 City Hall List, \$40,786 Payroll Ok'd

A \$6379 bill list and a \$40,786 half-month payroll were approved Monday night by Granite City council members.

Included on the bill list were payments of \$145 to G. L. Crawford & Associates for traffic engineering services in January; \$466 to the St. Louis Testing Laboratories for air pollution study in January; \$269 to Edwin C. Hoelcher for professional services and office expense as technical advisor for the Air Pollution Control Commission.

The 10,000 sets of mailer-type traffic tickets for non-moving violations were purchased from Jerome, Inc., at a cost of \$346, and sent to Southwestern Bell Telephone Co. amounted to \$184 for civil defense, city hall, police department and for maintenance of sewers.

Expense allowances included \$250 paid to Mayor Partney as an advance for a trip to Chicago on the city's application for federal tax funds for sewer construction, and \$30 each for monthly expenses for Aldermen Dallas, Moerlen and Thompson.

### Sunday Church Service

"Christ Jesus" will be the subject of the service Sunday at First Church of Christ, Scientist, 2560 Delmar avenue. The lesson sermon from Luke continues with Mark's record of Jesus' baptism in the River Jordan.

## Heart Fund Drive Variety Show Sunday at GCHS

A variety show, starring radio and recording artists together with local talent, will climax the Quad-Cities 1966 "Heart Fund drive" at 2 p.m. Sunday in the Granite City high school auditorium. Donations will be \$1, with all proceeds to go to the Madison County Heart Association.

Produced by Burt Schmeisser, special events chairman for the fund, the three-hour variety jamboree will feature the appearances of the Coaches, the Dimensions, the Country Cousins and the Crescendos, headlined by vocalist, Nancy Simmons.

Performances also will be spotlighted by such local groups as the "Fabulous Rocka," with vocal numbers by Roger Davis; the Checkerboard Square dancers; "Y" Twirlers; students dance and baton school students.

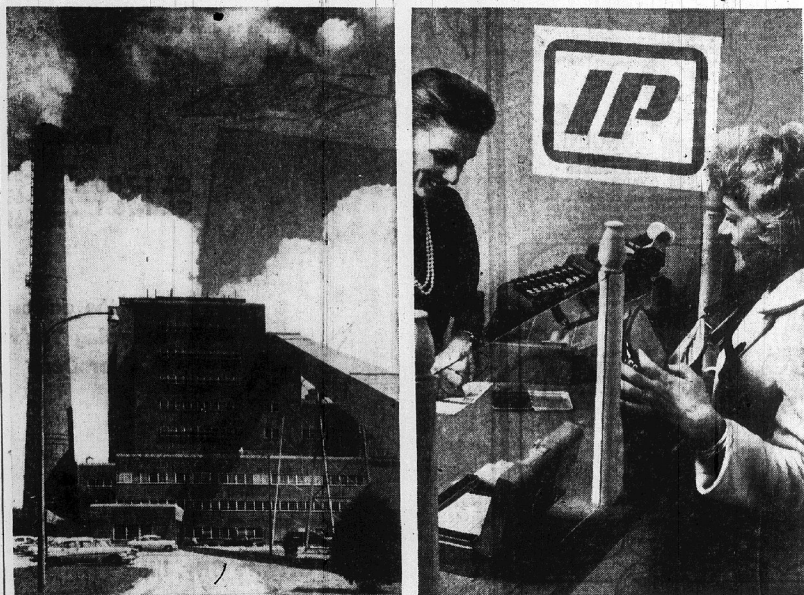

Tickets may be obtained at Graham's Book store, Reese's Bookstore, Village Drug store, National School of Music, Holiday Service, or at the door.

### Positions Open in Nation's Capitol

Positions are available for stenographers and clerk typists with the U. S. Department of State in Washington, D. C., it was announced by the U. S. Civil Service Commission.

The Washington positions can lead to assignments in Embassies and Consulates overseas, upon qualification, the commission said. Starting salaries range from \$4149 to \$5181 yearly, and high school diplomas are required. Information may be obtained from the Employment Office of the Department of State in Washington, D. C.

At Illinois Power Company  
it's our business  
to serve you better

The \$200 million we put  
into new capacity in  
the last 10 years...

saves our customers  
money every year

One of the ways Illinois Power constantly strives to serve you better is to keep the cost of your electric service as low as possible.

That's why in the last 10 years alone, we invested more than 200 million dollars in modern, efficient equipment to generate and distribute electric energy.

Efficiency means low cost. And Illinois Power customers get the direct benefit. In 1964, Illinois Power again reduced rates, saving our customers money on their electric bills.

Providing you with constantly improving electric service at low cost... that's our business.

IT'S OUR BUSINESS TO SERVE YOU BETTER

## 1966 is Memorial Day Centennial in S. Illinois

John W. Allen  
Southern Illinois University

Every southern Illinoisian should be interested in Memorial Day for it is a featured incident in the region's history. The next one to be observed, in a few months from now, is of particular interest because it marks the ending of a hundred years since the first observance of a special Memorial Day at Carbondale's Woodlawn Cemetery. It is recorded as Carbondale's first observance of such a day.

This Carbondale observance, held on April 29, 1866 is the first recorded instance where an entire community was organized and a special day was set aside on which to pay tribute in a formal manner to the soldiers of the Civil War. Extended research does not reveal any other community in America which has been organized on a community-wide basis so early.

There are several sources from which the bits and pieces have been gathered to tell the story of Carbondale's first reported observance. One source is the statements made by those who were participants or observers on that first occasion. A number of persons are yet living who heard their accounts first-hand.

Written Source  
A written source is the record of the day made by James Green, a cousin of General John A. Logan, and at that time section of Woodlawn Cemetery. Support of both sources indicated is furnished by records of the Crab Orchard Christian Church, located about four miles west of south from Carbondale and by those of the First Methodist Church in the town. Later items in the Carbondale record refer verification. Written records and traditions are basically consistent.

Carbondale's observance of its first Memorial Day was an outgrowth of an impromptu one made at Crab Orchard Christian Church two weeks earlier. At that time three men who had come early to attend the services at the country church were sitting on the church steps when they saw a widow and her three children carrying flowers pass along the roadway and turn into the Hiller cemetery beside the church.

The men were deeply impressed when they saw the widow and her children turn into the cemetery, clear brush from the veteran father's grave, and place their bouquets upon it. After the church services the three men, by name, Crowell, Wiseman and Winchester, joined with others to clear and decorate other soldiers' graves. A marker in the little cemetery commemorates their impromptu action.

Conference is Held

On the following Monday the three men named came to Carbondale and talked with Col. E. J. Ingersoll, one of the town's civic leaders. Ingersoll readily entered into their plans to hold a community-wide observance similar to the earlier one at the country church. Citizens of the community responded readily and gave full support. It was thus that the first recorded observance of the Carbondale community came to be.

The 1866 observance at Carbondale's Woodlawn Cemetery differed from earlier recorded ones.

It was organized and promoted on a community-wide basis, and all citizens were invited to participate. It also is the first recorded instance where the lead was taken by returned veterans, a feature continued thereafter.

At the appointed hour the assembled veterans, 219 of them, were formed in columns at the Methodist Church by Col. Ingersoll, marshal of the day, and marched to Woodlawn Cemetery, five blocks away. It is recorded that Gen. John A. Logan marched with the men. After an invocation those present heard Logan pay tribute to the soldiers who had defended the Union. They heard him say—"Every man's life belongs to his country and no man has a right to deny it. This must have been said in an impressive manner that prompted Green to record it in his account.

Tradition Starts  
After Logan's talk those assembled went about clearing and decorating the graves of their deceased comrades. Tradition tells us the grave of a soldier of the South, no longer an enemy, was decorated in like manner as the others. The grave of another soldier, name unknown, came in for special attention. A spray of flowers was placed on his grave, as one "known only to God."

The pattern set at this first Memorial Day observed on the community-wide basis with returned veterans as principal participants furnished the pattern suggested by Logan, twice Commander of the Grand Army of the Republic, in his famous General Order No. 11, issued May 5, 1868. It was the general procedure followed as long as the number of members was sufficient and they were physically able to conduct Memorial Day services.

With a decreasing number of surviving veterans able to participate, observances of the day became more and more organized in a younger generation. Veterans of later wars came to fill the thinning ranks. Those of the Spanish-American War, world war I, world war II, the Korean War and later conflicts have taken over.

Emphasis on the military has not decreased. An added emphasis, however, has come in the honoring of all civilians who have contributed to the liberties and well being of the people.

Since the enduring pattern for the observance of Memorial Day as a community-wide effort under the general direction of returned

## Anti-Pinball Laws Being Considered For County Area

The investigation and license committee of the Madison county board of supervisors is considering a new ordinance to outlaw pinball and related machines in unincorporated areas of the county.

The committee, headed by Berry Harris of Alton, conferred with Sheriff Barney Fraundorf, who is seeking the ordinance, and State's Atty. Joseph Barrykall. Earl Bushler of Granite City is a member of the five-man group.

Fraundorf noted that the machines were made illegal in Chicago and Cook county and the law would help prevent the criminal element from entering the county. He called the machines "slot machines with masks on." The sheriff said children play the machines and later, with the belief that they contain large sums of money, burglarize them and enter a life of crime. Hardships are imposed on the parents of adults who use them for gambling purposes and lose money, he added. He said he has located 30 pinball machines in the county.

Barrykall said several measures could be used to control the use of the devices through county licenses. They could be refused to operators who obtain federal gambling stamps, he said, and licenses could be revoked where the machines are used in violation of the law.

Pvt. Modlin Completes Army Leadership Course

Army Pvt. Kenneth R. Modlin, son of Mr. and Mrs. William R. Modlin, 2800 National avenue, has completed a leadership preparation course at Ft. Leonard Wood, Mo.

Modlin received two weeks of intensive instruction in leadership, map and compass reading, weapons and drill in preparation for assuming a junior position of leadership in basic infantry training. The 19-year-old soldier who entered the Army last January is a 1964 graduate of Granite City high school.

veterans began at Woodlawn Cemetery in Carbondale a hundred years ago, it appears highly proper that proper recognition be made. To that end an organization of its civic minded citizens, incorporated as a non-profit organization known as the Carbondale Memorial Day Association, has been formed for the purpose of properly recognizing those facts. On a national scale steps are being taken to forever recognize the reverence of the occasion by setting the site-Woodlawn Cemetery—as a National Historic Monument.

the general direction of returned

Madison County Home Adviser

Controversy Over Fats

The controversy over fats in the diet and the relationship between diet and heart disease has been in progress for more than 10 years. But research still does not show the need for specific recommendations for fat in the diet pattern.

Your best way to meet nutritional needs and maintain a desirable diet is through a well-balanced diet of meat, milk, eggs, vegetables, fruits and cereals, according to Dr. Fred A. Kummerow, director of the University of Illinois Bureau of Research Laboratory.

Polyunsaturated fats, which are primarily vegetable fats, represent essential nutrients in the diet, but they should not be eaten at the expense of other nutrients. Dr. Kummerow says. Moderation in total fat consumption appears to be a safe guideline.

"It has been established beyond question that protein is an essential nutrient for man," Dr. Kummerow emphasizes. "Sodium oils can substitute for animal protein."

In discussing recent diet recommendations, Dr. Kummerow said, "To say that one should eat 'significantly less' saturated fat (contained in meat) or cholesterol (contained in eggs) could lead to a serious deficiency in protein, iron and B complex vitamins." Yet to follow this recommendation regarding consumption of polyunsaturated fats could decrease the intake of animal proteins furnished by meat, dairy and poultry products.

Fats Do Damage  
In addition to proteins, such foods also contain saturated fats and cholesterol. It is these fats, not the animal proteins, that are the target for recent recommendations. However, fats cannot be separated economically from the essential protein in the milk and meat food groups. And their separation nutritionally is unnecessary, according to Dr. Kummerow.

The danger in self-prescription of high "polyunsaturated" diets lies in the failure to recognize the true nutrient content of different foods. For example, eggs and ice cream are considered high-calorie foods, but they contain only one-third as much fat as potato chips. Furthermore, an egg contains about 13 percent protein, which should outweigh its moderate fat and cholesterol content, Dr. Kummerow believes.

He says that the total protein needs of the American dietary pattern could not be supplied by substitute proteins. And even in diets used in the clinical studies on polyunsaturates, meat and milk are the recognized sources of protein.

Clothing News  
Total expenditure for clothing is going up, for U. S. families are buying more and better quality clothing. With individual clothing items some prices will rise up, others down in the next few months.

In the Spring lines, prices are expected to be 50c to \$1 higher for low and medium priced shoes and as much as \$2 higher for some expensive shoes. You can expect a 5 to 10 percent rise in prices of children's clothing this Spring.

Look for more easy-to-care-for items in clothing lines, especially

ly those for men and boys. Permanently-pressed slacks and a new shirt, the manufacturer claims never needs the touch of an iron are available. You can expect more stretch cottons, especially in sports clothes, and more shrink resistant wool garments easily laundered at home in the washing machine, both products of USDA research.

Spice In Life  
For those who resolved to put some spice in their life in the New Year, the U. S. Department of Agriculture suggests an easier resolution—put some seasoning in your life by using onions in your menus. A record-breaking crop will keep consumers well-supplied with good quality onions throughout the coming year.

When selecting onions, consider size and shape. USDA's Consumer and Marketing Service sets U. S. standards for grading onions, although grades do not always appear on the consumer package.

Onions should be clean, well-shaped, and have dry skins. Like a strong flavor, they globe onions, which are medium in size and globular in shape. The flavor of this type of onion keeps very well when stored in a cool, dry place, and globe

Granite City PRESS-RECORD  
Thurs., Feb. 24, 1966 Page 37

onions are available throughout the year.

For a million orion, choose the Bermuda or Spanish. The Bermuda is large and flat with a yellow, buff or red skin. Look for Bermudas in the store from March to June. The Spanish onion is large and elongated, with a light yellow or tan color. Spanish onions are available August to April.

Car Swerves, Hits Door

Swerving to avoid a young boy in the street, an auto driven by Katherine L. Van Order, 2612 State street, struck the partially opened door of a parked car owned by Thelma L. Chapman, 2080 Garfield avenue, at 3:25 p.m. Monday at 21st street and Dixie avenue.

## City Studying Bids for 6 Police Vehicles

Four bids for purchase of six police vehicles and two for leasing the vehicles were opened Monday night at the Granite City Council session and were referred to the Police committee for recommendation.

This marked the first time the council requested lease proposals and also the first time that air conditioning unit costs were requested as alternatives.

Bids were submitted by B. E. Hohlt, Inc. on Foris, Hundley Pontiac on Pontiac, Farrington Motors on Dodges and Elledge Motor Co. on Plymouths. The lease bids were by Hundley and by the Glen-Son Leasing Co. at the same address as Elledge Motors.

### 8 Cars, Station Wagon

The city wants five police cars and a station wagon for the canine patrol. Six sedans are to be traded in, if the new cars are purchased. Under the lease arrangement, the city would sell the cars, and on the lease cars would be responsible for insurance coverage, gasoline and oil and licenses.

With a \$6125 trade-in allowance, the Hohlt bid lists six Fords would cost \$7110, with \$257 to be added for each vehicle for air conditioning.

Hundley's purchase bid would total \$10,756 with \$325 added for air conditioning for each vehicle. The bid figure is after the trade-in total of \$11,075 is deducted.

### Other Proposals

Farrington's bid totaled \$10,942, and air-conditioning was quoted at \$325 per vehicle. The trade-in allowance \$9525 was deducted. The bid from Elledge Motors amounted to \$7750 with a \$10,125 trade-in allowance deducted. The added cost for air conditioning would be \$275 per unit.

Lease proposals were \$165 for each vehicle per month, submitted by Hundley, and \$197 for sedans and \$202 for a station wagon, submitted by Glen-Son Leasing. The added cost for air conditioning would be \$20 per vehicle each month according to the Glen-Son proposal.

The Sanitation committee headed by Alderman Boyd, recommended the city obtain lease bids for a truck for the humane department. The present truck—about three years old—needs repairs totaling over \$500. If a suitable lease bid is received, the city will sell the present truck.

**Incinerators Approved?**  
Boyd also reported his committee is investigating a report that

the state department of public health is not approving municipal operation of incinerators as a means to eliminate air pollution at dumps. He called upon the city's Air Pollution Control Commission to assist in the fact-finding.

"We'll probably wait for an answer before going ahead with a meeting with Venice and Madison city officials on the proposed operation of a joint incinerator."

Boyd was asked by Alderman Moerlein, chairman of the Special Pollution committee, to study the possible construction of an incinerator at the city's sewage treatment plant which soon will be placed in operation on property at the Granite City Army Depot. Moerlein said the city could save truck costs and added handling costs if a sludge incinerator would be located close to the treatment plant.

**Franchise Talk Stated**  
In other business, Moerlein reported that East St. Louis & Inverness Water Co. is interested in negotiating a franchise with the city and that a meeting tentatively is set for tomorrow.

Approval was given for the American Legion Post 113 and Auxiliary to hold Memorial Poppy Days on May 28. Mrs. Dorothy McCain, Auxiliary president, and Mrs. Mildred Reis, Poppy Day chairman, submitted the request.

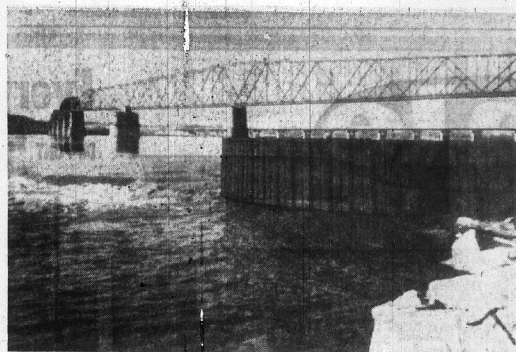

Also approved was a request from Victor Koenig, civil defense director for the city, to attend a U. S. Defense Council meeting in Washington, D. C., with an estimated \$177 expenses to be paid by the city.

**Bill for Booklet**  
Referred to City Atty. Richard Allen was a letter from Chester Baker, president of the Tri-City Printing Co., seeking payment of \$1787 for a legislative handbook printed a year ago.

The aldermen called for the comptroller to get an accounting of the book sales and the number of books on hand and to call upon former alderwoman, Mrs. Gabrielle Bettine, author of the handbook, for assistance.

Mayor Partney announced that preparations are being made for the Air Pollution Control Commission to make application for federal funds in carrying out its operations.

**HIGH STAGE** of the Mississippi River completely covers the low water rock dam south of the Chain of Rocks bridge. The high stage is not interfering with river traffic and is going down at present. Ripples in the water indicate where the rock dam is located.

### Vietnam Returnee to Address Moose Lodge

A first hand report on current operations and problems in Vietnam will be presented by John A. Smith, 2806 Yale drive, at a meeting of Granite City Moose Lodge 272 this evening. The program will be given at the Moose Hall on State street, it was announced today by T. A. Bell, lodge secretary.

Smith, who is employed as chief of receiving at the Granite City Army Depot, recently returned home from a tour of duty in Saigon. The speaker will illustrate his talk with a series of colored slides, Bell said.

## No Local Highways Termed Most Dangerous

None of the stretches of state highways in the Quad-Cities area was considered to be among the most dangerous in Madison county, the state highway division at French Village confirmed today.

There was some misunderstanding of reports concerning Highway 111, but an official who was in charge of the area survey said it involved two sections of Illinois 140 west of Route 111 in the Cottage Hills area.

1941-1966

Are you smart enough to know a mentally retarded child when you see one?

You can tell right away if a child is mentally retarded just by the way he looks.

Sure you can?

Then, how many of the children shown here are retarded? Two? Possibly three? Certainly not all of them.

That's where you're wrong. All these children are retarded. Surprising — isn't it? — that they look so much like normal, average boys and girls.

Maybe you think that these children could get along all right without any special help. That's where you're wrong again.

They need special teachers who understand the problems of the retarded. They need special recreational programs to help them develop physically and socially. And, later on, they will need special training for jobs — or else they will become burdens to their families and the community.

You can bring new hope to the retarded. You can be a part of one of the most satisfying programs ever planned for man to serve his fellow man — a program aimed at preventing mental retardation and helping the six million Americans already afflicted.

A free booklet will tell you what you can do. Address The President's Committee on Mental Retardation, Washington, D.C.
